Penis Circus Ebury Press

The classic graphic novel - a dark fable of childhood and growing up.

Imaging of the Scrotum & Penis Hachette UK

NEW YORK TIMES BESTSELLER • Ali Wong's heartfelt and hilarious letters to her daughters (the two she put to work while they were still in utero) cover everything they need to know in life, like the unpleasant details of dating, how to be a working mom in a male-dominated profession, and how she trapped their dad. "Knife-sharp . . . a genuine pleasure."—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • Variety • Chicago Tribune • Glamour • New York In her hit Netflix comedy special *Baby Cobra*, an eight-month pregnant Ali Wong resonated so strongly that she even became a popular Halloween costume. Wong told the world her remarkably unfiltered thoughts on marriage, sex, Asian culture, working women, and why you never see new mom comics on stage but you sure see plenty of new dads. The sharp insights and humor are even more personal in this completely original collection. She shares the wisdom she's learned from a life in comedy and reveals stories from her life off

stage, including the brutal single life in New York (i.e. the inevitable confrontation with erectile dysfunction), reconnecting with her roots (and drinking snake blood) in Vietnam, tales of being a wild child growing up in San Francisco, and parenting war stories. Though addressed to her daughters, Ali Wong's letters are absurdly funny, surprisingly moving, and enlightening (and gross) for all. Praise for *Dear Girls* "Fierce, feminist, and packed with funny anecdotes."—Entertainment Weekly "[Wong] spins a volume whose pages simultaneously shock and satisfy. . . . *Dear Girls* is not so much a real-talk handbook as it is a myth-puncturing manifesto."—Vogue "[A] refreshing, hilarious, and honest account of making a career in a male-dominated field, dating, being a mom, growing up, and so much more...Yes, this book is addressed to Wong's daughters, but every reader will find nuggets of wisdom and inspiration and, most important, something to laugh at."—Bustle

The Penis Book Dare You Stamp Company

In a classic work of alternate history, the United States is divided up and ruled by the Axis powers after the defeat of the Allies during World War II. Reissue. Winner of the Hugo Award for Best Novel.

Penis Pokey Prion (GB)

Penis Safari Houghton Mifflin Harcourt

THE HOW-TO BOOK TO END ALL HOW-TO BOOKS! THE PERFECT PRESENT FOR THE MAN WHO HAS EVERYTHING! NOW AT LAST ALL THAT 'DOWN-UNDER FIDDLING' HAS A POINT. 'Outright best show of the Melbourne Comedy Festival. Shocking, ridiculous, hilarious.' THE AGE 'Two men, two dicks, too much spare time.' Mick Molloy 'Just like a John Pilger documentary, but with more

penises.' Tony Martin on 'Tackle Happy', Mick Molloy's film of Pupperty on Tour. FOREWORD BY KATHY LETTE A few years ago, Simon Morley and David Friend began performing their repertoire of 'dick tricks' to friends, with hilarious results. Somehow (how many beers were involved?), they were persuaded to perform in front of strangers in a pub. Before they knew it, they were the hit of the Melbourne Comedy Festival, were touring around outback Australia at grave danger to themselves, and were the high-profile subject of a documentary 'Tackle Happy', directed by comedian Mick Molloy. Word spread. Suddenly they were the hit of the legendary Edinburgh Festival, and were snapped up by producers, who took them to London to star in their own West End show, Pupperty of the Penis. It has been sold out every night and extended indefinitely! Pupperty of the Penis is a mind-blowing cabaret show consisting of Simon and David manipulating their genitals into various shapes, objects and landmarks. Audiences gasp in amazement at The Hamburger, cheer at the Mollusc, are awed by Uluru, coo at the Babybird, as a camera and large screen enables intricate detail of these truly classic installations. With a triumphant Australian tour slated for early 2001, the time is ripe for Pupperty of the Penis: The Book. It will feature photographs of Simon and David's most impressive installations accompanied by illustrations and text demonstrating how to perform the trick in the comfort of your own home or surrounded by close friends, bathed in the glow from the barbie. Australian males (nor their supportive and caring spouses) will never be bored again!

John Dies at the End Quirk Books

Ah, the trusty penis. The cock, knob, widgie, pink python, groin bollard - call it what you will, this is one part of the male anatomy that never ceases to provide endless fascination and frequently mirth. Half the population have one and the other half, so Freud would have us believe, would like to. And yet still our flaccid friend is so often misunderstood. The Penis Book seeks to redress the balance, exposing all (quite literally) there is to know about the honourable member. Throbbing with facts, figures, photos and illustrations, the book leaves no foreskin unturned in its quest to bring you the low-down on its subject. Told with wit, vim and lashings of wicked humour, even the most prudish won't be able to resist raising a smile (and perhaps something else). The Penis Book is a celebration of the male member in all its purple-helmeted glory. So whether you're male or female, straight or

gay, you'll find something in here to titillate and stimulate...

The Small Penis Bible Penguin

Twenty-first century media has increasingly turned to provocative sexual content to generate buzz and stand out within a glut of programming. New distribution technologies enable and amplify these provocations, and encourage the branding of media creators as "provocateurs" known for challenging sexual conventions and representational norms. While such strategies may at times be no more than a profitable lure, the most probing and powerful instances of sexual provocation serve to illuminate, question, and transform our understanding of sex and sexuality. In *Provocateurs and Provocations*, award-winning author Maria San Filippo looks at the provocative in films, television series, web series and videos, entertainment industry publicity materials, and social media discourses and explores its potential to create alternative, even radical ways of screening sex. Throughout this edgy volume, San Filippo reassesses troubling texts and divisive figures, examining controversial strategies—from "real sex" scenes to scandalous marketing campaigns to full-frontal nudity—to reveal the critical role that sexual provocation plays as an authorial signature and promotional strategy within the contemporary media landscape.

Chase Me, Comrade! Dare You Stamp Company

From the four hooked knife penis of the llanos mosquitofish, to the twenty-seven nipple-ed shrewish short-tailed opossum, mother nature has provided some unique genitals. If you are the kind of person who loves to learn, take a tour of the animal kingdoms most impressive dongos, see its multiple vagina-ed animals, and really understand its hermaphroditic penis fencing slugs. This book contains fifty highly educational and scientific examples (with comics) of nature's most interesting penises, vaginas, and sex facts - which makes it perfect for sharing with friends and family at your next dinner party.

The Animal Penis Book Alison Green Books

WINNER OF THE NATIONAL BOOK CRITICS CIRCLE AWARD
WINNER OF THE PEN/FAULKNER AWARD NEW YORK TIMES
BESTSELLER In 1864, Union general William Tecumseh Sherman marched his sixty thousand troops through Georgia to the sea, and then up into the Carolinas. The army fought off Confederate forces, demolished cities, and accumulated a borne-along population of freed blacks and white refugees until all that

remained was the dangerous transient life of the dispossessed and the triumphant. In E. L. Doctorow's hands the great march becomes a floating world, a nomadic consciousness, and an unforgettable reading experience with awesome relevance to our own times.

Pupperty of the Penis Lulu.com

A few years ago, Simon Morley and David Friend began performing their repertoire of dick tricks' live onstage in Melbourne. After a hit first season at the 1998 Melbourne Comedy Festival, they embarked on a national tour, which took eight months, covered 20,000 kilometres and was captured in all its glory in the documentary 'Tackle Happy'. Receiving overwhelming critical acclaim at the 2000 Edinburgh Festival, Pupperty of the Penis was a sell-out West End hit in London, and took New York and North America by storm in 2001. The show now continues to travel the world, liberating and entrancing its audiences, having now been performed in 3 languages, in over 30 countries, by over 60 Puppeteers trained up by the masters. Simon and David officially now have the "most famous, flaccid penises on earth". Now, for the first time, the secrets of the Ancient Australian Art of Genital Origami are revealed. Marvel at the Atomic Mushroom; be blown away by the Windsurfer; coo at the Baby Bird; be amazed by the Hamburger. This user's guide to an age-old art is a book that every man should study - and every woman should learn from.

The Sex Thieves Random House Trade Paperbacks

Color away the false binaries between male and female, words and text, inside and outside, art and nature. As you meditate on the sameness and difference of the vulvas on each page, you will grow to question your interpellation into dominant systems of knowledge. By overwhelming the senses with vulvas, you will interrogate the meaning and very existence of this social construct we call the 'vulva' and the instructions for living that come with it. No longer must vulvas be either crudely objectified or shrouded in mystery! All hail the vulva! The vulva hails you!

The Penis Book Anchor

Describes how the ventriloquist overcame an abusive childhood and years as a struggling entertainer to pursue his dreams and, after winning "America's Got Talent," has gone on to have a

successful career in television and Las Vegas.

Let's Pretend This Never Happened National Geographic Books
Revised and restructured, this second edition of *Modern Art* traces the historical and contemporary contexts for understanding modern art movements, and the theories that influenced and attempted to explain them. Its radical approach foregoes the chronological approach to art movements in favour of looking at the ways in which art has been understood. The editors investigate the main developments in art interpretation and draw examples from a wide range of genres including painting, sculpture, photography, installation and performance art. This second edition has been fully updated to include many more

examples of recent art practice, as well as an expanded glossary and comprehensive marginal notes providing definitions of key terms. Extensively illustrated with a wide range of visual examples, *Modern Art* is the essential textbook for students of art history.

Little Penis Santa Claus Bloomsbury Publishing

Ben Thomas made a mistake. A one-night stand with Natasha Peters has got her pregnant. Now he has two options: give up on his dream as a comedian and get a day job or abandon his responsibility and be a total dick. Only when Tash tells the full truth does a third possibility emerge...
