How to Understand Israel in 60 Days or Less Althea Press Sarah Glidden

is a progressive Jewish American twentysometh ing who is both vocal about and critical of Israeli politics in the Holy Land. When a debate with her mother prods her to sign up for a Birthright Israel tour, Glidden expects to find objective facts to support her strong opinions. During her two weeks in Israel, Glidden takes advantage of the opportunity to

ask the people she meets about the fraught and complex issue of the Israeli-Palestinian conflict, but their answers only lead her to question her own take on the conflict. Simple linework and gorgeous watercolors spotlight Israel's countryside, urban landscapes, and religious landmarks. With straightforward sincerity, lovingly observed anecdotes, and a

generous dose of self-deprecating humor, *How to Understand Israel in 60 Days or Less* is accessible while retaining Glidden's distinctive perspective. Over the course of this touching memoir, Glidden comes to terms with the idea that there are no easy answers to the world's problems, and that is okay. This debut book landed on several best-of-the-year lists, including *Entertainment Weekly's*;

earned a YALSA Great Graphic Novels for Teens distinction; and won an Ignatz Award. Her second book, *Rolling Blackouts*, which documents her experience shadowing journalists in Turkey, Iraq, Lebanon, and Syria, will also come out this fall from *Drawn & Quarterly*. bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable

results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new

heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained

with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to:

- make time for new habits (even when life gets crazy);
- overcome a lack of motivation and willpower;
- design your environment

to make success easier; • get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits-- whether you

are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
