The Kenya
Gazette is an
official
publication of
the

government of the Republic of Kenya. It contains notices of new legislation, notices required to be published by law or policy as well as other announcements that are published for general public information. It is published every week, usually on Friday, with occasional releases of special or supplementary editions within the week.

From the creator of the popular website Ask a Manager and New York's work-advice

columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in

this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of

Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager" is the ultimate playbook for navigating the traditional

workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together* **Africa Analysis** Walch Publishing Women teachers were key players in twentieth century feminism. They fought for women's suffrage before the First World War and continued their vigorous campaigns for equal pay, equal

promotion opportunities and abolition of the marriage bar into the less promising political environment of the 1920s and 1930s. This book is the first to offer a detailed assessment of why women teachers were so politically active, and makes an important contribution to the literature on women's politicisation. Drawing on interviews with women teachers (in state elementary

and secondary schools) as well as the records of teachers' associations and central and local government, it explores the tensions in the relationship between their position at the workplace and their family lives and unravels the connections and dissonances between how they saw themselves as both women and professional teachers.
