NATIONAL BESTSELLER • The #1 bestselling author of On Fire shows us how to recapture and harness our childlike sense of wonder in order to become more engaged, successful, and fulfilled. "Engaging . . . O'Leary encourages us to see the world through a child's eyes."—Mitch Albom, author of Tuesdays with Morrie There once was a time when we joyfully raised our hands to answer questions, connected easily with others, believed that anything was possible, and fearlessly jumped into new experiences. A time when we viewed each day not as

something to endure, but as a marvelous gift to explore and savor—when we danced through our lives in awe of the ordinary moments and eager for the promise of tomorrow. Unfortunately, that's far from our experience today. Instead, we feel disconnected and jaded. Social media reminds us that we don't measure up, and the mainstream media barrages us with constant negativity. Many of us find ourselves caught in a life of dogged responsibility and mind-numbing repetition. The daily struggle to earn a living has caused us to lose the sense of wonder with which we once greeted every day. In his new book, bestselling author John O'Leary invites us to consider that it is possible to once again navigate the world as a child does. Identifying five senses children innately possess and that we've lost touch with as we age, O'Leary shares emotional, humorous, and inspirational stories intertwined with fascinating new research showing how each of us can reclaim our childlike joy, and why doing so will change how we interact with the world. In *Awe* reveals how we can regain that ability to see fresh insights, reach for new solutions, and live

our best lives.

Ken sinks into depression, and the couple finds themselves on parallel tracks in life, married and living under the same roof but drifting apart emotionally. But as they fight for their marriage and find their way through the mazes of depression and pain, they wrap their two lives around their rock—Jesus. During Ken's denial of Joni's diagnosis, and Joni's thoughts of how wonderful a quick exit to heaven would be, they experience a personal visitation with the savior you will never forget.

Your guide to giving your child with special needs love, roots, & wings "You may lack limbs, but don't let that define what you can or can't do." That's the life-changing advice Boris Vujicic spoke to his son, Nick, who was born without arms or legs. With the help of his parents, Nick has become an internationally known inspirational speaker, a best-selling author, the founder of the nonprofit organization Life Without Limbs and, most importantly, a loving and responsible husband and father himself. But Nick's journey didn't start there. *Raising the Perfectly Imperfect Child* is the inspiring, powerfully transparent story of how two unprepared and overwhelmed parents--Boris and Dushka Vujicic--overcame their grief, fears, and badly shaken faith to raise such an accomplished, faith-filled, and perfectly imperfect son. Through their stories, Boris offers practical advice and encouragement for all parents facing a "new normal" when raising a child with special needs or unique challenges. With tenderness, he addresses the spiritual, emotional, and financial challenges, and offers insights on how to equip a child for happiness and success in life. "I highly recommend *Raising the*

What people need today when they and

society at large are in social and economic distress is great advice and spiritual support that is easy to access. 64 Lessons- informed by two of Bishop Jakes' bestselling titles, *Reposition Yourself* and *Making Great Decisions*- is a ready-reference book of advice to keep readers on course in managing their careers, relationships, health, home and spiritual well-being. The 64 lessons explore ideas like: 1. Good choices begin with research; 2. Quitting can be good, at the right time; 3. Begin before 'need' arises; 4. Regret can be the begging of triumph over adversity. For instance, we've all been told that quitters never win. But, there IS a time to quit, whether it's your job, marriage, church or project. The biggest problem with quitting is the timing. Quitting too soon may mean that you relinquish your dreams. Get comfortable with change. Even after you've repositioned yourself, change is constant. You may need to quit something in order to make room for the next season of your life. Before you quit anything, look within and determine your real motives. Revisit the longings deep in your heart. Get a clear perspective on what you're releasing

and what your taking hold of. Examine your prior choices and consider what you've 'quit' in the past. This honest self-examination will prepare you for a new beginning.
