The poems attributed to Omar Khayyam have a universal and timeless philosophical theme: life is a meaningful journey even if brief and uncertain. They inspire an unconstrained free-thinking mindset and a wise realization that guides thinking persons: it is impossible to see the absolute truth, as the universe has its own reality that remains largely hidden, and that one must think and act accordingly. This book presents a selection of Khayyam's poems in their

original Persian language along with their English translations in a faithful and modern version. By relying only on the original Persian version of Khayyam's poems, and using the author's own body of literary and linguistic knowledge, this book presents a modern translation of Omar Khayyam's poems since Edward Fitzgerald's *Rubaiyat* in 1859. Library, St. James Square, London John Wiley & Sons Questa raccolta di poesie e di racconti popolari anonimi in dialetto molisano tracciano il percorso di due storie che, pur diversificate, si compenetrano e si completano a vicenda: la storia individuale dell'autore e la storia collettiva della società di un paese del Sud. Le immagini di un mondo apparentemente immobile e arcaico si alternano alle vicende di una realtà storica complessa e tormentata, nel cui

magma vecchio e nuovo si scontrano e si fondono. This collection of poems and anonymous folktales in the Molisan dialect traces the unfolding of two stories which, although distinct, interweave and complete each other: the author's individual story and the story of a town in the South of Italy. The images of an apparently immobile and archaic world alternate with the events of a complex and tormented historical reality, in whose magma the new and the old clash

and fuse." *Dialect Poetry of Southern Italy* Timber Press (OR) This original and multidimensional book brings a refreshing new approach to the study of the arts of the Middle East. By dealing in one volume with dance, music, painting, and cinema, as experienced and practiced not only within the Middle East but also abroad, *Images of Enchantment* breaks down the artificial distinctions--of form, geography, 'high' and 'low' art, performer and

artist--that are so often used to delineate the subjects and processes of Middle Eastern artistic culture. The eighteen essays in this book cover themes as diverse as Bedouin dance, the music of Arab Americans, cinema in Egypt and Iran, Hollywood representations of the Middle East, and contemporary Sudanese painting. The contributions come from scholars and critics and from the artists themselves. Together, they present a wide-

ranging and holistic view of the arts in their social, political, anthropological, and gender contexts.  Pamela Gillilan was born in London in 1918, married in 1948 and moved to Cornwall in 1951. When she sat down to write her poem Come Away after the death of her husband David, she had written no poems for a quarter of a century. Then came a sequence of incredibly moving elegies.

Other poems followed, and two years after starting to write again, she won the Cheltenham Festival poetry competition. Her first collection That Winter (Bloodaxe, 1986) was shortlisted for the Commonwealth Poetry Prize.

Synge was the victim of a cruel paradox: those who loved his works knew no Irish and those who loved Irish despised his works. This book aims to show that Synge's command of Irish was extensive and that this knowledge proved invaluable in the writing of his major plays.
