Blending science fiction and dark fantasy, this monumental Victorian thriller is a dazzling feast for the senses: an action-packed roller-coaster ride of suspense, betrayal, and richly fevered dreams. It starts with a simple note. Roger Bascombe regretfully wishes to inform Celeste Temple that their engagement is forthwith terminated. Determined to find out why, Miss Temple takes the first step in a journey that will propel her into a dizzyingly seductive, utterly shocking world beyond her imagining. Nothing could have prepared Miss Temple for the things she would find behind the closed doors of forbidding Harschmort Manor: men and women in provocative disguise, acts of licentiousness and violence, heroism and awakening. But she will also find two allies: Cardinal Chang, a brutal assassin with the heart of a poet, and a royal doctor named Svenson, at once fumbling and heroic--both of whom, like her, lost someone at Harschmort Manor. As the unlikely trio search for answers, hurtling them from elegant brothels to gaslit alleyways to shocking moments of self-discovery, they are confronted by puzzles within puzzles. And the closer they get to the truth, the more their lives are in danger. For the conspiracy they face--an astonishing alchemy of science, perverted religion, and lust for power--is so terrifying as to be beyond belief. Praise for *The Glass Books of the Dream Eaters* "The most original thing I've read in years: deftly executed, relentlessly inventive, and with a trio of the most unusual and engaging heroes who ever took on a sinister cabal out to rule the world by means of sex and dreams."--Diana Gabaldon "A tale that combines swashbuckling adventure, a big dose of science fiction and burgeoning romance."--USA Today "Rich . . . studded with treats . . . beautifully written."--Entertainment Weekly "Sweeping, highly original and absorbing . . . defies categorization."--The Dallas Morning News

Part two of the literary sci-fi thriller follows a boy and a girl who are caught in a warring town where thoughts can be heard - and secrets are never safe. Reaching the end of their flight in *The Knife of Never Letting Go*, Todd and Viola did not find healing and hope in Haven. They found instead their worst enemy, Mayor Prentiss, waiting to welcome them to New Prentisstown. There they are forced into separate lives: Todd to prison, and Viola to a house of healing where her wounds are treated. Soon Viola is swept into the ruthless activities of the Answer, while Todd faces impossible choices when forced to join the mayor's oppressive new regime. In alternating narratives the two struggle to reconcile their own dubious actions with their deepest beliefs. Torn by confusion and compromise, suspicion and betrayal, can their trust in each other possibly survive?

NEW YORK TIMES BESTSELLER • A TODAY SHOW #ReadWithJenna BOOK CLUB PICK • The unforgettable story of a daredevil female aviator determined to chart her own course in life, at any cost: an "epic trip--through Prohibition and World War II, from Montana to London to present-day Hollywood--and you'll relish every minute" (People). After being rescued as infants from a sinking ocean liner in 1914, Marian and Jamie Graves are raised by their dissolute uncle in Missoula, Montana. There--after encountering a pair of barnstorming pilots passing through town in beat-up biplanes--Marian commences her lifelong love affair with flight. At fourteen she drops out of school and finds an unexpected and dangerous patron in a wealthy bootlegger who provides a plane and subsidizes her lessons, an arrangement that will haunt her for the rest of her life, even as it allows her to fulfill her destiny: circumnavigating the globe by flying over the North and South Poles. A century later, Hadley Baxter is cast to play Marian in a film that centers on Marian's disappearance in Antarctica. Vibrant, canny, disgusted with the claustrophobia of Hollywood, Hadley is eager to redefine herself after a romantic film franchise has imprisoned her in the grip of cult celebrity. Her immersion into the character of Marian unfolds, thrillingly, alongside Marian's own story, as the two women's fates--and their hunger for self-determination in vastly different geographies and times--collide. Epic and emotional, meticulously researched and gloriously told, *Great Circle* is a monumental work of art, and a tremendous leap forward for the prodigiously gifted Maggie Shipstead.

A comedy for our times" (The Guardian), Middle England is a piercing and provocative novel about a country in crisis. From the frenzy of the 2012 Olympics to the aftermath of the Brexit referendum,

here Jonathan Coe chronicles the story of modern Britain by way of a cast of characters whose world is being upended. There are newlyweds who disagree about the country's future and, possibly, their relationship; a political commentator who writes impassioned columns about austerity from his lavish town house while his radical teenage daughter undertakes a relentless quest for universal justice; and Benjamin Trotter, who embarks on an apparently doomed new career in middle age, and his father, whose last wish is to vote to leave the European Union. A sequel to *The Rotters' Club* and *The Closed Circle* that stands entirely alone, Middle England is a darkly comic look at our strange new world.
