The no-nonsense, no BS guide to becoming a prolific author--available in ebook, paperback, and audiobook! Do you want to write a lot of novels, but can't improve your writing speed? Writing fast is the most important skill you can develop as a writer. While it seems hard to hit high word counts, the secrets are easier than you think. In this writer's guide, prolific author M.L. Ronn pulls back the curtain on the process that he uses to write 6-8 novels a year. He has kept this pace

while juggling responsibilities as a husband, father, manager at a Fortune 100 company, and a law school student. The result is a catalogue of over 40 books and counting. Create a writing habit that suits your lifestyle Use writing apps on your phone to double your word count Learn strategies to beat writer's block forever Discover how to write smarter by using unorthodox strategies used by the masters This book is the only thing standing

between you and your writing dreams. Write faster, write smarter, beat writer's block, and be the prolific author you've always wanted to be! V1.0 Word For Dummies John Wiley & Sons From Here to Nashville is a contemporary romance novel with a country music theme. Can Music Really Bring People Together? Rachel Hardy dreams of being a successful country music singer in Nashville's Music City, four thousand miles away from her lonely life in Dorset. When Jackson

Phillips, an independent record label owner, encourages her band to audition for a nationwide 'Open Mic' competition, she decides they have nothing to lose. But when she starts to fall in love with Jackson, the stakes suddenly get higher and she finds herself with a great big dilemma on her hands. Should she abandon her dream and take the easy way out or should she leave the life she has always known behind and take a gamble on a man who has personal demons of his

own? Follow Rachel and Jackson as they learn to trust in love again and to see whether music really can bring them together. 'This book gives what we want from a contemporary romance, escapism with... a story that is interesting and which maybe isn't quite as predictable as you might expect.'

"One of the most anticipated YA debuts of 2018, *Brightly Burning* is a

gothic, romantic mystery with hints of *Jane Eyre*, Marissa Meyer, and Kiera Cass." —Entertainment Weekly "*Brightly Burning* delivers a brooding gothic mystery and a swoony romance, all set in space. Donne's atmospheric, twisty update of a cherished classic will keep you up late into the night!" —Elly Blake, NYT bestselling author of the *Frostblood Saga* Stella Ainsley leaves poverty behind when she quits her engineering job aboard the *Stalwart* to become a governess on a private

ship. On the *Rochester*, there's no water ration, more books than one person could devour in a lifetime, and an AI who seems more friend than robot. But no one warned Stella that the ship seems to be haunted, nor that it may be involved in a conspiracy that could topple the entire interstellar fleet. Surrounded by mysteries, Stella finds her equal in the brooding but kind nineteen-year-old Captain Hugo. When several attempts on his life spark more questions than

answers, and the beautiful Bianca Ingram appears at Hugo's request, his unpredictable behavior causes Stella's suspicions to mount. Without knowing who to trust, Stella must decide whether to follow her head or her heart. Alexa Donne's lush and enthralling reimagining of the classic *Jane Eyre*, set among the stars, will seduce and beguile you. *Alcatraz Vs. the Evil Librarians* Que Publishing

Following on the heels of Lisa Cron's breakout first book, *Wired for Story*, this

writing guide reveals how to use cognitive storytelling strategies to build a scene-by-scene blueprint for a riveting story. It's every novelist's greatest fear: pouring their blood, sweat, and tears into writing hundreds of pages only to realize that their story has no sense of urgency, no internal logic, and so is a page one rewrite. The prevailing wisdom in the writing community is that there are just two ways around this problem: pantsing (winging it) and plotting (focusing on the

external plot). Story coach Lisa Cron has spent her career discovering why these methods don't work and coming up with a powerful alternative, based on the science behind what our brains are wired to crave in every story we read (and it's not what you think). In *Story Genius* Cron takes you, step-by-step, through the creation of a novel from the first glimmer of an idea, to a complete multilayered blueprint—including fully realized scenes—that evolves into a first draft

with the authority, richness, and command of a riveting sixth or seventh draft.

The Scrivener's Bones Penguin

A bold and innovative novel, I Am Ariel Sharon dives into the tortured mind of the controversial Israeli prime minister as

he lies comatose and faces an ultimate reckoning. Award-winning Palestinian Canadian novelist Yara El-Ghadban imagines the confrontation at death's door between Ariel Sharon, the "King of Israel," and the women closest to him — his mother, his wives, and the mysterious nurse Rita. Like latter-day Greek furies, they lament the brutality of his life and maltreatment of the Palestinian people and demand he face up to his part in the bloodshed of

Israel's wars. Here is an extraordinary, magical, and impassioned story of nearly impossible empathy, the singular work of a novelist in full flight.

The acclaimed debut short story collection that introduced the world to an arresting and unforgettable new voice in fiction, from multi-award winning author ZZ Packer Her impressive range and talent are abundantly evident: Packer dazzles with her command of language, surprising and delighting us with unexpected turns and indelible images, as

she takes us into the lives of characters on the periphery, unsure of where they belong. We meet a Brownie troop of black girls who are confronted with a troop of white girls; a young man who goes with his father to the Million Man March and must decide where his allegiance lies; an international group of drifters in Japan, who are starving, unable to find work; a girl in a Baltimore ghetto who has dreams of the larger world she has

seen only on the screens in the television store nearby, where the Lithuanian shopkeeper holds out hope for attaining his own American Dream. With penetrating insight, ZZ Packer helps us see the world with a clearer vision. Fresh, versatile, and captivating, *Drinking Coffee Elsewhere* is a striking and unforgettable collection, sure to stand out among the contemporary canon of fiction.
