Turkish detective Kemal Kayankaya might not know when it's recycling day, but now he has to help four eco-terrorists beat a murder rap...
Wisecracking PI Kemal Kayankaya cares more about sausage and beer than politics, but when

he's hired to defend four eco-terrorists charged with murdering a chemical plant owner he finds himself stuck in the middle of Germany's culture wars. It doesn't take long for Kayankaya to realize that the whole situation stinks and that both the Left and the Right have blood on their hands. And is the fiery journalist Carla Reedermann dogging his steps because she smells a story, or is she after something more? A hardboiled noir in the Chandler tradition that

also provides a wry critique of contemporary racial and environmental politics, More Beer shows why Jakob Arjouni's series of Kayankaya novels has become a bestselling international sensation. *Gender, Memory, and Judaism* Baedeker Guides
