In this compulsive thriller, one of the most

ingenious young men in the world has also become the most dangerous...or has he? Harmony House is more than a "special place for special people." It's a think tank where high-functioning autistic savants harness their unique abilities for the benefit of society. Resident Eddie Parks's contribution is nothing less than extraordinary: an "echo box" that can re-create never-recorded sounds using acoustic archeology. All Eddie wants is to hear his late mother's voice. But what he's created is inadvertently posing a threat to national security. To Harmony House's shadowy government backers and radical extremists, the echo box is the ultimate intelligence asset--an end to the very concept of secrecy. Now for Eddie and the compassionate Dr. Skylar Drummond, the true nature of the institution is becoming chillingly clear. As ruthless competing enemies close in on Eddie and his miraculous machine, Skylar risks all to take him on the run. Because once that prize is won, Eddie Parks will no longer be considered a "special person" but a dangerous redundancy. An inconvenient echo that must be silenced.

From the bestselling author of The Lakewood Series comes a haunting and moving story of different kinds of love. Already a bestseller in German, *Because You're the Love of My Life* is now being published in English. How do you recognize the love of your life? Do you have butterflies in your stomach? Do you see showers of sparks and fireworks as soon as he steps into the room? Or, is your big love composed of something quieter? Annie longs for nothing more in her life than someone to love her with his whole heart. With Holden, this wish seems fulfilled, and the two build their own world. But how much pain can happiness bear? When something utterly shocking happens, Annie's life becomes unstable, and nothing is as it once was. Then, she unexpectedly bumps into her teenage love Seth, and her life is completely thrown off balance--especially when fate intends its own tragic story. From the Editor *Because You're the Love of My Life* is a story of love, heartbreak, and more love--romantic and otherwise. As a senior in high school, our protagonist, Annie, takes charge of her life, and she bravely separates herself from a difficult mother and home life, and

from recent heartbreak. She moves across the country--without financial or familial support--to attend college at Harvard. "I felt at home in Boston in a way I never had . . . This was right for me," Annie says. And, it is true: she blossoms personally, academically, and, then, professionally. Though she fumbles at times in ways that seem utterly human and familiar, she forges friendships, commits to a relationship, and navigates through profound tragedy. Annie narrates from a point well past when the events of the novel took place and with the perspective gained from that time. Yet, Sarah Kleck renders Annie's narration so vividly that it seems as if these memories are unfolding in present time. Sarah Kleck's devotion to Annie's story shines through sharply written dialogue, authentic detail of culture and place, and a cast of richly rendered characters--among them Grace, Annie's sassy best friend, and the various loves of Annie's life. *Because You're the Love of My Life* made me wish I could accompany Annie beyond these pages, and it left me hungry for Sarah Kleck's next novel. - Rebecca Friedman, Editor

About the Gansett Island Episodes... From Marie: My fictional island has become such a huge part of my life—and yours—over these last six years,

and I've created so many characters who speak to me between books and during the writing of new ones. I can't possibly give them all a new story in every book, but I still have so much to say about them. With that in mind, I'll be launching a new "Gansett Island Episodes" series in 2017, featuring shorter stories about past characters who readers love and want more of. Mixed in with these episodes will be at least one full-length book a year. So we'll have plenty more from our favorite island, with new stories for past characters as well as all-new stories, too. I'm looking forward to this new adventure and hope you'll take the ferry to Gansett for the new episodes! The Gansett Island Series
