The largest film industry in the world after Hollywood is celebrated in this updated and expanded edition of a now classic work of reference. Covering the full range of Indian film, this new revised edition of the Encyclopedia of Indian Cinema includes vastly expanded coverage of mainstream productions from the 1970s to the 1990s and, for the first time, a comprehensive name index. Illustrated throughout, there is no comparable guide to the incredible vitality and diversity of historical and contemporary Indian film. The Long Flight Home

Takes you to the 'musts' of Madrid such as: the refurbished Museo del Prado with its masterpieces of European art; Las Ventas, the mecca of bullfighting; and, the Thyssen-Bornemisza and Reina Sofia collections, representing European and modern Spanish movements, respectively. *Kāma Sūtra of Vātsyāyana* Notion Press

There are the fabled urban myths of lesbians

who fill up a U-Haul on the second date and lead sweetly romantic lives of cocoa and comfy slippers. Safe and sound. A lot of cozy and not much crazy. These are NOT those stories- these are wild women with dirty minds, untamed tongues, and even the occasional cuff or clamp. A lotta crazy and no cozy slippers to be seen. These Wild Girls tell stories of their own Wild Nights (and days,) memories too hot to keep undercover. Real women with real needs and overwhelming desires find the courage to reveal intimate, unrestrained details of their sex lives, the need to share their stories second only to the urgent impulses that drove the action in the first place. There are first times, life-long commitments, and fleeting encounters to savor for a lifetime. Tenderness merges with edge-play; scenes shift from Caribbean islands to desert battlefields to the ultimate privacy of home; and the writers range from well-known names to newcomers driven to share fresh memories they'll never forget. In Evan Mora's "The Insatiable Travel Itch," repression in public drives her wild. "Transported,

transplanted, we are transgressors. And it makes me fucking wet." Angel Propps struggles to face her deepest desires. "The word Daddy had a familiar shape on my tongue, but not in my head, and for one second I was sure I was going to Hell—and then I came." She'd found, of course, "The Daddy I Didn't Know I Needed." Anna Watson, in "Tamago," gives a poignant and sizzling view of being a lesbian femme who loves butches. "I know being femme is what makes the breath blow out of me when she calls and says, 'Babe, I just wanted you to know that I was driving along here, thinking about your breasts.'" Reality doesn't have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, *Wild Girls, Wild Nights: True Lesbian Sex Stories* is the proof of that.

Modern Indian Drama MacMillan Education ELT

The story of the archetypal Mother, the mother of all Chandrashekhara Kambar's stories, variously called *Mayi*, *Idimayi*, and now *Karimayi*, is at the heart of this novel. The narrative of *Karimayi*

moves through an astounding time span, beginning from the mythopoeic times of Goddess Karimayi's birth to the historical and cultural shifts in the life of a small rural community called Shivapura during the British colonial era. Written in the Kannada language in 1975, Karimayi breaks the familiar narrative of an idyllic and traditional village community getting destroyed by the incursion of modernity. Instead, the multiple and layered narrative of Karimayi weaves everything into itself the story of the village's past, the myth of Karimayi, the disorder that sets in with the invasion of colonial modernity and the lure of the city, but, most importantly, also of the disruption of another form of native modernity that the village community has already begun to incorporate into its rhythms of life. "

One of the best English translations of this ancient Indian treatise on politics, social mores, love, and intimacy are the Kama Sutra, which Mallanaga Vatsyayana wrote in the second century CE. Its clean presentation raised

the bar for Sanskrit translation. The Kama Sutra is a unique combination of sexology, society, psychology. It has been hailed as a great work of Indian literature for more than 1,700 years and has served as a window for the West into the mysticism and culture of the East. The Kama Sutra, a prehistoric Indian literature, is regarded as the most important Sanskrit study of human sexuality. The Kama Sutra remains one of the most accessible and entertaining of all the ancient classics, having been written with frankness and unassuming simplicity. The Kama Sutra is so significant as a work of philosophy, psychology, sociology, theology, science, and sexology that it simultaneously had an impact on Indian civilization and remained a crucial component in understanding it.

Vasudhendra's short story collection brings out the discord between the old and the new in unfamiliar ways. As modernity creeps into his characters' lives, violent fissures erupt, and the makings of society itself are challenged. Spine-chilling yet vibrant, simple yet gripping, these stories take the reader into a world that straddles urban Bangalore and rural Karnataka, and make us question what it means to live in such discordant times. Fast-paced with a touch of light humour, this collection will resonate with readers across age groups and social classes.

How has ancient India s incredibly rich literary heritage been visually represented in temples in South and Southeast Asia is the central question of this volume. It discusses

theoretical aspects, provides new interpretations, and proposes innovative interpretations through advanced comparative and contextual approaches.

### *The Unforgiving City*

Simon and Schuster

This book of oral tales from the south Indian region of Kannada represents the culmination of a lifetime of research by A. K. Ramanujan, one of the most revered scholars and writers of his time. The result of over three decades' labor, this long-awaited collection makes available for the first time a wealth of folktales from a region that has not yet been adequately represented in world literature. Ramanujan's skill as a translator, his graceful writing style, and his profound love and understanding of the subject enrich the tales that he collected, translated, and interpreted. With a written literature recorded from about 800 A.D., Kannada is rich in mythology, devotional and secular poetry, and more recently novels and plays. Ramanujan, born in Mysore in 1929, had an intimate knowledge of the language. In the 1950s,

when working as a college lecturer, he began collecting these tales from everyone he could--servants, aunts, schoolteachers, children, carpenters, tailors. In 1970 he began translating and interpreting the tales, a project that absorbed him for the next three decades. When Ramanujan died in 1993, the translations were complete and he had written notes for about half of the tales. With its unsentimental sympathies, its laughter, and its delightfully vivid sense of detail, the collection stands as a significant and moving monument to Ramanujan's memory as a scholar and writer.

### **The Preacher's Slut**

Sahitya Akademi

Human life is precious. But our everyday experience often tends to make us drift from this universal truth. Likewise, the treasure that lies in the human hearts often gets enshrouded by outwardly expositions. Events in lives that entwine these facts find dramatic presentations in the stories which the author has put in this collection for the reader

to relish. The love for nature, which is not always kind, often peeps in the depictions even as the reader wonders what next. Why a victimized poor man feels compassionate towards a rich lady of high social status, or how a man confronts a completely exotic world in a place where he is not a newcomer, or what comes unexpectedly as a true gift, awaits fascinating revelation. Why Nitish speaks of terra incognita, or Lumla sheds tears for rich city dwellers, or Sarita hesitates to aim her revolver at the attacker, opens up as the reader goes on savouring the gradual unfurling of the stories.

### **A Stray Girl : One Tearful Love Story**

Harper Collins

For all of India's myths, stories and moral epics, Indian history remains a curiously unpeopled place. In Incarnations, Sunil Khilnani fills that space, recapturing the human dimension of how the world's largest democracy came to be. His trenchant portraits of emperors, warriors, philosophers, film stars and corporate titans—some famous, some unjustly forgotten—bring feeling,

wry humour and uncommon insight to dilemmas that extend from ancient times to our own.
