The perfect gift for seekers, the curious, and the spiritually hungry, The Little Book of Prayers now has a stunning new cover and a more prayer book-like format. Gathered from holy books and prayer books, from

songs and spirituals, spoken traditions and poets, it is an unexpectedly approachable collection of common and uncommon prayers from around the world. The entries, one per page or spread, are chosen for their depth of feeling, beauty of expression, spiritual intensity, and sense of the universal. The book is organized into broad categories of praise, entreaty, contemplation, mourning, and grace; and two indexes—one by authorship, and the other by topic—make it immediately accessible. There are familiar prayers, like the Lord's Prayer and 23rd Psalm, which, placed in new context, shine with a renewed beauty and wisdom. You'll find prayers unfamiliar to many in the West, such as the "Opener" from the

Koran or the four vows of the Bodhisattva, chanted every evening in Zen monasteries around the world. And the surprising—from the "Prayer of the Unknown Confederate Soldier" to the blues of Lightnin' Hopkins to the poetry of Rumi. God help us to live slowly: To move simply: To look softly: To allow emptiness: To let the heart create for us. Amen. —Michael Leunig You, whose day it is, make it beautiful. Vallabhacharya, the founder of the Pushti Maarg was a poet, scholar and passionate lover of Lord Krishna. Madhurashtakam is one of the immemorial compositions of Vallabhacharya, the founder of Pusti marg. These set of eight verses talk of Shri Krishna's bewitching personality. His pastimes, and His

pranks all of which make Him loving and lovable. The composition has become more popular because of its simplicity. Pujya Guruji's commentary on it gives us a sense of immediacy with highlights of episodes from the lives of recent saints. It also makes us introspect on our hypocrisies which prevent us from flowing with sweetness. It opens our eyes to the healing energies of the Divine, clothed in a name and form.

Srimad Bhagavad Gita is now widely recognised as a scriptural text of worldwide importance. Sri Ramanuja is one of the noted commentators on the Vedanta Sutras of Badarayana and the Bhagavad Gita. This has brought him recognition as one of the greatest exponents of Vedanta from the Vaishnava point of view. Swami Adidevananda, one of the distinguished scholarly monks of the Ramakrishna Order who retained his inherent Sri Vaishnava heritage, has translated the original verses and Sri Ramanuja's commentary into English. This book is of special

importance because it is the only English translation now available with the original Sanskrit commentary as well. The book opens with meditation on the Gita followed by the Gitartha-sangraha of Sri Yamunacharya with English translation. Swami Tapasyananda, who was a scholarly monk with deep devotional temperament and one of the Vice-Presidents of the Ramakrishna Order, has written a scholarly introduction to this work. *Ānandalaharī* Motilal Banarsidass Publishe Cyber Worship in Multifaith Perspectives, as is implied by its name, explores worship (i.e., Prayer, Praise, Scripture, Sacrament, Rituals, Confessions, Eucharist, Rites, Pilgrimages, Reflection, Contemplation, etc.) on the Internet. It is not an 'everything you need to know' guide about the subjects of faith and belief, religions-online, religions on the Net, or religions in cyberspace. Rather, it is a book about religious and spiritual experience under the rubric, cyber worship, which is the variety of ways religious devotion is performed and carried out on the Internet. The term 'Cyber Worship' is a

catchall phrase, which includes variants such as online worship, virtual worship, electronic prayer, cyber puja, cyber synagogue, and so on. Dr. Mohamed Taher has thus assembled a quick reference for two groups: those communities that are involved in Cyber Worship and business Webs that collaborate in sustaining wired environments. As such, this book provides an interesting and current perspective on a practice that will continue to grow in the future.

Love is divine and Divinity

is love personified. The

author explains that

divine love is the meaning

of life and shows the

reader how everyone can

attain peace, love,

immortality and

happiness by the easy

method of mantra

meditation. The book

elaborately describes love

as the ultimate reality,

love is divine,

reincarnation and its

significance, immortality

and bliss, law of karma,

mind and meditation,

bhakti yoga and the art of

dying. The book also

presents a unified system

of spiritual knowledge and

a synthesis of science and

religion by explaining the fundamentals of life and consciousness and giving a comparison of the characteristics of life and matter. Included are some fascinating tales from ancient Vedic scriptures which illustrate the philosophy with the medium of real life drama. Topics covered include: \* The Meaning of Life \* Love is the ultimate reality \* Immortality and bliss \* Meditation and bhakti yoga \* Reincarnation and its significance \* Laws of karma, morality and peace \* Proof of God's existence \* Location of soul \* Life is but a dream \* The art of dying Love is the highest value. From our experience we can surmise that the feeling of love is the most pleasing and gives us ecstasy and pleasure. The feeling of love is cherished by all and the exchange of feelings of love is remembered fondly within our hearts. Love nourishes us and really love is our life. Without love life is meaningless. Indeed the meaning of life is love. Our present education system does not teach students the meaning of life. The tragedy of life is that, consequently, a person may go through life without ever knowing the meaning of life or why

he came to this world in the first place.

 The Kularnava is perhaps the foremost Tantra of the Kaula School and is constantly cited as an authority in Tantric literature. It is worthy of close study by those who would understand the tenets and practice of the tradition of which it is a Sastra. The Introduction by Arthur Avalon gives a concise outline of the work. Sri M.P. Pandit who is a keen student of the Tantras and Vedas has rendered the work in English in eleven chapters. The readings are free translations, with annotations where necessary, omitting technical details but preserving the spirit and essential import of the original in his characteristically lucid style. The Kularnava prescribes the modes of preparation for the high quest; it draws upon ethics, religion, philosophy, yoga to elevate human life gradually to the level of godly life. It comprehends the multiple personality of man and provides for the healthy growth of his mental faculties, purification of his physical faculties through ritual,

japa, mantra and upasana. Who is fit for the path of Tantra? Who is competent to guide the

novice on the double-edged razor path? What is the responsibility of a Guru to a disciple? These

and other relevant questions are raised and answered in a satisfying manner.
