The Oh Sh*t, I'm Going to be a Dad playbook is the modern guide for new dads to help you prepare for fatherhood. This playbook will give you the essential steps you need to take to walk confidently - and consciously - into fatherhood. Dale wrote this as a modern take on fatherhood to empower and educate not only his own son, but also the next generation of men.Fatherhood is about embracing who you are, your strengths and your weaknesses, and helping your family weather whatever storms may come. That's what this playbook is going to do. It's going to prepare you to lead your family when your newborn arrives, and then continue to help your new family grow and thrive.		one, easy to access place. We have included numerous prompts (and a lot sass) to help when filling in your details in order to promote a stress-free, smooth process. We have also included additional space per section to ensure it is easy to adapt and customize as to your own specific needs. Topics include: Personal identification details What to do and who to call at the time of passing Important medical information (DNR, organ donor instructions, what to do if incapacitated, healthcare power of attorney contact, Etc.) Assets over view, and what my loved ones can expect to receive (Note: This planner should not be considered a formal, legal will) Insurance Information Business / Employer and Banking Information Instructions for Dependents and Guardianship (children, pets, and other responsibilities) Location of important documentation and instructions Key contacts information Loose ends to tie up with account and log in information Final wishes and instructions for funeral, burial, and celebration of life Final farewell messages to loved ones ...and more We hope this planner offers the peace of mind - and heart - it was designed to, in knowing that your wishes and instructions are documented and easy to share. Warmest regards from all of us at Peace of Mind and Heart Planners

Full of imagination, wit, and random sh*t flying through the air, this insane adventure from an irreverent new voice will blow your tiny mind. For Teagan Frost, sh*t just got real. Teagan Frost is having a hard time keeping it together. Sure, she's got telekinetic powers -- a skill that the government is all too happy to make use of, sending her on secret break-in missions that no ordinary human could carry out. But all she really wants to do is kick back, have a beer, and pretend she's normal for once. But then a body turns up at the site of her last job -- murdered in a way that only someone like Teagan could have pulled off. She's got 24 hours to clear her name - and it's not just her life at stake. If she can't unravel the conspiracy in time, her hometown of Los Angeles will be in the crosshairs of an underground battle that's on the brink of exploding . . .		The director of "Clerks" offers advice culled from his successful career of rule-breaking, sharing observations on what can be learned from the character Ferris Bueller, the highs and lows of overeating, and how to manage judgmental people.

If you've forgotten a thing or two since school, now you can go from knowing jack sh*t to knowing your sh*t in no time! This highly entertaining, useful and fun trivia book fills the gaps, offering hundreds of bite-sized facts about history, grammar, math, and more! Get ready to relearn all the crap you were taught in school and then promptly forgot. Who can keep all that information in their head anyway? Now you can! With All the Sh*t You Should Have Learned, you'll be schooled in history, language arts, math, science, and foreign language—all the stuff you were taught at one point but now regret not remembering. From translating Roman numerals to remembering the difference between further and farther, we've got you covered. You'll brush up on the Crusades, revisit the structure of the Victorian novel, get a refresher on Chaos Theory, and much more! Maybe this time you'll remember.		"Dawn Dais bravely goes where other baby books don't.... She spills the truth about everything from breastfeeding to getting along with your partner post-baby." — Parents Magazine There comes a time in every new mother’s life when she realizes that all the pregnancy well-wishes and baby shower gifts left her profoundly unqualified for the realities of life with a newborn. Who knew there would be so much crying—and how much of that crying would be coming from the mom? Bestselling author Dawn Dais believes that a vast conspiracy exists to hide the truth about parenting from expectant mothers for fear that if the truth got out, women would (1) stop having babies or (2) stop bringing them home. Eschewing the adorableness that oozes out of other parenting books, Dais offers real advice from real moms—along with hilarious anecdotes, tips, and the encouragement every new mom needs to survive the first year of parenthood. Revised and updated with new chapters offering advice for single moms and tips for partners,The Sh!t No One Tells You is a must-have companion for every new mother’s sleepless nights and poop-filled days.

*Holy Sh\*t* Avery

From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), Bullshit Jobs gives individuals, corporations, and

societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

**Oh Shit! I'm Over 50 and Single** Orbit

From the co-founder of THINX and hellotushy.com, start-ups collectively valued at more than \$150 million, comes DISRUPT-HER, a rallying cry for women to radically question the status quo. Miki Agrawal has faced patriarchal pushback, fought girl-on-girl hate, ridden the roller coaster of building businesses as a female CEO, and even overcome an attempt to burn her for witchcraft (figuratively). In order to navigate the complicated--at times maddening--struggles of contemporary femininity, we need an unabashed manifesto for the modern woman that inspires us to move past outrage and take positive steps on the personal, professional, and societal levels. This manifesto galvanizes us to action in 13 major areas of our lives with as much fire power as possible. These are the credos we live by, the advice we give to friends, the tenets we instill in our companies and peers on a daily basis. Stories of badass female movers and shakers are shared in this book too to give you an extra jolt of "I've got this." It's a whole body F\*CK YES to your work, your love, your relationships, and your mission--while doing it all authentically, unapologetically, and with full integrity.

**Get Your Sh\*t Together** Chronicle Books

Never before has wildlife narration been this bold and this hilarious. More than 40 million people have viewed Randall's honey badger video, "The Crazy Nastyass Honey Badger." "It has no regard for anyone or anything—it just takes what it wants! What a little badass!" When viewing wildlife footage, who hasn't thought at times, "Ewww! What the hell is that?!" Randall thinks it — and says so! In Honey Badger Don't Care, Randall examines and humorously informs on a dozen crazy, nasty animals of the wild kingdom employing his unique style of telling it like it is! His wildlife writing is refreshingly honest. If an animal scares Randall, he's not afraid to share. Unlike most

nature writers, Randall doesn't deliver the sugarcoated or drab description. He "goes there" and shares his true feelings with his audience. Because of this, his readers feel that they can relate. Randall loves animals—even the ones that terrify him. He may not agree with how these animals conduct themselves in the world, but Randall wants everyone to know who they are. Just as he introduced the world to the honey badger, the Jesus lizard, and others, so will Randall shed light on twelve bizarre and interesting animals. Designed with callouts, sidebars, and more than fifty photos, Honey Badger Don't Care presents a wildlife book for adults—hilarious, irreverent, profane, yet charming, chatty, and informative. Don't be stupid—buy this book!

**Tough Sh\*t** Hachette UK

In her hilarious book of essays, Parks and Recreation star Retta shares the stories that led to her success in Hollywood. In *So Close to Being the Sh\*t, Y'all Don't Even Know*, Parks and Recreation star Retta takes us on her not-so-meteoric rise from roaches to riches (well, rich enough that she can buy \$15,000 designer handbags yet scared enough to know she's always a heartbeat away from ramen with American cheese). Throwing her hard-working Liberian parents for a loop, Retta abandons her plan to attend med school after graduating Duke University to move to Hollywood to star in her own sitcom—like her comedy heroes Lucille Ball and Roseanne. Say what? Word. Turns out Retta might actually be on to something. After winning Comedy Central's stand-up competition, she should be ready for prime time—but a fear of success derails her biggest dream. Whether reminiscing about her days as a contract chemist at GlaxoSmithKline, telling "dirty" jokes to Mormons, feeling like the odd man out on Parks, fending off racist trolls on Twitter, flirting with Michael Fassbender, or expertly stalking the cast of "Hamilton," Retta's unique voice and refreshing honesty will make you laugh, cry, and laugh so hard you'll cry. Her eponymous sitcom might not have happened yet, but by the end of *So Close to Being the Sh\*t*, you'll be rooting for Retta to be the next one-named wonder to take over your television. And she just might inspire you to reach for the stars, too.
