Now in paperback. One of the most beloved figures in Cleveland entertainment history *The Opposite of Woe* Atria Books Adobe Kroger has a secret. She is a Paladin---a holy knight blessed with the power to wield the divine Light of love and creation. Or she was, anyhow. After being convicted of blasphemy, she's been excommunicated from the holy order and her power was taken away. Or so her superiors thought. Unbeknownst to them, despite their efforts the Light is still hers to command. She would be in terrible danger if they were to discover the truth, but she is determined to use her power to rectify a terrible mistake, whatever the personal cost. When one night she encounters a mysterious evil creature the likes of which no Paladin or Wizard has ever seen, she becomes embroiled in a sinister conspiracy that holds the fate of the world in the balance. As if that weren't enough, she also loses her phone. This modern day fantasy tale is told in Adobe's own voice. Join the potty-mouthed Paladin as she confronts the terrors of an obnoxious speech impediment, an embarrassing viral video, a far more talented and handsome rival, a phantasmal dream-walking roommate, and a wizard armed with a cricket bat and a faulty memory. With all of that and being caught between her day job and former colleagues with murderous grudges, can she come to terms with her destiny in time to avert the destruction of the human race?

### Legal Writing for Legal Readers Arcane City

A tender and meticulously compiled exploration of the Sandusky shopping experience as it once was The Sandusky Mall was the iconic shopping hub for locals who grew up in the 1970s and '80s. Kids visited the Circus World toy store, shopped for local amusement park souvenirs at Cedar Point Gifts, and fawned over the kittens and puppies at Petland. Teens scarfed Scotto's Pizza or a tasty treat at

Baskin Robbins before taking in the latest feature at the Mall Cinema. Many others pumped quarters into the games at Goldmine or browsed the collection at Musicland. Gathering more than 200 images, the original floor map, and the history of every store at every location, author Chris Bores delivers a trip down memory lane as well as never-before-told stories of the scandals and struggles--and the triumphs--that made the Sandusky Mall the place to be.

### The Brandweek Directory Farrar, Straus and Giroux

INSTANT NEW YORK TIMES BESTSELLER! "If you liked *Where the Crawdads Sing*, you'll love *This Tender Land*...This story is as big-hearted as they come." —Parade The unforgettable story of four orphans who travel the Mississippi River on a life-changing odyssey during the Great Depression. In the summer of 1932, on the banks of Minnesota's Gilead River, Odie O'Banion is an orphan confined to the Lincoln Indian Training School, a pitiless place where his lively nature earns him the superintendent's wrath. Forced to flee after committing a terrible crime, he and his brother, Albert, their best friend, Mose, and a brokenhearted little girl named Emmy steal away in a canoe, heading for the mighty Mississippi and a place to call their own. Over the course of one summer, these four orphans journey into the unknown and cross paths with others who are adrift, from struggling farmers and traveling faith healers to displaced families and lost souls of all kinds. With the feel of a modern classic, *This Tender Land* is an enthralling, big-hearted epic that shows how the magnificent American landscape connects us all, haunts our dreams, and makes us whole.

### **Standard & Poor's Industry Surveys** Macmillan

"The Irishman is great art . . . but it is not, as we know, great history . . . Frank Sheeran . . . surely didn't kill Hoffa . . . But who pulled the trigger? . . . For some of the real story, and for a great American tale in itself, you want to go to Jack Goldsmith's book, *In Hoffa's Shadow*." —Peggy Noonan, *The Wall Street Journal*

"*In Hoffa's Shadow* is compulsively readable, deeply affecting, and truly groundbreaking in its re-examination of the Hoffa case . . . a monumental achievement." —James Rosen, *The Wall Street Journal*

As a young man, Jack Goldsmith revered his stepfather, longtime Jimmy Hoffa associate Chuckie O'Brien. But as he grew older and pursued a career in law and government, he came to doubt and distance himself from the man long suspected by the FBI of perpetrating Hoffa's disappearance on behalf of the mob. It was only years later, when Goldsmith was serving as assistant attorney general in the George W. Bush administration and questioning its misuse of surveillance and other powers, that he began to reconsider his stepfather, and to understand Hoffa's true legacy. *In Hoffa's Shadow* tells the moving story of how Goldsmith reunited with the stepfather he'd disowned and then set out to unravel one of the twentieth century's most persistent mysteries and Chuckie's role in it. Along the way, Goldsmith explores Hoffa's rise and fall and why the golden age of blue-collar America came to an end, while also casting new light on the century-old surveillance state, the

architects of Hoffa's disappearance, and the heartrending complexities of love and loyalty.

Applying the perspective of the reader to the craft of writing, *Legal Writing for Legal Readers: Predictive Writing for First-Year Students* teaches the differences between strong and weak legal writing by letting students read examples of both. Students discover how productive it can be to read a well-articulated argument, as compared to one that is illogical. We aren't always able to identify our own faults as writers—but as readers, we can see clearly the merits of both the argument and its presentation. The authors' sidebars and annotations highlight why one writer fails while another succeeds. Students realize the significance of their own behavior as readers and how that behavior should dictate their writing decisions. As readers, students learn to recognize the specific elements of analysis and structure that make legal writing effective. As writers, they will make better and more informed choices, when they think about it from a reader's perspective. New to the Second Edition: Revised to focus exclusively on predictive analytical writing that most law schools teach during the first semester of the first year Expanded inclusion of annotations and marginal notes that answer anticipated student questions Professors and students will benefit from: Extensive variety of samples and examples, both good and bad, selected to illustrate legal writing concepts for

students Broad coverage that includes memos and briefs, as well as complaints, correspondence, and criminal motions Sidebar comments and marginal notes that answer anticipated student questions and define important legal and writing-related terms that may distract students as they learn new concepts Annotations that incorporate cognitive and behavioral theories to explain why some approaches work better than others Exercises that test students' understanding of important concepts while they learn Teaching materials include: Additional exercises for use with most chapters Additional samples of longer documents Document to further illustrate important concepts for both teachers and students
