Der Autor geht auf Fragen ein, die jeden Adventisten interessieren (sollten): Wie kamen die Adventisten zu den Glaubensüberzeugungen, die sie heute vertreten? Wie haben sich die Lehrauffassungen im Laufe der Jahre verändert? Würden die adventistischen Pioniere alle 27 Glaubenspunkte unterschreiben wollen, die heute von der Gemeinschaft der Siebenten-Tags-Adventisten als verbindlich anerkannt werden? George Knight bezweifelt das. Er legt in wohltuender Offenheit die unterschiedlichen Strömungen innerhalb der Adventgeschichte dar und verdeutlicht, dass Adventgläubige nicht aufhören dürfen, Suchende und Lernende zu sein. So aufwühlend dies klingen mag, so beruhigend wird der Leser feststellen können: An allen untersuchten Beispielen wird erkennbar, wie wunderbar Gott die Adventgemeinde geführt hat. - How did Adventists come to believe what they believe? How have those beliefs changed over the years? With compelling candor George Knight captures the ebb and flow of the doctrinal currents within Adventism, including controversies over the shut door, the law in Galatians at the 1888 General Conference, the Trinity, pantheism, Fundamentalism, the nature of Christ, and inspiration. The Adventist Church was founded by independent thinkers who would have disagreed with several of the church's current 27 fundamental beliefs. But over the years strength arose out of contention, and consensus out of debate. From William Miller to Desmond Ford, Knight catalogues the colorful personalities who shaped the discussion, and shows how God has led Adventism into a broader and deeper understanding of His eternal truth. - A Word to the Reader, A Note From the Author, List of Abbreviations, Chapter 1: The Dynamic Nature of "Present Truth", Present Truth: Fluid Rather Than Static, The Avoidance of Creedal Rigidity, The Pathway of Progressive Understanding, Chapter 2: Adventism Wasn't Born in a Vacuum, The Theological Roots of Adventism, Millennial Visions, Chapter 3: The Millerite Theological Foundation, Miller's Use of the Bible, Miller on the Second Advent, The First and Second Angels' Messages, The Seventh-Month Movement and the Great Disappointment, Chapter 4: What Is Adventist in Adventism? In mid-1800s America, in a milieu where thousands were dying prematurely from tuberculosis, dysentery, yellow fever, cholera, diphtheria, smallpox, and even malaria, God raised up a people with a salvific message, both physically and spiritually. In Adventist Heritage of Health, Hope, and Healing, readers will be spellbound by stories of: The fledgling Western Health Reform Institute which became the largest health care institute of its kind. The \$5,000 miracle that led to the founding of Loma Linda University Medical Center, one of the nation's premier medical facilities in southern California. The China Doctor, Grandma Whitney, and the humble academician with three doctorate degrees, who have influenced thousands through an integration of practical religion and health. The prophetic Comprehensive Health Vision that outlines a 10-step program for adding years to your life. In this book, Dr. Andress explores little known historical connections that coalesce into a persuasive case for a Christian theology of healing and wellness. Throughout the book, personal anecdotes and illustrations provide a vivid and tangible portrait of a man seeking to better understand and live out the divine plan for health of body, mind, and soul. A compelling work.--John Wesley Taylor V, Ph.D Professor of education, philosophy, and research, Southern Adventist University If 'The health should be as sacredly guarded as the character' (Child Guidance, page 342), then this volume is as valuable as any work in theology. It is the heritage of all God's children to be healthy.--Arthur Mallon, teacher, author, and evangelist

In presenting this most important subject for the consideration of the people of God, we invite the candid and prayerful attention of all who have ears to hear. It is well understood by thousands that the great disappointment of the Advent believers arose from the fact that they believed the cleansing of the sanctuary to be the burning of the earth, or some event to transpire at the second advent of the Lord Jesus; and as they could clearly establish the fact that the 2300 days would terminate in the autumn of 1844, they looked with the full assurance of faith and hope for the glorious appearing of the Son of God at that time. Painful and grievous was the disappointment; and while the heart of the trusting was bowed with sorrow, numbers were not wanting who openly denied the hand of God in the Advent movement, and made utter shipwreck of their faith. As the subject of the sanctuary of

the Bible involves the most important facts connected with our disappointment, it is worthy of the serious attention of all who wait the consolation of Israel. Those who have any interest in the past Advent movement, cannot be otherwise than deeply interested in the question of our disappointment. To examine this question with candor and fairness, and to set forth the reasons why their expectations were not realized, is the object of this work.

Pathfinders Review and Herald Pub Assoc

This work gives a detailed history and defense of the Advent Movement of the 1840's known as Millerism, the movement from which the Seventh-day Adventist denomination sprang. The book is based on original sources, William Miller's correspondence, contemporaneous books, pamphlets, journals, newspapers. The first half is devoted to the history of the movement, and the second half to an examination of charges made against the Advent believers, such as that they wore ascension robes, that the Millerite preaching filled the asylums, and so forth.

Any group that loses a sense of its history, begins to die. to look through the door of the future, one must occasionally glance back through the windows of the past. "Windows" provides such glimpses into the history of the Seventh-day Adventist Church. Dr E K VandeVere has collected together the personal and contemporary accounts of men and women who shaped denominational history. Their words bring the church's story alive, revealing both its turning points and its personal moments. Through letters, diaries, periodical articles, and personal manuscripts, Dr VandeVere lets the pioneers remind us of the Seventh-day Adventist heritage - Millerite Disappointment. Reorientation. The Autobiography of Elder Joseph Bates Review and Herald Pub Assoc

Perhaps you've heard the stories of the Adventist pioneers. However these are the stories that are not often told. The stories that bring out the human nature of each one. Heartwarming stories will give you a different perspective. You'll get to know the pioneers. None of them were perfect--but all of them did their best, by God's grace, to spread the message of Jesus' soon return and the good news of the seventh-day Sabbath. You'll laugh, cry, and celebrate the God who uses imperfect people to do His work. - A Word to the Reader; CHAPTER; 1 William Miller: "Today, Today, and Today, Till He Comes"; 2 Hiram Edson: Bible Student, Preacher, Healer; 3 Joseph Bates: Herald of the Saggath; 4 James White: "You Will See Your Lord A-Coming"; 5 Ellen Gould Harmon: Messenger of the Lord; 6 William Foy and Hazen Foss: One Who Willingly Obeyed, and One Who Refused to Obey; 7 Heman S. Gurney: The Singing Blacksmith; 8 James and Ellen White: They Worked Together; 9 Uriah Smith: "Yours in the Blessed Hope"; 10 John Nevins Andrews: "The Ablest Man in Our Ranks"; 11 Annie Smith: Poet, Artist, Editor; Bibliography

On Tuesday, May 7, 1889 at eight o'clock in the evening, Ellen G. White arrived at the Ottawa Kansas Camp Meeting, where combined meetings for

organization, delegations and conference work was being done. This Camp Meeting took place approximately six months after the historic 1888 General Conference at Minneapolis and the passionate sermons given by Alonzo T. Jones, Mrs. White, and others have given clearer insights to the 1888 message.

The Great Controversy is a work by Ellen G. White, a founder of the Seventh-day Adventist Church, considered a prophetess or messenger of God among Seventh-day Adventist members. The book tells about the ever-persistent controversy between the good and the bad, represented by the opposition of Christ and Satan and the forces of angels that accompany them.

[Country Living](#) Review & Herald Publishing

This book is a story of how Adventists came to view themselves as a prophetic people, of their growing awareness of a responsibility to take their unique message to all the world, and of their organizational and institutional development as they sought to fulfill their prophetic mission. By the end of this volume, you as a reader and I as a author will find ourselves in the flow of Adventist history. - Millerite Roots. Era of Doctrinal Development. Era of Organizational Development. Era of Institutional and Lifestyle Development. Era of Revival, Reform, and Expansion. Era of Reorganization and Crisis. Era of Worldwide Growth. The Challenges and Possibilities of Maturity.

Seventh-day Adventist Church Manual. Pacific Press Publishing Association

Paul writes that we are justified by faith apart from 'works of the law', a disputed term that represents a fault line between 'old' and 'new' perspectives on Paul. Was the Apostle reacting against the Jews' good works done to earn salvation, or the Mosaic Law's practices that identified the Jewish people? Matthew J. Thomas examines how Paul's second century readers understood these points in conflict, how they relate to 'old' and 'new' perspectives, and what their collective witness suggests about the Apostle's own meaning. Surprisingly, these early witnesses align closely with the 'new' perspective, though their reasoning often differs from both viewpoints. They suggest that Paul opposes these works neither due to moralism, nor primarily for experiential or social reasons, but because the promised new law and covenant, which are transformative and universal in scope, have come in Christ.

[Seeking a Sanctuary](#) Review and Herald Pub Assoc

The story of a large yet little-known Protestant denomination

[The Unknown Prophet](#) Imperial War Museums

In this unique devotional George R. Knight reintroduces us to our spiritual ancestors. They weren't perfect. They weren't all easy to get along with. But they shared one common goal: telling others about the soon-coming Savior. But as in any family, it's all too easy to forget where we've come from; to forget the struggles endured by those who have gone before us; to take for granted the inheritance they left to us. Sometimes we need a gentle reminder of the true value of their legacy. In shaping the future of Adventism, these intrepid pioneers molded not only our history, but our present. And as we reflect upon our past, perhaps we should also contemplate the future to which we are each contributors.

[A Brief History of Seventh-Day Adventists](#) DigiCat

Seventh-day Adventists and the Civil Rights Movement is the first in-depth study of the denomination's participation in civil rights politics. It considers the extent to which the denomination's theology influenced how its members responded. This book explores why a brave few Adventists became social and political activists, and why a majority of the faithful eschewed the movement. Samuel G. London, Jr., provides a clear, yet critical understanding of the history and theology of the Seventh-day Adventist Church while highlighting the contributions of its members to political reform. Community awareness, the example of early Adventist pioneers, liberationist interpretations of the Bible, as well as various intellectual and theological justifications motivated the civil rights activities of some Adventists. For those who participated in the civil rights movement, these factors superseded the conservative ideology and theology that came to dominate the church after the passing of its founders. Covering the end of the 1800s through the 1970s, the book discusses how Christian fundamentalism, the curse of Ham, the philosophy of Booker T. Washington, pragmatism, the aversion to ecumenism and the Social Gospel, belief in the separation of church and state, and American individualism converged to impact Adventist sociopolitical thought.

[Christ in His Sanctuary](#) Review and Herald Pub Assoc

Black Seventh-day Adventists comprise more than one sixth of the church membership in North America. Such a significant number would perforce share in a significant amount of denominational history, and indeed would have a significant history of their own. That is what Louis B. Reynolds has drawn here, the result of many years of patient research and interviewing. Church-wide issues and the founding and development of major and minor institutions are reviewed, as well as human-interest vignettes of individuals and local successes. The volume is enhanced with specially commissioned paintings by Harry Anderson. - Introduction, 1 The Millerite Involvement, 2 A Beginning Out of a Tragic War, 3 The Hidden History, 4 Where a Few Were Gathered Together, 5 Into the Lion's Jaws, 6 Infants of Spring, 7 Shadow and Substance, 8 The Right Arm, 9 New Trails in the Old West, 10 The Oakwood School, 11 A Bright, Believing Band, 12 Treasure in Earthen Vessels, 13 A Boarding School in the North, 14 The Branches Overhang the Fence, 15 To the Cities of the East, 16 Separate Conferences: A Road to Fellowship, 17 Ambassadors to the World, 18 Never to Become Disheartened, Appendixes
