My name's Alex and I'm not from around here. When I first woke up in Esrever County, I discovered a world completely opposite of home. Rules were optional. Books were off limits. Chocolate, video games and slacking off were encouraged. You get the idea... it was awesome! But there was one catch: the creatures and legendary figures I always read about were not only real and present in Esrever, but were opposite of the way I knew them. When the Sandman creeps into my life, he's determined to turn my dream vacation into a horrifying nightmare! *** Trapped in Esrever combines the frightening chills of Goosebumps with the humorous story-telling of a Diary of a Wimpy Kid. It would be a perfect addition to your collection.

His wife has left him and the only two people he can relate to are his unscrupulous plastic surgeon and his "tween" next door neighbor. Eventually the fact that Mort is slowly turning into Michael Jackson becomes a problem that his two grown sons must deal with; even as one has become a survivalist and the other is trying to convince his French girlfriend to keep their baby. Bleak and brutal with moments of wild humor, and the occasional shout of "Wooo!," this dark comedy embodies the spirit of a stunned city, struggling to piece life back together. "The Spitz aesthetic is proudly trashy and puerile, dedicated to slapstick and tasteless jokes, sort of like Mel Brooks if he listened to Joy Division. But Spitz's newest, *Gravity Always Wins*, turns out to be - hold on to your trucker hat - a domestic comedy with absolutely no onstage sex, violence or drugs. In truth Spitz's past works always hid a streak of sweetness, beneath the corrosive comedy lurks a romantic soul." -David Cote, *Time Out New York*
