COWAN SELAH

A Little Life University of
Hawaii Press

In 1998, William Queen was a veteran law enforcement agent with a lifelong love of motorcycles and a lack of patience with paperwork. When a “confidential informant” made contact with his boss at the Bureau of Alcohol, Tobacco and Firearms,

offering to take an agent inside the San Fernando chapter of the Mongols (the scourge of Southern California, and one of the most dangerous gangs in America), Queen jumped at the chance, not realizing that he was kicking-starting the most extensive undercover operation inside an outlaw motorcycle gang in the history of American law enforcement. Nor did Queen suspect that he would penetrate the gang so successfully that he

would become a fully “patched-in” member, eventually rising through their ranks to the office of treasurer, where he had unprecedented access to evidence of their criminal activity. After Queen spent twenty-eight months as “Billy St. John,” the bearded, beer-swilling, Harley-riding gang-banger, the truth of his identity became blurry, even to himself. During his initial “prospecting” phase, Queen was at the mercy

of crank-fueled criminal psychopaths who sought to have him test his mettle and prove his fealty by any means necessary, from selling (and doing) drugs, to arms trafficking, stealing motorcycles, driving getaway cars, and, in one shocking instance, stitching up the face of a Mongol “ol’ lady” after a particularly brutal beating at the hands of her boyfriend. Yet despite the constant criminality of the gang, for whom planning cop killings and gang rapes were business as

usual, Queen also came to see the genuine camaraderie they shared. When his lengthy undercover work totally isolated Queen from family, his friends, and ATF colleagues, the Mongols felt like the only family he had left. “I had no doubt these guys genuinely loved Billy St. John and would have laid down their lives for him. But they wouldn’t hesitate to murder Billy Queen.” From Queen’s first sleight of hand with a line of methamphetamine in front of him and a knife at

his throat, to the fearsome face-off with their decades-old enemy, the Hell’s Angels (a brawl that left three bikers dead), to the heartbreaking scene of a father ostracized at Parents’ Night because his deranged-outlaw appearance precluded any interaction with regular citizens, Under and Alone is a breathless, adrenaline-charged read that puts you on the street with some of the most dangerous men in America and with the law enforcement agents who

risk everything to bring them in.

Marked HarperCollins Recorded during the blazing hot summer of 1971 at Villa Nellcôte, Keith Richards's seaside mansion in southern France, *Exile on Main Street* has been hailed as one of the greatest rock records of all time. Yet its improbable creation was difficult, torturous...and at times nothing short of dangerous. In self-imposed exile, the Stones-along with wives, girlfriends, and an unrivaled crew of

hangers-on-spent their days smoking, snorting, and drinking whatever they could get their hands on, while at night, Villa Nellcôte's basement studio became the crucible in which creative strife, outsized egos, and all the usual byproducts of the Stones' legendary hedonistic excess fused into something potent, volatile, and enduring. Here, for the first time, is the season in hell that produced *Exile on Main Street*.

Hell's Angels Harper Collins

After forty years in the Hells Angels, George Christie was ready to retire. As the president of the notorious Ventura chapter for the club, he had been the yin to Sonny Barger's yang. Barger was the reckless figurehead and de facto world leader of the Angels. Christie was the negotiator, the spokesman, the thinker, the guy who smoothed things out. He was the one who carried the Olympic torch and counted movie stars, artists, the Grateful Dead and the police chief

captains among his friends. But leaving isn't easy, and within two weeks of retirement he was told he was 'out bad', blackballed by his fellow Angels, prohibited from wearing the club patch, even told he should remove his Death Head tattoo. Now, Christie's set out to tell his story. *Exile on Front Street* is the tale of how a midde-class electrician gave up a comfortable job with the Department of Defense and swore allegiance to the Hells Angels. In this action-packed, hard-

hitting memoir, he recounts his life as an outlaw biker with the world's most infamous motorcycle club. *Living Nowhere* Macmillan Insightful and heart-wrenching, *Where the Angels Lived* is the true story of a woman's relentless determination to pick up the pieces of her family's fragmented history throughout the Hungarian Holocaust. Straddling memoir and reportage, past and present, this story reminds us all that we can escape a country, but we

can never escape history. *Ain't It Time We Said Goodbye* New Directions Publishing
NEW YORK TIMES BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE *A Little Life* follows four college classmates—broke, adrift,

and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning

novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s latest bestselling novel, *To Paradise*. [Exile on Wall Street](#) John Wiley & Sons *Becoming a Son* is the first book written by David Labrava. David writes from life experience as he has lived more lives than most people ever will, and he did it all over the globe. David is an accomplished Glass artist, Tattoo artist, Five Diploma Harley Davidson

Motorcycle Mechanic, Producer, Director and an award winning Writer and Actor. David is a member of the most famous and notorious motorcycle club in the world. David was the Technical Advisor on the hit TV series *Sons of Anarchy* from the inception to the completion of the series. David was also a series regular on the show, reaching that position after being hired as the technical advisor, then becoming a day player actor, then a recurring character then moving to

series regular. All of these things had to be earned, as they were not for sale at any price. Becoming A Son is not about them. It's about David getting to those spots. It's about overcoming great odds and coming out alive. David left home at fifteen years old and hit the streets. This is David's journey of discovery and redemption spanning a course of forty years. From the beaches of Hawaii and California, to the forest of the great Northwest, to years in Amsterdam, San

Francisco, New York City, Miami then back to California. David hit some highs and survived severe lows, living years on the streets, in and out of jail only to take his life back, and then squeeze every bit out of it that life has to offer. Becoming A Son is a journey of epic proportion. It's about realizing your dreams and then against the odds achieving them. Adventuring across the globe David learned many lessons by reaching out and trying everything, making many mistakes and paying the price for it

and living through it. Now he wrote about it. David has been writing and getting published for over 14 years. He wrote for the Motorcycle magazine 'The Horse' then had his own column in the National Hot Rod Magazine 'Ol Skool Rodz' for eight years. He co-wrote Episode ten in season four of SOA which Time magazine awarded an honorable mention to as best of the season. David also won the 2013 Readers Choice Buzz focus award for Best Wildcard Actor. Like great

authors before him Labrava takes the reader into some dark places most people would never dare to go. *Becoming A Son* is a modern day story of living on the street and redemption, it is one man's journey into the darkness of himself crossing the planet and transcending all levels and then coming back again full circle. It is an inspiration for anyone who is chasing their dreams and making them their reality. *Becoming A Son* will come to be known as an instant

classic.
Exile on Main Street Da Capo Press
 'Entertaining, affectionate and righteous' Guardian
 'Says so much about being a woman' Cosey Fanni Tutti In 1983, backstage at the Lyceum in London, Tracey Thorn and Lindy Morrison first met. Tracey's music career was just beginning, while Lindy, drummer for The Go-Betweens, was ten years her senior. They became confidantes, comrades and best friends, a relationship cemented by gossip and

feminism, books and gigs and rock 'n' roll love affairs. Thorn takes stock of thirty-seven years of friendship, teasing out the details of connection and affection between two women who seem to be either complete opposites or mirror images of each other. She asks what people see, who does the looking, and ultimately who writes women out of – and back into – history.

In this breathtaking cultural history filled with exclusive, never-before-revealed details, celebrated rock journalist Joel Selvin tells the definitive story of the Rolling Stones' infamous Altamont concert, the

disastrous historic event that marked the end of the idealistic 1960s. In the annals of rock history, the Altamont Speedway Free Festival on December 6, 1969, has long been seen as the distorted twin of Woodstock—the day that shattered the Sixties' promise of peace and love when a concertgoer was killed by a member of the Hells Angels, the notorious biker club acting as security. While most people know of the events from the film Gimme Shelter, the whole story has remained buried

in varied accounts, rumor, and myth—until now. Altamont explores rock's darkest day, a fiasco that began well before the climactic death of Meredith Hunter and continued beyond that infamous December night. Joel Selvin probes every aspect of the show—from the Stones' hastily planned tour preceding the concert to the bad acid that swept through the audience to other deaths that also occurred that evening—to capture the full scope of the tragedy and its aftermath.

He also provides an in-depth look at the Grateful Dead's role in the events leading to Altamont, examining the band's behind-the-scenes presence in both arranging the show and hiring the Hells Angels as security. The product of twenty years of exhaustive research and dozens of interviews with many key players, including medical staff, Hells Angels members, the stage crew, and the musicians who were there, and featuring sixteen pages of color

photos, Altamont is the ultimate account of the final event in rock's formative and most turbulent decade.

If Beale Street Could Talk

Simon and Schuster

An inside account of the Hell's Angels, told by one of its most notorious leaders.

Miss O'Dell Sidgwick & Jackson

A memoir of the Hells Angels Motorcycle Club from one of its highest-profile leaders. After forty years in the Hells Angels, George Christie was ready to retire. As the president

of the notorious Ventura chapter for the club, he had been the yin to Sonny Barger's yang. Barger was the reckless figurehead and de facto world leader of the Angels. Christie was the negotiator, the spokesman, the thinker, the guy who smoothed things out. He was the one who carried the Olympic torch and counted movie stars, artists, the Grateful Dead and the police chief captains among his friends. But leaving isn't easy, and within two weeks of retirement he

was told he was 'out bad', blackballed by his fellow Angels, prohibited from wearing the club patch, even told he should remove his Death Head tattoo. Now, Christie's set out to tell his story. Exile on Front Street is the tale of how a midde-class electrician gave up a comfortable job with the Department of Defense and swore allegiance to the Hells Angels. In this action-packed, hard-hitting memoir, he recounts his life as an outlaw biker with the world's most infamous

motorcycle club.

Exile on Front Street Orbit

Ralph "Sonny" Barger first gained the attention of the book world with his bestselling memoir Hell's Angel. Now he uses what he's learned from a life inside a subculture few will ever know to create his no-holds-barred first novel, giving readers a taste of the camaraderie, the pain, and the thrills of what it's like to live life on two wheels. Everett John "Patch" Kinkade just wants to be left alone. The former president of

the Infidelz, the most powerful motorcycle club in California, Patch has grown weary of the responsibilities and burdens that come with the mantle of leadership. He leaves California for Arizona, determined to start a new life and to put a few hundred miles between him and the tragedy that tore his family apart. But it isn't long before a new crisis pulls Patch back to his old stomping grounds. Tension between the Infidelz and a rival club, the 2Wheelers, erupts one

night in a lethal free-for-all, littering a casino with the corpses of club members and ordinary citizens alike. The newspapers call it a war, and Patch knows he must return to help the club, either by making peace or by charging into battle. Now it's not just his life at stake, but the lives of the rest of the Infidelz as well, and Patch would fight the Grim Reaper himself to protect his brothers. Prepared to destroy any man who crosses his path, even if it means confronting the

demons from his past, Patch gases up his Harley, sharpens his blade, and heads out on the highway for what could be his final ride.

S.t.p. Vintage

A story of lies, loyalty, betrayal and brotherhood. A fictional novel by former Hells Angels president George Christie, currently being made into a TV series in Spain.

Horror Stories Sidgwick & Jackson

In the early 1960s, Phil Cross joined the Gypsy Jokers MC. In 1969, he patched over to the Hells

Angels MC. This book chronicles the life and times of Mr. Cross in words and photos.

Phil Cross Pan Macmillan

In exiled Iranian author Javad Djavahery's captivating English debut, a youthful betrayal during a summer on the Caspian sea has far-reaching consequences for a group of friends as their lives are irrevocably altered by the Revolution. For our unnamed confessor, the summer months spent on the Caspian Sea during the 1970s are a magically transformative

experience. There, he is not the “poor relative from the North,” but a welcome guest at his wealthy cousin Nilou’s home and the gatekeeper of her affections. He revels in the power of orchestrating the attentions of her many admirers, granting and denying access to her would-be lovers. But in a moment of jealousy and youthful bravado, he betrays and humiliates an unlikely suitor, setting into motion a series of events that will have drastic repercussions for

all of them as the country is forever transformed by the Iranian Revolution a few short years later. Over the next twenty years, the lingering effects of that betrayal set the friends on radically different paths in the wake of political, religious, and cultural upheaval. Their surprising final reunion reveals the consequences of revenge and self-preservation as they each must decide whether and how to forget the past. Urgent and gorgeously written, *My Part of Her* captures the

innocence of youth, the folly of love, and the capriciousness of fate as these friends find themselves on opposing sides of the seismic rifts of history.

Under and Alone

Restless Books

The story of the former Golden Gloves boxer and actor describes his coming of age on the streets of New York, presidency of the Hell’s Angels, experiences as a celebrity bodyguard, and television career.

Becoming a Son

Canongate Books

Already hailed as "brave, emotional, and gorgeously written" by Frances Mayes and "like a piece of dark chocolate -- bittersweet, satisfying, and finished all too soon" by Laura Fraser, author of *An Italian Affair*, this is a unique memoir about the search for identity through love, hunger, and food. Jim Harrison says, "Trail of Crumbs reminds me of what heavily costumed and concealed waifs we all are. Kim Sunv©e tells us so much about the French that I never learned in 25 trips

to Paris, but mostly about the terrors and pleasure of that infinite octopus, love. A fine book." When Kim Sunv©e was three years old, her mother took her to a marketplace, deposited her on a bench with a fistful of food, and promised she'd be right back. Three days later a policeman took the little girl, clutching what was now only a fistful of crumbs, to a police station and told her that she'd been abandoned by her mother. Fast-forward almost 20 years and Kim's life is unrecognizable.

Adopted by a young New Orleans couple, she spends her youth as one of only two Asian children in her entire community. At the age of 21, she becomes involved with a famous French businessman and suddenly finds herself living in France, mistress over his houses in Provence and Paris, and stepmother to his eight year-old daughter. Kim takes readers on a lyrical journey from Korea to New Orleans to Paris and, along the way serving forth her favorite recipes.

A love story at heart, this memoir is about the search for identity and a book that will appeal to anyone who is passionate about love, food, travel, and the ultimate search for self.

Where the Angels

Lived Macmillan

Not since Hunter Thompson's seminal Hells Angels: A Strange & Terrible Saga of the Outlaw Motorcycle Gangs in 1967 has there been such a thorough account of the Angels. This book documents the gang's bumpy ride from its

origins as a Stateside club for WWII fighter pilots to its freewheeling terror tactics of the early sixties, to its absurd flirtation with the hippie scene, to its current status as one of the most powerful underground organisations in North America, rivalling even the Mafia.

A Wayward Angel

Ballantine Books

"One of the greatest rock books ever written." -- GQ
Thirty years ago, the Rolling Stones swept America, taking Exile on Main Street to Main

Streets across the nation. Everyone held their breath to see what would happen; the Stones' previous U.S. tour had been a chaotic circus culminating in the infamous death of a fan at Altamont. And this tour (the "Stones Touring Party") was rumored to be wilder than ever: bigger shows in major arenas, with a far larger entourage and even more drugs. Robert Greenfield went along for the ride, and came away with a riveting insider's account, called by Ian Rankin "one

of the greatest rock books ever written." The reality lived up to the rumor: take one part Lee Radziwill, a dash of Truman Capote, set the scene at Hef's Playboy mansion, and toss in the county jail for good measure. That was the Stones Touring Party, the ultimate rock 'n' roll band at the height of its spectacular depravity. Hells Angels Motorcycle Club Macmillan
CHRIS O'DELL WASN'T FAMOUS. SHE WASN'T EVEN ALMOST FAMOUS.

BUT SHE WAS THERE. * She was in the studio when the Beatles recorded The White Album, Abbey Road, and Let It Be, and she sang in the "Hey Jude" chorus. * She lived with George Harrison and Pattie Boyd and unwittingly got involved in Pattie's famous love story with Eric Clapton. * She's the subject of Leon Russell's "Pisces Apple Lady." * She worked for the Rolling Stones on their infamous 1972 tour and did a drug

run for Keith Richards. * She's "the woman down the hall" in Joni Mitchell's song "Coyote," the "mystery woman" pictured on the Stones album Exile on Main Street, and the "Miss O'Dell" of George Harrison's song. The remarkable, intimate story of an ordinary woman who lived the dream of millions—to be part of rock royalty's inner circle—Miss O'Dell is a backstage pass to some of the most momentous events in rock history.
