## JUSTICE BLAINE

*Terror in the Holy Land* Argo Books

Under God's extraordinary care and guidance, Israel was always preserved, achieved independence, and once again became a nation above all nations. How could the people of Israel be preserved and why was Israel restored? Many people say, "The survival of the Jewish nation is a miracle." As the kinds and magnitude of persecution and oppression the Jewish people endured during the Diaspora exceeded any description and imagination, the history of Israel alone attests to the authenticity of the Bible. Yet, even a greater degree of distress and anguish than what the Jews faced will take place following the Second Advent of Jesus Christ.

**The Anguish of the Jews: Twenty-three Centuries of Anti-Semitism** Bloomsbury Publishing USA

Responses to Edward H. Flannery's 'The anguish of the Jews : twenty-three centuries of antisemitism.'

*Constantine's Sword* Fawcett

This is a substantial first introduction to the Jewish literature of the period between the testaments. Its nine chapters discuss the books of the Apocrypha and Pseudepigrapha and the Dead Sea Scrolls against the relevant historical background, in chronological order, and the discussion of each work is supplemented by a valuable bibliography. When treating specific works, the author first outlines their contents and then discusses their significance and, briefly, the critical problems connected with them. However, the emphasis is on the writings themselves and their significance. His depth of perception makes this far more than a technical manual. 'One important factor that holds together the largest part of this corpus of literature is its common setting in hard times: persecution; oppression; other kinds of disaster; the loneliness and pressures of a minority living up to its convictions in an alien environment. Within this context these writings may be read and appreciated as a sometimes powerful expression of the depths and the heights of our humanity and of human religiousness and religious experience. In them we may see ourselves as we have been or are or might be: the desperate puzzlement of Enoch's decimated humanity; the anguish and the ecstasy of a Tobit; the courage of a Susanna or a Judith; the defiant tenacity of the Maccabean martyrs; the desolate abandonment of an Aseneth; and the persistent questioning of an Ezra'.

*Sophia de Lissau* Wipf and Stock Publishers

Written by a Catholic priest, this classic book on antisemitism traces the events of twenty-three centuries, including Christian involvement in this tragic story.

**The Jews Should Keep Quiet** Simon and Schuster

Now in paperback, *The Reluctant Parting* is a poignant look at the New Testament exploring the forgotten question of intention and identity in Christianity's core writings— How did Jesus's followers stop being Jewish without meaning to? While other books have demonstrated the "Jewishness" of Jesus, none have grappled with the implications of the New Testament authors' relationship to their own Judaism. The Christian New Testament has led a life never imagined by its Jewish sectarian authors. Through lively and accessible scholarship, Galambush reveals the anguish of the early Christians as they first struggled with, and then left behind, the larger Jewish community. She illuminates the human drama of the split between Jews and Christians, revealing a deep loss at the heart of Christian tradition that continues to cry out for reconciliation between Christianity and the Judaism it so painfully left. Not just another well-credentialed scholar, Galambush is uniquely positioned as both a convert to Judaism and a former associate pastor to identify what is at stake for Jews as well as for Christians. The book's deeply empathic portrayal of the early Christians' struggle with their Jewish identity will allow it to serve as a resource for Jews and Christians alike.

*Terror in the Holy Land* New York : Dial Press

A Legacy of Catholic-Jewish Dialogue: The Joseph Cardinal Bernardin Jerusalem Lectures chronicles the lecture series about faith, culture, and interreligious dialogue. Each lecture is written by some of the world's leading experts in the field of Catholic-Jewish relations.

**Has God Rejected His People?** Bloomsbury Publishing USA

The idea for this book arose out of the author's fifteen years of sustained engagement in Jewish-Christian relations. His purpose here is to speak about the practice of religious education in the church in which anti-Judaism is eliminated. O'Hare focuses on "the holiness of the religious community" which, he notes, can develop along triumphal, absolute, and exclusive lines. He suggests instead that "every time we unearth a defensive and xenophobic practice or pattern of speech in our religion and set it aside, we are doing something that adds to the health of our religious community, to its capacity to assist people to become holy." Chapter 1 surveys what philosopher Jules Isaac calls the history of the "teaching of contempt"; chapter 2 deals with genuine religious pluralism and dialogue; chapter 3 is a short "Christology" devoid of triumphalism and exclusivism; chapter 4 focuses on religious education and its purpose to form holy people; chapter 5 is an appreciation of "the genius of Judaism," its world view and life; chapter 6 focuses on practice, including elements of a paradigm shift in religious education, principles for such practice, and select examples of programs of religious education for interreligious reverence, especially between Jews and Christians. Padraic O'Hare teaches in the Religious Studies Department of Merrimack College, North Andover, MA, and is the author of *The Way of Faithfulness: Contemplation and Formation in the Church*, also published by Trinity Press.

*Enduring Tragedy* Paulist Press

*Beauty's Vineyard: A Theological Aesthetic of Anguish and Anticipation*, part spiritual memoir, part systematic theology, opens with an interpretation of the parable of the tenants and concludes with the parable of the workers in the vineyard. In between unfolds a systematic theology of anguish and anticipation in which the author wrestles with the social evils that plague our society and expresses hopeful anticipation for the coming of the "kingdom of God" about which Jesus spoke—a just and peaceful reality in the here and now that will find its ultimate consummation, Christians hope, in the hereafter. A theological understanding of Beauty as the incarnation of the Compassion of God guides the way, bringing the metaphysics of Thomas Aquinas into conversation with the liberative theologies of the Global South, through treatments of Trinity, imago Dei, sin, Christology, salvation, theodicy, and hope.

"The anguish of liberation is a compilation of excerpts from testimonies about the liberation from Nazi concentration camps in 1945 ... This is an attempt to portray through photographs and to describe through testimonies the complexity of the liberation and its special significance for those Jews who remained alive"--Cover.

*Martin Luther and the Jews* W. W. Norton & Company

Of the 6,000,000 Jews who perished in the Holocaust, at least 160,000 were Sephardim: descendants of Jews exiled from Spain in 1492. Although the horror of the camps was recorded by members of the Sephardic community, their suffering at the hands of Nazi Germany remained virtually unknown to the rest of the world. With this collection, their long silence is broken. And the *World Stood Silent* gathers the Sephardim's French, Greek, Italian, and Judeo-Spanish poems, accompanied by English translations, about their long journey to the concentration and extermination camps. Isaac Jack Lévy also surveys the 2,000-year history of the Sephardim and discusses their poetry in relation to major religious, historical, and philosophical questions. Wrenchingly conveying the pathos and suffering of the Jewish community during World War II, *And the World Stood Silent* is invaluable as a historical account and as a documentary source.

*Why the Jews?* U of Nebraska Press

A collection of charming and humorous tales from Eastern Europe and all over the world, "Two Jews on a Train" remembers generations of storytellers who have used humor to teach about the important issues in life.

**The Anguish of the Jews** Beacon Press

From the bestselling authors of *The Nine Questions People Ask About Judaism* comes a completely revised and updated edition of a modern classic that reflects the dangerous rise in antisemitism during the twenty-first century. The very word Jew continues to arouse passions as does no other religious, national, or political name. Why have Jews been the object of the most enduring and universal hatred in history? Why did Hitler consider murdering Jews more important than winning World War II? Why has the United Nations devoted more time to tiny Israel than to any other nation on earth? In this seminal study, Dennis Prager and Joseph Telushkin attempt to uncover and understand the roots of antisemitism -- from the ancient world to the Holocaust to the current crisis in the Middle East. This postmillennial edition of *Why the Jews?* offers new insights and unparalleled perspectives on some of the most recent, pressing developments in the contemporary world, including: • The replicating of Nazi antisemitism in the Arab world • The pervasive anti-Zionism/antisemitism on university campuses • The rise of antisemitism in Europe • Why the United States and Israel are linked in the minds of antisemites Clear, persuasive, and thought provoking, *Why the Jews?* is must reading for anyone who seeks to understand the unique role of the Jews in human history.

**The Anguish of the Jews: Twenty-three Centuries of Anti-Semitism, Etc. (Fourth Printing).** Praeger

Purchase of this book includes free trial access to [www.million-books.com](http://www.million-books.com) where you can read more than a million books for free. This is an OCR edition with typos. Excerpt from book: III. THE FAITHFUL IN DARK DAYS. Then they that feared the Lord spake often one to another. Malachi iii. 16. T T ISTORY has few darker pictures than the -- closing scenes of the Jewish dispensation. Reading the record, we watch the death-agony of a world. An old world, a whole system of things, fell into ruin when Judaism after the flesh expired; while, as ever, from the womb of its ruin a new and fairer creation had birth. The fairest thing in the universe, I suppose, to the eye of Christ, was that little Church which met daily in the temple at Jerusalem, destined to wax in strength and glory, till it should fill heaven and outlast eternity. Judaism, like all noble things which have abased and disgraced themselves, died a hard and terrible death. Like a strong man wrestling with a loathsome disease, its struggles were so desperate, its sufferings so horrible, that even the stern Romandoomsmen gladly veiled their faces from the sight. The end of Judaism was emphatically that of the traitor and the apostate. ?the end of Judas, who had seen, known, and betrayed the Lord. The heathen world was full enough of suffering; but its anguish was unto life, however sharp the birth pangs; the anguish of the Jewish state was unto death, and fearful were the throes. The great world had for ages been feeling after God, if haply it might find Him; always in heathendom there was a memory and an aspiration prophetic of redemption and glorious life. But the Jews both saw and hated both Christ and the Father. They saw Light, they called it darkness; they saw Love, they called it malignity; they saw Wisdom, they called it madness; they saw Truth, they called it a lie; they saw Life, they called it death; they saw their Messiah, they called Him a devil; they saw Incarnate God, ...

*The Anguish of the Jews; a Response* General Books

Based on recently discovered documents, Rafael Medoff reassesses the hows and whys behind the Franklin D. Roosevelt administration's fateful policies concerning European Jewry during the Holocaust.

*Two Jews on a Train* Houghton Mifflin Harcourt

A rare book that combines searing passion with a subject that has affected all of our lives. "Chicago Tribune" Novelist, cultural critic, and former priest James Carroll marries history with memoir as he maps the two-thousand-year course of the Church's battle against Judaism and faces the crisis of faith it has sparked in his own life. Fascinating, brave, and sometimes infuriating ("Time"), this dark history is more than a chronicle of religion. It is the central tragedy of Western civilization, its fault lines reaching deep into our culture to create a deeply felt work ("San Francisco Chronicle") as Carroll wrangles with centuries of strife and tragedy to reach a courageous and affecting reckoning with difficult truths."

**The Anguish of Father Rafti** University of Chicago Press

Winner of the 2021 National Jewish Book Award for Contemporary Jewish Life and Practice Finalist for the 2021 Kirkus Prize in Nonfiction A New York Times Notable Book of the Year A Wall Street Journal, Chicago Public Library, Publishers Weekly, and Kirkus Reviews Best Book of the Year A startling and profound exploration of how Jewish history is exploited to comfort the living. Renowned and beloved as a prizewinning novelist, Dara Horn has also been publishing penetrating essays since she was a teenager. Often asked by major publications to write on subjects related to Jewish culture—and increasingly in response to a recent wave of deadly antisemitic attacks—Horn was troubled to realize what all of these assignments had in common: she was being asked to write about dead

Jews, never about living ones. In these essays, Horn reflects on subjects as far-flung as the international veneration of Anne Frank, the mythology that Jewish family names were changed at Ellis Island, the blockbuster traveling exhibition Auschwitz, the marketing of the Jewish history of Harbin, China, and the little-known life of the "righteous Gentile" Varian Fry. Throughout, she challenges us to confront the reasons why there might be so much fascination with Jewish deaths, and so little respect for Jewish lives unfolding in the present. Horn draws upon her travels, her research, and also her own family life—trying to explain Shakespeare's Shylock to a curious ten-year-old, her anger when swastikas are drawn on desks in her children's school, the profound perspective offered by traditional religious practice and study—to assert the vitality, complexity, and depth of Jewish life against an antisemitism that, far from being disarmed by the mantra of "Never forget," is on the rise. As Horn explores the (not so) shocking attacks on the American Jewish community in recent years, she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past—making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity.

*Beauty's Vineyard* Greenwood

The point of this book is simple: to make Christians aware of a story that they have not been told—the story of relations between Christians and Jews. This involves tracing the church's anti-Judaism to its source in the gospels and the Book of Acts and describing the development of the church's displacement-replacement theology according to which we new Gentiles, spiritual, universal, inclusive Christians replace the old, carnal, ethnocentric legalist and works-righteous Jews in the favor of God. The story also details the actions of the churches, specifically a long chain of canons (laws) governing relations between Jews and Christians, all the way from banning Christians for socializing or dining with Jews, marrying Jews, and asking rabbis for blessings, to requiring all Jews to live in ghettos. This history of actions comes down to the present and its consequences in the Holocaust in which all the killers were Christians and in the Nazi laws governing Jewish behavior. Each such law took its precedent from a canon law passed by a council of the church. The recent rash of bomb threats against Jewish Community Centers and synagogues reminds us of how deeply this bigotry is embedded in people. The point of making people aware of anti-Judaism is to prompt them not to shrug it off when scripture readings regularly teach contempt for Jews with the rhetoric of vilification. Words are important. Teaching contempt should be called out and rejected. This can be done pastorally and gently, but it should be done. Otherwise the church's language reinforces a deeply embedded bigotry. Most Christian pastors are unaware of this reality and prone to thinking that anti-Judaism is not a serious problem for the church. Hence most anti-Judaism in Christian

preaching is unintentional. Awareness of the story of Christian anti-Judaism prods us to move from unintentional anti-Judaism to intentional teaching of respect for Jews and Judaism.

*Not in America* LiturgyTrainingPublications

"Jews drink the blood of Christian babies. They use it for their rituals. They are evil and they consort with the devil." The belief is called the Blood Libel. In a small town in upstate New York in 1928, four-year-old Evelyn Wilson goes missing. Instantly, old prejudices claw to the surface. As a frenzy of panic and bloodlust overwhelms all reason, the community turns on the Schatzman family. A terrible witch hunt follows. The Schatzmans' young son is accused of horrifying crimes. As their life in America falls apart, leaving nothing but anguish and devastation, some of the Schatzmans decide to return home to Berlin. But Germany in the 1930s is no safe harbor. Based on actual events, *Not in America* explores hidden hatreds, simmering resentments, and the short path separating civilization from horrific violence. Read this moving historical fiction novel of grief, bravery, and incredible resilience right now!

**The Anguish of the Jews** HarperOne

The story of American Jewry is inextricably entwined with the awesome defeat of the Holocaust and the rebirth of the state of Israel. However, for Michael Berenbaum, and others of his generation, whose adult consciousness included the war in Lebanon and the Palestinian Uprisings, the tale is more anguished, for the Jewish People are now divided, uncertain about the implications of the past and the direction of their future. Berenbaum explores the Jewish identity of this generation, the first to mature after tragedy and triumph. He probes the Holocaust's impact on Jewish consciousness and the imprint of American culture on Jewish identity. Challenging Zionism's conventional assumptions, he details American Jews' changing relationship to Israel as he examines the tensions created within Jewish tradition between a history of victimization and the empowerment of Jews. While demonstrating that the security of victory is one step from the anguish of victims, even when the victors have recently emerged from the fire, Berenbaum holds out the hope of liberation for Judaism, maintaining that five thousand years of history, with its chapter of Holocaust and empowerment, provide a unique foundation upon which to build a future. Michael Berenbaum is Hymen Goldman Professor of Theology at Georgetown University and Project Director of the United States Holocaust Memorial Museum in Washington, DC. He is the author or editor of several books, including *The Vision of the Void: Theological Reflections on the Works of Elie Wiesel* and *The Holocaust: Religious and Political Implications* (with John Roth).
