KENYON EDWARDS

Annulments and the Catholic Church Acta Publications

Many people believe that the Roman Catholic Church's teaching on marriage is clear and consistent: marriage is a sacrament, the marriage contract is indissoluble, divorce and remarriage are forbidden. In this book, theologians, historians, and sociologists overhaul the church's teaching and practice on divorce and remarriage, as well as personal testimonies from a number of persons who have gone through the annulment process.

What God Has Joined Together Catholic Answers

Bishop Robinson explains God's plan for marriage and the criteria the Church follows in granting a decree of nullity.

Marriage Annulments Under Pope Francis Pantheon

Annulment simplifies and demystifies the Catholic Church's annulment process for anyone with an "irregular marriage" situation who seeks to join the Church.

Mixed Marriages Ascension Press

Inspirations from My Mother, a Journey of Faith and Endurance: An Autobiography is an epic journey of faith and endurance of a little boy born into a polygamous family in the village of Lekong in the deep hinterland of the rain forest of Cameroon, with big dreams installed in him by his mother who got blind during his teenage years. Growing up in a poor polygamous family, Dr. Mike depended solely on his mother for everything, but his mother got blind during his first year in secondary (middle) school and died during his first year in high school. Though his mother was blind and dead, Dr. Mike refused to give up on himself and must endure all obstacles, faced his challenges, and built faith in God from his teenage age through adulthood to become the highly educated, family-loving, and responsible individual today due to the inspiration from his mother. Determined to confirm the information that his child died at birth, Dr. Mike went searching for his teenage age girlfriend and, after seven years of search, discovered his daughter who was reported dead thirty-five years ago at birth by his girlfriend's uncle. While his journey is filled with obstacles, Dr. Mike never gave up on being a family man, a loving husband, and a father. In his seven children, there is a graduate with a master's degree, one in the university, three in high school, one in middle school, and another in the vocational training academy. Dr. Mike is a grandfather to nine grandchildren. Dr. Mike is the first of

his siblings to graduate from college and to have earned a terminal degree, thanks to his blind mother, endurance, and faith.

The Roman Catholic confessional exposed: 3 letters HarperCollins Publishers

Annulment. A perplexing word. To some, both Catholics and non-Catholics alike, it is synonymous with Catholic divorce. Many questions abound regarding this issue, one which unfortunately touches the lives of many in the Church today. In this helpful book, canon and civil lawyer Edward N. Peters clears up some of the confusion by answering the most commonly-asked annulment questions in a thorough yet-easy-to-understand style.

What Every Catholic Needs to Know about Marriage, Divorce, Annulment and Re-Marriage Our Sunday Visitor

For Catholics, marriage isn't just an institution: It's a sacrament.

Annulment Liturgical Press

Here is the only book that explains fully in lay terms the grounds and procedures by which Roman Catholics who have undergone civil divorces can also have their former marriages annulled by the Church. In the last decade alone, annulements in the United States have increased from 350 to over 30,000. At present, there are an estimated eight million divorced American Catholics, banned from full participation in the Church if the remarry without obtaining an annulment. Many of these people could obtain annulments -- yet, until the publication of Annulment, the lack of proper information and guidance has discouraged the majority of them. This book makes available the rights of divorce Catholics under the Revised Code of Canon Law, which is now in effect. In everyday language, this authoritative handbook takes readers step by step through the process, defines the laws as they now exist, sorts through misconceptions and fears surrounding annulment procedures, dicusses the meaning and rationale behind the rules, lays out all the grounds (including the new psychological grounds), examines all factors (including costs), defines the various approaches, and provides samples of the forms involved. The author, a lawyer himself, consulted with canon lawyers, priests, and laypeople, -- some of whom have already used his manual with success. Annulment offers hope and solid help to the increasing number of people directly and indirectly affected by the divorce-remarriage-annulment problem. Zwack cuts cleanly through the Gordian knot of uncertainty to point the way for realistic, clear, effective solutions to this longstanding, anguished problem.

Shattered Faith Orbis Books

Marriage will always be a subject of law and of great interest to both legal scholars and sociologists

alike because the anthropology that support marriage perceives justice to be a particular reality. With respect to realization of justice in marriage, the Catholic intellectual tradition has identified a legal category that does not exist anywhere else--namely, the consensual incapacity to marry. The Code of Canon Law promulgated in 1983 contains a juridical innovation (canon 1095), but this has not yet been fully digested by American canonists. Furthermore, its application reveals a vast disconnect with historical exegesis. In the last fifty years, American canonical practice in the sphere of marriage law has lost its foundation. The consequences of this include mechanisms of judgment that are rendered incoherent although not inactive--in other words, the application of law in the Catholic Church moves forward without a clear indication of its anthropological basis. Canon law, then, must either be oppressive or absolutely meaningless. There is one canon in particular that in its formula of consensual incapacity to marry is the center of the attempt to define and resolve this question: canon 1095. As of this moment, however, there is no comprehensive treatment of this canon in its current usage and how it developed into positive law after hundreds of years of implicit reference to the grounds for marriage nullity that it now indicates. professors of canon law, members of the Roman Curia and judicial bodies acknowledge that more than a general response to this crisis of law and marriage what might be needed most is a revision of this single canon. they furthermore acknowledge that American canonical practice is perhaps the most influential in the world. A profile of this canon in American jurisprudence is fundamental and demanded presently. There are over one hundred tribunals of varying functions, over two hundred seminaries and more than five thousand seminarians (each year), seventy million Catholics and tens of millions of these Catholics call their vocation marriage. The question of marriage validity is eternal--both with respect to its relation to an historical past as well as individual present day unions. the readership is vast and this book will be included in syllabi in seminaries, Catholic universities and other faculties of sociology, religion and law. It will be a reference guide in tribunals and studied in the course of legislative reform, but it will also be accessible to both scholars and laypersons. the question of consensual incapacity is asked tens of thousands of times each year anew and there is not yet a definitive study that provides answers and guidance for further development of this notion. Another example of the longevity of this work: the manual it will effectively replace was in print for twenty years with five editions (L. Wrenn, 1970, CuA).

Marriage, Divorce & Nullity Our Sunday Visitor

Marriage Annulments Under Pope Francis presents the facts about Catholic annulments in a clear, pastoral, and non-judgmental way. Pope Francis acknowledges there are circumstances in which a marriage can be annulled and he announced a streamlined process for acquiring that annulment. The Church desires those suffering "a wounded or lost love" be touched by the healing work of Christ. *Marriage Annulments Under Pope Francis* is a helpful, healing guide for those seeking an annulment or those who have questions about the annulment process. The book contains a series of questions and answers that explore the issues surrounding marriage annulments, from applying for an annulment to what to do in an abusive relationship.

Marriage Annulment in the Catholic Church Servant Publications

Clearly summarizes and sensitively addresses the major pastoral, moral and canonical issues facing separated and divorced Catholics. This work not only observes carefully the people who suffer from

divorce but also those who rejoice in remarriage. Interwoven through these labyrinthian anxieties and hopes lies profound questions about faith, the Eucharist, the internal forum, excommunication and Biblical affirmation. The book deals with these pivotal areas of real concern within an historical context and with the goal of safeguarding the sacrament of Marriage, while equally acknowledging that we live in a world affected by sin.

Marriage, Divorce [and] Nullity Oxford University Press

Jesus said of marriage: "What God has united, no one can divide". The Catholic Church interprets this to mean that remarriage is possible only after the death of the first spouse. So, it presumes that every wedding produces a marriage in which the spouses were united by God. However, the Church also recognizes the possibility that a marriage that ended prematurely was not actually a true marriage; that there may have been a flaw of such magnitude that a valid marriage was not formed. When this can be proved, which is more often than most people would imagine, an 'annulment' can be granted and so the way opened to second marriage. How does the concept of marriage nullity reconcile with the teaching of Jesus? What are the grounds for nullity, what do they mean and in what circumstances might they be proved? How does a person obtain an 'annulment'? What does it mean for the status of children of the marriage? How much does it cost? Are there other ways of being able to remarry in the Church without obtaining an 'annulment'? What if an 'annulment' is not possible, for whatever reason? Does remarriage in such circumstances mean alienation from the sacraments, from the Church, even from God? The author is a canon lawyer who has worked in the field of marriage nullity within the Church for over thirty years. He has examined the details of thousands of marriages that ended in divorce. He uses that experience to guide the reader through the concept of marriage nullity, the grounds and the procedures for obtaining an 'annulment', including changes made by Pope Francis in 2015, and the other formal solutions that the Church offers to those who might want a second marriage. He also offers reflections about the 'internal forum solution' for those in a second marriage who cannot obtain an 'annulment'.

Female Perception of the Annulment of Marriage in the Catholic Church Paulist Press

Catholic annulment is often viewed as an obstacle to marriage or a formality of canon law. Few people realize that annulment is more than just a process? annulment leads to healing. The authors draw upon their own experience of Catholic annulment to describe not only the procedure but also the peace it brought into their lives.

Marriage Annulment in the Catholic Church Paulist Press

The annulment process has the potential for being spiritually and emotionally healing. It can be a healthy and important step that allows you to move on with your life and your faith. Regardless of their distance from the civil process, annulments often help the poison drain out of the wound caused by divorce. They can offer an opportunity to explore aspects of the relationship that were ignored in the divorce process, bringing a person and the relationship to closure. Using authentic Church teaching, spiritual insights, and real-life examples from her work as Director of Parish Life, author Lorene Hanley Duquin leads you through each stage of the annulment process from filling out your paperwork to choosing your witnesses. She shows you how elements of your Catholic Faith: prayer, Scripture, Tradition -- and even the saints -- can lead you through the emotional and spiritual elements of the process, bringing you to new life and a deep sense of inner peace. This book will also

be a welcome resource for your family and friends who may be involved in the process.

Second Marriage in the Catholic Church Liguori Publications

This helpful, up-to-date guide cuts through the red tape and the confusing terminology about annulments. In simple language it provides practical information about each of the steps in the annulment process. It also offers suggestions about healing the hurts of divorce and moving forward to new and healthier relationships.

Catholic Annulment, Spiritual Healing America Star Books

Catholics considering annulment often find themselves with more questions than answers, uncertain how to proceed. Aren't annulments just Catholic divorce? Do I need to hire a lawyer? How much does the process cost?

Annulment Harper Collins

Many canonists and church officials draw up public ecclesiastical documents such as official rescripts, decrees, indults, etc. in the exercise of their ecclesiastical ministry. Such church documents must meet the solemnities and requirements of canon law. There is a high demand for a book that would guide church officials not only in drawing up ecclesiastical public documents but also in ensuring that such documents fulfill the solemnities and requirements of canon law. This book is an attempt to meet such a demand. This book contains the relevant principles of canon law and a plethora of sample documents. Every effort has been made to ensure that the canonical principles and jurisprudence as well as the sample documents provided in this book meet the requirements of canon law. You will find this book an indispensable resource material, a blueprint, a reference guide for drawing up pertinent ecclesiastical documents. Volume 3A focuses on the canonical principles and the sample documents that pertain to the process of the declaration of

marriage nullity in first instance with particular reference to lack of canonical form cases, ratified and non-consummated marriage cases, Pauline Privilege cases, and Petrine Privilege cases. It also treats frequently asked questions on ecclesiastical marriage annulment.

Remaining in the Truth of Christ Our Sunday Visitor

The author Dr William Naylor is a counseling psychotherapist with over twenty one years experience in pastoral practice. The author has interviewed many female Catholics with regard to their experience of the Catholic Annulment Process and their perception of it. Through professional practice and intensive research Dr Naylor is able to evidence that the Annulment Process as it currently operates is lacking in certain areas of professionalism and continuity and in the provision of appropriate emotional care for female Catholic petitioners. This study will be of particular interest to those involved in pastoral ministry, those contemplating the Annulment path and who wish to know more and for the many who have already experienced the process.

The Three Things Divorced Catholics Needs to Know A&C Black

A Place to Belong: Letters from Catholic Women explores what it means to be a woman of faith today.
