Franz Kafka in Context Sara Claridge

A charming billionaire, a woman hiding behind her big glasses and frumpy shirts, and their dream date gone extremely wrong. Mae Delaney has fallen in love with her boss, Slade Steele, over video chats. When he flies into her hometown and asks her to meet for dinner, she thinks all her dreams are about to come true. After hours of makeup, hair, and primping, her friend declares her ready to meet her man. Mae arrives at the restaurant and everything falls apart: Slade's late, the waiter is hitting on her, and worst of all when Slade comes he doesn't recognize her and kisses her, thinking her name is Josie. Slade Steele is too busy with work and helping his younger sister to find time for love. After years of teasing with his favorite employee, Mae, he arranges to meet her for dinner. When he gets to the

restaurant late, Mae is already gone. He's disappointed but the beautiful Josie entrances him and he can't get her out of his mind. As weeks pass, Slade tries to get the mysterious Josie out of his mind and he finds himself falling for quirky Mae. He wants to date someone who he can laugh with, but what if he meets Mae in person and feels none of the sparks he felt with Josie? Can these two navigate through mistaken identity and Mae's insecurities and find their chance at love? Her Dream Date Boss is the first of Cami's new Steele Family Romance and the Billionaire Boss Romances series with Jennifer Youngblood and Sarah Gay. Don't miss Cami's latest Quinn Family Romances: The Devoted Groom, The Conflicted Warrior, The Gentle Patriot, The Tough Warrior, Her Too-Perfect Boss, Her Forbidden Bodyguard. Thank you for reading

Schuster

In the glittering South of France, Evie finds herself at a dangerous impasse where love, betrayal, and a stolen ruby pendant intertwine in a web of intrigue. Life took a sharp turn for Evie Madison the night her grandmother's necklace was brutally stolen. When it reappears ten years later at a private auction, Evie can't resist the temptation to steal it back. But is it fate, coincidence, or something more sinister that the first person she encounters after the theft is none other than Raphael Dauphin? The enigmatic French property magnate who shattered her heart when he vanished from her life that fateful night a decade ago. With security guards hot on her trail, Raph offers Evie an escape route—become his fake fiancée, in exchange for his protection, and help secure a crucial property deal on the French Riviera. But as their sizzling chemistry reignites, so does the threat from Evie's past. As the danger lurking in the shadows escalates, Raph realises the only way to keep Evie safe is to unravel the truth behind the stolen jewel, starting with confronting their own tempestuous history. “Stealing Hearts will transport you to the sun-soaked shores of the Mediterranean, where the stakes are high, and true love hangs in the balance.”

*Patriots* Cornell University Press

Argues against educational practices that teach students to be ashamed of American history, offering a history of the United States that highlights the country's virtues while placing its darker periods in political and historical context.

*The Life and Speeches of Thos. E. Watson* Little, Brown

A recovering superstar finds the woman who can heal him, but a tragedy might pull them apart forever. Hyde Metcalf, wide

receiver for the Georgia Patriots, is recovering from pneumonia and needs the best personal trainer in Colorado to get him in shape for the season. With his dad missing again and his mom fighting Alzheimer's, it's crucial he stays close to home. Lily Udy idolizes Hyde Metcalf and the Georgia Patriots. Her dream is to be a team trainer someday. When Hyde walks into the gym she's working at and her boss gives her the opportunity to train him, it's more than a dream come true. Hyde thinks he may have found the perfect trainer and maybe more with Lily, until another man who wants Lily for himself, the media, his mom, and a horrible accident come between them. Happily ever after may be a pass that neither of them can jump high enough to reach.

*Stranger Citizens* Independently Published

Explore the power of the underdog in Malcolm Gladwell's dazzling examination of success, motivation, and the role of adversity in shaping our lives, from the bestselling author of *The Bomber Mafia*. Three thousand years ago on a battlefield in ancient Palestine, a shepherd boy felled a mighty warrior with nothing more than a stone and a sling, and ever since then the names of David and Goliath have stood for battles between underdogs and giants. David's victory was improbable and miraculous. He shouldn't have won. Or should he have? In *David and Goliath*, Malcolm Gladwell challenges how we think about obstacles and disadvantages, offering a new interpretation of what it means to be discriminated against, or cope with a disability, or lose a parent, or attend a mediocre school, or suffer from any number of other apparent setbacks. Gladwell begins with the real story of what happened between the giant and the shepherd boy those many years ago. From there, David and Goliath examines

Northern Ireland's Troubles, the minds of cancer researchers and civil rights leaders, murder and the high costs of revenge, and the dynamics of successful and unsuccessful classrooms—all to demonstrate how much of what is beautiful and important in the world arises from what looks like suffering and adversity. In the tradition of Gladwell's previous bestsellers—*The Tipping Point*, *Blink*, *Outliers* and *What the Dog Saw*—David and Goliath draws upon history, psychology, and powerful storytelling to reshape the way we think of the world around us.

*The pictorial field-book of the Revolution; or, Illustrations, by pen and pencil, of the ... War for independence* Ballantine Books

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER This groundbreaking book offers the first global history of the loyalist exodus to Canada, the Caribbean, Sierra Leone, India, and beyond. At the end of the American Revolution, sixty thousand Americans loyal to the British cause fled the United States and became refugees throughout the British Empire. Liberty's Exiles tells their story. This surprising new account of the founding of the United States and the shaping of the post-revolutionary world traces extraordinary journeys like the one of Elizabeth Johnston, a young mother from Georgia, who led her growing family to Britain, Jamaica, and Canada, questing for a home; black loyalists such as David George, who escaped from slavery in Virginia and went on to found Baptist congregations in Nova Scotia and Sierra Leone; and Mohawk Indian leader Joseph Brant, who tried to find autonomy for his people in Ontario. Ambitious, original, and personality-filled, this book is at once an intimate narrative history and a provocative analysis that changes how we see the revolution's "losers" and their legacies.

Stranded on a tropical island, will Preston and Lily fall in love or fall prey to the dangers around them? Lily Heathrow, head of marketing for the Georgia Patriots, has one goal: talk the enigmatic Preston Steele into being her poster child for a social media blast that will not only sell out the stadium, but help those who are suffering as well. She lures Preston into a deserted garden to explain her idea when they're kidnapped. Can Preston protect her from snakes and criminals? Can she protect her heart from the most impressive man she's ever encountered? Don't miss Her Dream Date Boss: Steele Family Romance and the other sweet and sassy Georgia Patriots Romances: *The Loyal Patriot* by Cami Checketts *The Gentle Patriot* by Cami Checketts *The Hot Headed Patriot* by Jennifer Youngblood *The Twelfth Hour Patriot* by Jennifer Youngblood *The Protective Patriot* by Sarah Gay *The Second Chance Patriot* by Anne-Marie Meye

*My Recollections of the War of the Rebellion* McFarland

When Bill Fulton arrived in Alaska, he was filled with optimism and big dreams. When he left, it was under FBI escort. Bill was Army Infantry. When his knees gave out, he opened the Drop Zone, a military surplus store in Anchorage, and started hiring fellow vets. Sharpshooting hippies, crew-cutted fundamentalists, PTSD sufferers—all seeking purpose and direction. Alaska gave it to them. The Last Frontier is vast. The perfect refuge for fugitives and the perfect place for vets itching for a mission, Alaska is a giant icebox full of people either running to or away from something. More than 400 fugitives would meet Bill and company on the wrong side of a gun, and he would learn many lessons along the way—like even tiptoeing through subzero snow can get

you shot, and removing a gun from the butt crack of a 300-pound man is just as fun as it sounds. Bill was enjoying the ride until, one day, the FBI asked him to go undercover, and his road forked. Schaeffer Cox was a sovereign citizen who believed no government had authority over him and a private militia commander amassing an arsenal and plotting to kill judges and law enforcement officers. Bill's mission: to take down Cox and his militia without a shot being fired. *The Blood of Patriots* traverses a wide swath of rugged territory. Raucously funny and stark, it depicts men, once brothers in arms serving their country, who now find themselves on opposite sides of those arms in a deadly test of the intricacies of liberty, the proper role of government, and the true meaning of patriotism. It offers a witty and unsettling look at political rhetoric gone haywire and a movement the FBI considers the single greatest threat to law enforcement in the nation—all set in the beautiful, terrifying landscape of our 49th State.

*Country Life in Georgia in the Days of My Youth* Cambridge University Press

Den amerikanske hærs første officielle historiske beretning om operationerne i den anden Irakiske Krig, "Operation Iraqi Freedom", (OIF). Fra forberedelserne, mobiliseringen, forlægningen af enhederne til indsættelsen af disse i kampene ved Talil og As Samawah, An Najaf og de afsluttende kampe ved Bagdad. Foruden en detaljeret gennemgang af de enkelte kampenheder (Order of Battle), beskrives og analyseres udviklingen i anvendte våben og doktriner fra den første til den anden Golf Krig.

*Her Dream Date Boss* Bantam

Resurrecting a forgotten chapter in transatlantic history, James G. Cusick tells how, just before the United States went to war against Great Britain in 1812, an ill-advised invasion of a Spanish colony became a stage on which the young republic clumsily acted out its imperial ambitions and racial fears. With the halfhearted backing of President James Madison and Secretary of State James Monroe, a party of Georgians invaded East Florida, confident that partisans there would help them swiftly wrest the colony away from Spain. The raid was a strategic and political disaster. Few sympathizers materialized, official U.S. support dissolved, and an extended guerrilla war ensued. This was the "other war of 1812," or the Patriot War. Cusick, a lively storyteller as well as a meticulous scholar, conveys the savagery of the borderlands conflict that pitted American adventurers and anti-Spanish partisans against Spanish loyalists and their allies, who included Seminole Indians and escaped slaves. At the same time, Cusick looks at the American motivations behind the invasion, including apprehensions about Florida's growing population of unregulated blacks and geopolitical intrigues involving Spain, Britain, and France.

*Hidden Order* Rochester, N.Y. : Scrantom, Wetmore

Gonzo journalist and literary roustabout Hunter S. Thompson flies with the angels—Hell's Angels, that is—in this short work of nonfiction. "California, Labor Day weekend . . . early, with ocean fog still in the streets, outlaw motorcyclists wearing chains, shades and greasy Levis roll out from damp garages, all-night diners and cast-off one-night pads in Frisco, Hollywood, Berdoo and East Oakland, heading for the Monterey peninsula, north of Big Sur. . . The Menace is loose again." Thus begins Hunter S.

Thompson's vivid account of his experiences with California's most notorious motorcycle gang, the Hell's Angels. In the mid-1960s, Thompson spent almost two years living with the controversial Angels, cycling up and down the coast, reveling in the anarchic spirit of their clan, and, as befits their name, raising hell. His book successfully captures a singular moment in American history, when the biker lifestyle was first defined, and when such countercultural movements were electrifying and horrifying America. Thompson, the creator of Gonzo journalism, writes with his usual bravado, energy, and brutal honesty, and with a nuanced and incisive eye; as *The New Yorker* pointed out, "For all its uninhibited and sardonic humor, Thompson's book is a thoughtful piece of work." As illuminating now as when originally published in 1967, *Hell's Angels* is a gripping portrait, and the best account we have of the truth behind an American legend.

*Chains* Taylor & Francis

A witty chef and an irresistible football player. If she pursues him, will she be framed as his stalker? Shar Heathrow has idolized and fantasized about superstar Mike Kohler since college. When he shows up at her restaurant on Hilton Head Island, she flips out, and instead of convincing him to date her, she somehow manages to convince him that she's his long-time stalker. Mike Kohler thinks Shar Heathrow is hilarious, beautiful, and possibly disturbed. When he finds her yelling a pep talk to the dumpster behind her restaurant, he tries to cautiously back away but he can't seem to help flirting with her and laughing at her funny antics. When Shar finally thinks Mike is interested in her, the stalker strikes and sends them both into protective custody. Will this be their chance to connect or is the danger only

beginning? Don't miss the companion, stand-alone novels to *The Pursued Patriot: The Committed Warrior* and *The Stranded Patriot*.

***Stealing Hearts*** Vintage

This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

*The Loyal Atlantic* Sara Claridge

This reference work on the American Revolution consists of three parts--a brief narrative history of war, a chronology of military events, and a bibliography.

***The Loyal Patriot*** Routledge

Accessible essays place Kafka in historical, political and cultural context, providing new and often unexpected perspectives on his works.

*The Pursued Patriot* Independently Published

From acclaimed author Laurie Halse Anderson comes this compelling first novel in the historical middle grade *The Seeds of America* trilogy that shows the lengths we can go to cast off our

chains, both physical and spiritual. As the Revolutionary War begins, thirteen-year-old Isabel wages her own fight...for freedom. Promised freedom upon the death of their owner, she and her sister, Ruth, in a cruel twist of fate become the property of a malicious New York City couple, the Locktons, who have no sympathy for the American Revolution and even less for Ruth and Isabel. When Isabel meets Curzon, a slave with ties to the Patriots, he encourages her to spy on her owners, who know details of British plans for invasion. She is reluctant at first, but when the unthinkable happens to Ruth, Isabel realizes her loyalty is available to the bidder who can provide her with freedom.

#### **Liberty's Exiles** Simon and Schuster

*Stranger Citizens* examines how foreign migrants who resided in the United States gave shape to citizenship in the decades after American independence in 1783. During this formative time, lawmakers attempted to shape citizenship and the place of immigrants in the new nation, while granting the national government new powers such as deportation. John McNelis O'Keefe argues that despite the challenges of public and official hostility that they faced in the late 1700s and early 1800s, migrant groups worked through lobbying, engagement with government officials, and public protest to create forms of citizenship that worked for them. This push was made not only by white men immigrating from Europe; immigrants of color were able to secure footholds of rights and citizenship, while migrant women asserted legal independence, challenging traditional notions of women's subordination. *Stranger Citizens* emphasizes the making of citizenship from the perspectives of migrants themselves, and demonstrates the rich varieties and

understandings of citizenship and personhood exercised by foreign migrants and refugees. O'Keefe boldly reverses the top-down model wherein citizenship was constructed only by political leaders and the courts. Thanks to generous funding from the Sustainable History Monograph Pilot and the Mellon Foundation the ebook editions of this book are available as Open Access (OA) volumes from Cornell Open ([cornellpress.cornell.edu/cornell-open](http://cornellpress.cornell.edu/cornell-open)) and other Open Access repositories.

#### *Gathering Storm* DIANE Publishing

#1 New York Times and #1 Wall Street Journal bestselling author Brad Thor returns with his hottest and most action-packed thriller yet! The most secretive organization in America operates without accountability to the American people. Hiding in the shadows, pretending to be part of the United States Government, its power is beyond measure. Control of this organization has just been lost and the future of the nation has been thrust into peril. When the five candidates being considered to head this mysterious agency suddenly go missing, covert counter-terrorism operative, Scot Harvath is summoned to Washington and set loose on the most dangerous chase ever to play out on American soil. But as the candidates begin turning up murdered, the chase becomes an all-too-public spectacle with every indicator suggesting that the plot has its roots in a shadowy American cabal founded in the 1700s. With the United States on the verge of collapse, Harvath must untangle a web of conspiracy centuries in the making and head off the greatest threat America has ever seen. This is thriller writing at its absolute best where the stakes have never been higher, nor the line between good and evil so hard to discern.

*Oglethorpe and Colonial Georgia* W. Bryce

Writing the Nation: A Concise Introduction to American Literature 1865 to Present, is designed to continue the preservation of famous American literary works in the minds of college students.
