MCCARTY NICHOLSON

Living a Life that Matters Hogarth Newbery Honor-winning author McKissack and Caldecott Medal-winning illustrator Pinkney have outdone themselves in this heart-warming picture book infused with humor and the true spirit of Christmas. Christmas always comes to Nella’s house, but Santa Claus brings gifts only once in a while. That’s because it’s the Depression and Nella’s family is poor. Even so, Nella’s hoping that this year she and her two sisters will get a beautiful Baby Betty doll. On Christmas morning, the girls are beside themselves with excitement! There is Baby Betty, in all her eyelash-fluttering

magnificence. “Mine!” Nella shouts, and claims the doll for herself. But soon she discovers that Baby Betty isn’t nearly as much fun as her sisters. Would it be more fun to share this very best gift with them after all?

The Gift Giving - Favourite Stories Feiwel & Friends

A bestselling work of spiritual advice from a nationally known spiritual leader and beloved author that offers “a set of guideposts for living a useful and fulfilled life, no matter what the future holds” (The Boston Globe). Drawing on the stories of his own congregants, on literature, current events and, above all, on the Biblical story of Jacob (the worldly trickster who evolves into a man of God), Rabbi Harold S. Kushner—author of *When Bad Things Happen to Good*

People—addresses some of the most persistent dilemmas of the human condition: Why do decent people so often violate their moral standards? How can we pursue justice without giving in to the lure of revenge? How can we turn our relationships with family and friends into genuine sources of meaning? Persuasive and sympathetic, filled with humanity and warmth, *Living a Life That Matters* is a deeply rewarding book.

God can do anything, but did you know He has already done everything? Instead of asking the Lord to do something for you - revive you, heal you, bless you, prosper you - accept what He has already done for you through the death, burial, and resurrection of Jesus Christ. God has left you precious promises in

His Word and those promises belong to you right now through Christ. As you see for yourself what God has already done for you and in you, your walk with Him will become a joy and an adventure you never thought possible. Your faith in Him will be quickened, your heart encouraged, and your feet firmly set on His pathway of victory.

Janice Miller knows this: she loves her husband, her two spirited daughters and the beautiful home in which she has raised her family. But what she doesn't know is how to stay afloat when a devastating discovery tears that familiar world apart. It is only once the damage has been done that she finally realises how distant her daughters have become - and that schoolgirl Lizzie and 28-year-old Margaret now have dark secrets of their own. After years of following separate lives, they are reluctantly

drawn back together under the same roof. It's the outside world that has unravelled their dreams, but what they all fear most now is each other. Yet it's there, in the family home, that they are forced to confront their crises - and where, slowly, each of them begins to heal.

Winner of the Adelaide Festival Literary Award for Young Adult Fiction, 2012.

Over the nine days before her seventeenth birthday, Mim's life turns upside down. In the end, the same things look entirely different. Rule number one: I will not turn out like my mother. Mim knows what she wants, and where she wants to go. Anywhere but home-in a dead suburb and with a mother who won't get off the couch. Her two older brothers are in prison, so now Mim has to retrieve a lost package for her mother. Does this make her a drug runner? She's set herself rules to live by, but she's starting to break them. And

she can't seem to find answers to all the new questions: Why is the monster dog Gargoyle hidden in the back shed? Why is the boy she sent Valentines to for years now suddenly a creep? And who is the mysterious girl next door who moans at night? Vikki Wakefield's first young adult novel, *All I Ever Wanted*, won the 2012 Adelaide Festival Literary Award for Young Adult Fiction, as did her second novel, *Friday Brown*, in 2014. *Friday Brown* was also an Honour Book, Children's Book Council of Australia, 2013. Among other awards, it was shortlisted for the prestigious Prime Minister's Awards, 2013. Her new novel, *Inbetween Days*, will be published in October 2015. Vikki lives in the Adelaide foothills with her family. 'One of the most memorable YA books I've ever

read. Original, real, startling and beautiful.' Cath Crowley, author of *Graffiti Moon* 'One of the best debut novels I have ever had the pleasure of reading. Vikki Wakefield has gifted the Australian Publishing world, and readers of Young Adult Fiction, a superior tale, full to brimming with formidable characters and an exquisite protagonist.' The Book Gryffin 'While it's both a thriller and a gritty romance, for me *All I Ever Wanted* is first and foremost a sparkling journey into hope. As the story drives toward its surprising conclusion, we're left as stunned as Mim as she discovers "that there are so many ways to tell a person you love them." I loved this book.' Paul Griffin '[An] absorbing young adult novel...Despite the grim setting, the characters are richly and lovingly

drawn with smart-mouthed, determined Mim a particular delight. At the core of the book is the idea that things (and people) are not what they seem. It's nothing new as a concept, but it's executed with winningly original style, wit and heart. Think Underbelly meets Hating Alison Ashley.' Big Issue 'Vikki Wakefield's first novel walks the tightrope between fate and human agency. Despair is leavened by shards of hope; this is not Young Adult literature that peddles misery or wallows in a nihilistic fug. Mim is one of those resilient protagonists who still wields a degree of control over her life....Like her protagonist, Wakefield plays with the reader's prejudices. Little by little, the restrictive labels forced on various characters are seen to be products of

convenience or carelessness, rather than truth...All I Ever Wanted is a thoughtful and impressive debut, and Wakefield a talent to watch.' Australian Book Review 'A beautifully-written account of one young girl trying to claw her way out of the circumstances into which she was born...It's a story about daring to dream and the transformative power of hope.' Sunday Tasmanian

All the Lives We Ever Lived Harlequin
 "Fascinating . . . memorable . . . revealing . . . perhaps the best of Carl Sagan's books."—The Washington Post Book World (front page review) In *Cosmos*, the late astronomer Carl Sagan cast his gaze over the magnificent mystery of the Universe and made it accessible to millions of people around the world. Now in this stunning sequel,

Carl Sagan completes his revolutionary journey through space and time. Future generations will look back on our epoch as the time when the human race finally broke into a radically new frontier—space. In *Pale Blue Dot*, Sagan traces the spellbinding history of our launch into the cosmos and assesses the future that looms before us as we move out into our own solar system and on to distant galaxies beyond. The exploration and eventual settlement of other worlds is neither a fantasy nor luxury, insists Sagan, but rather a necessary condition for the survival of the human race.

"Takes readers far beyond *Cosmos* . . . Sagan sees humanity's future in the stars."—Chicago Tribune

A Tale of Two Cities (1859) is the second historical novel by Charles Dickens, set in London and Paris before and during

the French Revolution. It depicts the plight of the French proletariat under the brutal oppression of t+E3he French aristocracy in the years leading up to the revolution, and the corresponding savage brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution. It follows the lives of several protagonists through these events, most notably Charles Darnay, a French once-aristocrat who falls victim to the indiscriminate wrath of the revolution despite his virtuous nature, and Sydney Carton, a dissipated English barrister who endeavours to redeem his ill-spent life out of love for Darnay's wife, Lucie Manette.

The Crossroads of Should and Must
Penguin

The "breathtakingly brilliant" novel by the author of *Infinite Jest* (New York Times) is a deeply compelling and satisfying story, as hilarious and fearless and original as anything Wallace ever wrote. The agents at the IRS Regional Examination Center in Peoria, Illinois, appear ordinary enough to newly arrived trainee David Foster Wallace. But as he immerses himself in a routine so tedious and repetitive that new employees receive boredom-survival training, he learns of the extraordinary variety of

personalities drawn to this strange calling. And he has arrived at a moment when forces within the IRS are plotting to eliminate even what little humanity and dignity the work still has. The Pale King remained unfinished at the time of David Foster Wallace's death, but it is a deeply compelling and satisfying novel, hilarious and fearless and as original as anything Wallace ever undertook. It grapples directly with ultimate questions -- questions of life's meaning and of the value of work and society -- through characters imagined with the interior force and generosity that were Wallace's unique gifts. Along the way it suggests a new idea of heroism and commands infinite respect for one of the most daring writers of our time. "The Pale King is by turns funny, shrewd, suspenseful,

piercing, smart, terrifying, and rousing."
--Laura Miller, Salon
