*Someone Has to Set a Bad Example* The Countryman Press

The first science fiction course in the American academy was held in the early 1950s. In the sixty years since, science fiction has become a recognized and established literary genre with a significant and growing body of scholarship. The Cambridge History of Science Fiction is a landmark volume as the first authoritative history of the genre. Over forty contributors with diverse and complementary specialties present a history of science fiction across national and genre boundaries, and trace its intellectual and creative roots in the philosophical and fantastic narratives of the ancient past. Science fiction as a literary genre is the central focus of the volume, but fundamental to its story is its non-literary cultural manifestations and influence. Coverage thus includes transmedia manifestations as an integral part of the genre's history, including not only short stories and novels, but also film, art, architecture, music, comics, and interactive media.

Growth in corn dry-mill ethanol production has surged in the past several years, simultaneously creating a co-product distillers' grains (DDGS). Many in the U.S. feed industry were concerned about the size of this new feed source and whether it could be used entirely by the feed industry, but they also worried about the price discovery process for the product. Provides a transparent methodology to estimate U.S. supply and consumption of DDGS. Potential domestic and export use of U.S. DDGS exceeds current production and is likely to exceed future production as ethanol production continues to grow. Identifies the DDGS price discovery process along with the price relationships of distillers' grains, corn, and soybean meal. Illus. A print on demand report.

Amidst the gas lamp shadows former soldier-turned-mercenary John Vanguard hunts criminals at the behest of his corrupt employer, Captain Felix Sanquain. Shamed by his deserter past and seeking to make amends for his many misdeeds, a chance encounter with Tarryn Leersac - a skilled young would-be-assassin fallen from the graces of high society - leads Vanguard to become an unlikely mentor. Charged with hunting down the killer of two guards left washed up on the banks of the canal, the further Vanguard delves into the underbelly of the city the more he finds himself entangled in a web of secrets and lies. A prominent aristocrat is missing. Crime lords, con men and harlots run amok and the city teeters on the brink of another revolution. With his already precarious reputation hanging by a thread, Vanguard must piece together how and why the last war came to pass, find a way to earn redemption for his mistakes and come to terms with the past in a city where few survive, and even fewer can be trusted. A Grimdark novel with elements of adventure and gaslight fantasy, 'We Men of Ash and Shadow' explores themes of redemption, loyalty, and betrayal against the backdrop of a world where survival often means compromising your values. 'We Men of Ash and Shadow' is an adult fantasy novel and as such, contains adult themes and language.

A New York Times cookbook best-seller. Nom Nom Paleo is a visual feast, crackling with humor and packed with stunningly photographed step-by-step recipes free of gluten, soy, and added sugar. Designed to inspire the whole family to chow down on healthy, home-cooked meals, this cookbook compiles over 100 foolproof paleo recipes that demonstrate how fun and flavorful cooking with wholesome ingredients can be. And did we mention the cartoons? Nom Nom Paleo kicks off with a fresh introduction to Paleo eating, taking readers on a guided tour of author Michelle Tam's real-food strategies for stocking the kitchen, saving time, and maximizing flavors while maintaining a Paleo lifestyle. Also, sprinkled throughout the book are enlightening features on feeding kids, packing nutritious lunches, boosting umami, and much more. The heart of this book are Michelle's award-winning primal Paleo recipes, 50 percent of which are brand-new --- even to diehard fans who own her bestselling iPad cookbook app. Readers can start by marrying their favorite ingredients with building blocks like Sriracha Mayonnaise, Louisiana Remoulade, and the infamous Magic Mushroom Powder. These basic recipes lay the foundation for many of the fabulous delights in the rest of the book including Eggplant "Ricotta" Stacks, Crab Louie, and Devils on Horseback. There's something for everyone in this cookbook, from small bites like Apple Chips and Kabalagala (Ugandan plantain fritters) to family-sized platters of Coconut Pineapple "Rice" and Siu Yoke (crispy roast pork belly). Crave exotic spices? You won't be able to resist the fragrant aromas of Fast Pho or Mulligatawny Soup. In the mood for down-home comforts? Make some Yankee Pot Roast or Chicken Nuggets drizzled with Lemon Honey Sauce. When a quick weeknight meal is in order, Nom Nom Paleo can show you how to make Crispy Smashed Chicken or Whole-Roasted Branzini in less than 30 minutes. And for a cold treat on a hot day, nothing beats Paleo-diet-friendly Mocha Popsicles or a two-minute Strawberry Banana Ice Cream. Eating healthy doesn't mean sacrificing flavor. This book gives you "Paleo with personality," and will make you excited to play in the kitchen again.
