Word Association Norms

Shara Basha Publishing
When Childhood relationships are carried on into adulthood, sometimes its hard to remember why you were friends in the first place.

Especially when there are secrets that not everyone knows about each other. Daniel considers himself a true friend to all, but he senses that there are times when Stacy is more receptive to Big Anthony. Even though they have all known each other since they were in grade school, Big Anthony and Stacy always have that certain connection that no one else can figure out. And with everything else going on in Daniels life with his on-again/off-again girlfriend Melissa, he feels like his opportunities for happiness are progressing slower than normal. Stacy has never been a true believer in a lifetime of happiness. Her views and ideals on relationships stem from an abusive home environment that

she just cannot let go of. Men are disposable and love never means what people want it to mean. The only steady relationships she has had are her close nit group of friends. But only one of them truly knows all of the demons that haunt her. Big Anthony has been her closest confidant since high school, the only one she trusts with all of her past. But when she, Big Anthony and the rest of their friends are confronted with a devastating loss, and unforeseen circumstances, it takes all of Stacys courage, will and faith to see how much they all can overcome and move on from the past to the future.
Billboard Taylor & Francis
What we remember most

about our youth are the friends we grew up with. What we treasure most are the friends we still have from that special time and place. And when we are challenged with the conventional wisdom that friendship is too commonplace, too mundane to make a good story, we respond, "Oh, but you don't know my friends!" Freddy and Mike is the story of two friends growing up in the 1950s. An unlikely pair at first meeting, they become inseparable, surviving trials of fire by tapping unknown reservoirs of strength, and enjoying a secret which few discover. Freddy and Mike begins when the two ten-year-old boys meet in the small Midwestern town they call home. They come from different backgrounds. One belongs to the traditional family of that era where dad works and mom stays home to run the household. The other lives with his mother, his father's whereabouts unknown. Mother and son suffer the double stigma of being poor and of having a working mother as the single provider. As the story progresses, each boy, in turn, learns that he can achieve what he thought was impossible if he depends on the other

and accepts help that is offered without conditions. Laughter, pain and sorrow all play integral parts in forming and sustaining Freddy and Mike. And when the last page is read, the reaction will be a genuine smile. In today's world of sound-bite news, intimate conversations via cell phone, and 24/7 lives everywhere; friendships and relationships are hard to come by and even harder to maintain. Come live in Freddy and Mike's world for awhile. Then go see those who were so special to you, and can be again.

If you could go back in time and change things...would you? Author, David Russell once said, "The hardest thing in life to learn is which bridge to cross and which to burn." But my dilemma was learning from which bridge to jump. No one with half a brain would ever believe that jumping off a bridge could in any way, shape, or form, turn out to be a good idea. And I certainly would never encourage anyone else to take a potentially fatal plunge into a deep and rushing river. However, I am thoroughly convinced that

taking that leap myself - might just turn out to be the best decision of my life. Timing...timing is everything. The impact jolts me like an iron fist. The water is arctic-cold. All of my muscles clench. I am pulled down - hard and fast and deep. Trapped in the tentacles of the swift current, the dark water becomes my mortal enemy. Now fighting for my life, I'm sure I'm going to drown... Just before the darkness takes over, I wonder... Did it work?

Bill and his little sister Kay enjoy playing in a big box, which becomes in turn a car, a jet, and the engine of a train.

Billboard Xlibris Corporation
The lawyer turned on the tape recorder, handed his client a cigarette, and lit it

for him. Black drew hard, squinting as the smoke rushed into his lungs. "Where do you want to start?" the lawyer said, lighting a cigarette of his own. "I guess there's only one place to start; at Broad and Erie." Johnny Podres, a politician whose record against corruption had been propelling him straight to the mayor's office, is found murdered in a North Philly crack house. Enter Samuel Jackson, a.k.a. Black, a drug addict who knows better, a man embittered by the fact that he can't seem to escape from his addiction to crack cocaine or, for that matter, from himself. Though he was once a family man with a wife and son, Black's only concern these days is getting his next high, that is, until he stumbles across a friend and fellow addict, Leroy, and both become prime suspects in the Podres murder. Black and Leroy hook up with two female pipers: Clarisse, a registered nurse who is slowly losing to crack any semblance of a respectable life, and Pookie, who already has lost it. Soon the hunt is on for all four as they try to stay one step ahead of a police department under tremendous pressure to solve the case—because if

a killer isn't found soon, this could blow up into one of the biggest scandals in Philadelphia history. Solomon Jones weaves a suspenseful story against the backdrop of corruption in the Philadelphia police department and centers it on a group of drug addicts who, in the process of fleeing the law, come to terms with their own addiction, leading to some devastating consequences.

Jason Stone: (Book 3):

Powers & Perception

Boynton Bookworks

Hamba Gashle is the inside story of white society in colonial Southern Africa during the 1950s and 1960s. Ian Hassall's edgy memoir provides a vivid and disturbing depiction of childhood and family life against a background of racial exploitation, political change and the disintegration of his white community. Written as a diary from childhood through to early adulthood, the deceptively simple style provides a sense of immediacy, building a vivid picture through apparently unconnected events. The child narrator arrives in Northern Rhodesia from England aged four. Soon after, his parents divorce and he is fostered for several years. His mother marries an anti British Afrikaaner who is a strong influence on the boy. As a teenager he becomes delinquent and fails at school. He moves with his father's family to Rhodesia as it is approaching UDI. The narrator has developed

anti-racist views and joins the protest movement at university in South Africa. Finally he returns to London in 1970, alone, a stranger. Ian Hassall produces a rich and informative picture of this period, honest, critical and unflattering, attacking its racism. The work is carefully researched so that key historical events are portrayed accurately and intimately. The youthful narrator's preoccupations, adventures, sexual encounters and daydreams contrast with more sober political observations, sometimes hilariously. This is also a study of childhood, and a celebration of youth which transcends time or location. 'Hamba Gashle' means both chameleon and take it easy, because of the animal's leisurely pace. The book's title reflects the author's admiration for this wonderful creature and its attributes, some of which he required to survive his upbringing.

Experiencing vivid dreams about serial murders taking place in San Francisco, homicide detective Bryan Clauser fears he is losing his sanity and discovers a link

between the victims and a young boy who is gripped by the same nightmares.

Billboard SparkPress Booklist Top of the List Reference Source The heir and successor to Eric Partridge's brilliant magnum opus, *The Dictionary of Slang and Unconventional English*, this two-volume *New Partridge Dictionary of Slang and Unconventional English* is the definitive record of post WWII slang. Containing over 60,000 entries, this new edition of the authoritative work on slang details the slang and unconventional English of the English-speaking world since 1945, and through the first decade of the new millennium, with the same thorough, intense, and lively scholarship that characterized Partridge's own work. Unique, exciting and, at times, hilariously shocking, key features include: unprecedented coverage of World English, with equal prominence given to American and British English slang, and entries included from Australia, New Zealand, Canada, India, South Africa, Ireland, and the Caribbean emphasis on post-World War II slang and unconventional English published sources

given for each entry, often including an early or significant example of the term's use in print. hundreds of thousands of citations from popular literature, newspapers, magazines, movies, and songs illustrating usage of the headwords dating information for each headword in the tradition of Partridge, commentary on the term's origins and meaning New to this edition: A new preface noting slang trends of the last five years Over 1,000 new entries from the US, UK and Australia New terms from the language of social networking Many entries now revised to include new dating, new citations from written sources and new glosses *The New Partridge Dictionary of Slang and Unconventional English* is a spectacular resource infused with humour and learning – it's rude, it's delightful, and it's a prize for anyone with a love of language.

The New Partridge Dictionary of Slang and Unconventional English

Author House

I'm a cat person. He has two BIG dogs. There is no chance this will work. There are three things I said I'd never do— Never move back in with my parents. Thanks to a summer storm, not only am I residing with my parents—temporarily—but a tree falls on their house and traps me in the bathtub. Enter the hottie firefighter who rescues me, bubbles and all. Then my parents have to move in with me. Oh joy. Never let my mom set me up on a blind date. She asks so many times, I finally agree. And the hot

firefighter—Adam—is the one who shows up. Because I've always wanted to go on a first date with a guy who has seen me in nothing but bubbles. Not. Never date a guy with a dog. Adam is nearly perfect . . . except he has dogs. The furry beasts frighten me, and no way would Pookie tolerate them. But for a chance at love and to get over my fear, I volunteer to dog sit for the weekend. It doesn't go well. Someone is going to end up in the doghouse. It might be me. -----

----- Three Things I'd Never Do is a sweet

romantic comedy with heartwarming characters and a touch of sizzle that will have you laughing your way to the happily ever after.

Billboard Turtleback

A grumpy sunshine novel Fresh off a broken engagement, I discover I'm the descendent of the first licensed female pilot in California, my name sake, the first Emily Parker. Now there's only one thing to do, right? Take flying lessons, of course. It must be in my blood. Except the grumpy former Air Force pilot who's taken over his late father's flight school under duress doesn't seem thrilled to see me. Maybe that's because I

spilled hot coffee all over his crotch in one of my "I love Lucy" moments. So far he claims I'm responsible for his aching jaw (bar fight, don't ask) and the spilled coffee. He's not sure he can trust me around heavy machinery. Probably not, but if Stone wants to rescue his late father's flight school he needs students. What do I need? To say goodbye to my good girl image. And secondly, it's time to break every one of my rules. For fans of Lucy Score, Christina Lauren and Katherine Center. (Fully revised and previously published by Harlequin in 2017)
