"My Dear, Love Hasn't Forgotten You" is Carolyn Riker's third, full-length book of poetry and prose. This poetry book invites you to dream. There are four sections that melt into each other with ease. Carolyn's poetry is not ordinary and rarely follows the rules; instead, she becomes a stream of consciousness. "When we are river-like we flow. Nature connects us and grounds us with a love that will never forget us." In addition to those sentiments, Carolyn doesn't hold back with emotions. She

wears them on her sleeve and dreams with them and you will become a part of this mystical mystery. "My Dear, Love Hasn't Forgotten You" is full, real, kind, deep, spiritual, caring and poetic. You will find yourself tantalized and hopefully, it'll spark your own imagination's creative juices.

Worlds of You Independently Published
This is a literary book of poems and prose to enhance doers and thinkers too see how you can perceive your life through love. Love is the chief cornerstone of all things known and unknown. Knowingly, with love, life (your present life), can blossom into beauty, joy, creativity, art, form, substance, and a myriad of personal

experiences that can be felt and appreciated during your lifetime. As a man of African and Native American decent, I wanted gather all the text(s) of the downtrodden American citizen and literally find an answer and a solution worth it's weight in gold. That, my friend, is the vortex of inner love. By first loving yourself and using love as your conscious inner vortex, any person, especially the black man in America can use this solution in his life to tell a new story. My late spouse of twenty-eight (28) years, Remelle Lumpkins, ask; "why can't a black man tell a personal life occurrence without playing on the ills of the American society against him." My confession and personal thrust into well being as a citizen of America is to infuse love into all the changes of the downtrodden motif and now speak about the wonderful book of poems and prose called, "Multidimensional Love." As you will see with my poetic life, living in the present with love has a value more precious than gold. PEACE. Charles Lumpkins author of "Multidimensional Love"

"Every time I can't sleep I lay in bed

tossing and turning. I think of what you said to me: Sometimes the world won't stop turning, even if you ask it to. Sometimes you have to love it, even when it's hard to. So, on nights like these I think of you and your easy smile. The world is cold and hard, and that smile is my hearth." This collection of poetry and prose has movement of its own. There is honesty and fluidity in its language. The interruption of journal entries adds to the conversation of and with poetry. In all it is a story - a poetic journey about finding love within one's self and the people who inspire. R YS Perez is an indie poet located in NYC, born and raised, where she is attending college and working as a writing tutor. Her aim is to teach English at underprivileged high schools in the inner city. This is her first publication as a poet and writer.

I Hope You Fall in Love Andrews Mcmeel+ORM

"As was the case with the book the preceded this one, *Love, Poetry, Prose and the Facts of Life*, this book continues to chronicle my journey through life and brings to light some of the good times, as well as some of the not-so-good times, I

have experienced in the more than half-century of living with which I have been blessed. It once again speaks of some missteps I have taken in growing and maturing, but I can truthfully say I have learned and profited from these missteps. It speaks of lost love and the pain I have caused, as well as the pain I have endured because of some love--all part of the life we live."--Page 4 of cover.

To Love and to be Loved W.H. Allen
In his poetry Gerard Manley Hopkins (1844-89) sought to discover afresh the potentialities of language, and to that end developed his idiosyncratic theories of instress, inscape and sprung rhythm. Hopkins's verse is also informed by his religious beliefs; having converted to the Roman Catholic Church in 1866, he became a Jesuit priest eleven years later. However, his poetry is free from a sense of religious dogma, and instead offers a whole hearted involvement with all aspects of life, a love of nature and a search for a unifying sacramental view of creation. His best known poems include 'The Wreck of the Deutschland', 'The Windhover', 'Pied Beauty', 'Spring and Fall', 'Carrion Comfort' and 'Harry

Ploughman'.

Every heart deserves a voice. From the jungles of Cambodia and a chance encounter with a local medicine woman comes *Be(loved)*, poet Dakota Adan's debut collection of poems, tracing the epic question of what it means to be loved. Hailed as "an essential book for those seeking self-love," this heartfelt anthology lends voice to the heartbreak and healing of our soul's quest to reunite with whom we always hoped we could be—ourselves.

A Life of Love Xlibris Corporation

Remember that one love, the one that didn't make any sense, yet it made all the sense in the world? The one that defied all odds; came crashing into your world in the most unsuspecting way, and before you knew it, it had vanished... but not without first leaving permanent marks? This book is dedicated to that one. That one love that begs of us to hold onto it. To write poetry inspired by in. To create art, in remembrance of it. To keep it close to our heart, and etched into our soul. That love. *Love in Other Realms*.

Love Between Sinners GPF BX

A universal narrative on the significance of

distance with love; remember to hold on to what you believe in. Ideal for those "whose love knows no bounds," *The Space Between Us* is full of profound anecdotes and messages, illustrating the courage and heartache of enduring physical distance. *The Space Between Us* explores the trials of love and what it's like to live a life separated by distance from someone you care about. Its content is thoughtfully divided into five chapters, or phases, of the long-distance experience: *At First Glance* *Living for Tomorrow* *Lonely Nights* *Grow Together/Grow Apart* *When I See You*. A combination of poems and prose are sporadically connected with small graphics and maps to visualize the journey of physical distance. These poems serve as an adhesive between the reader and the ones they miss, the longing, the anticipation, and the eventual relief. Though both authors bring with them a unique perspective, the lens is singular; each is attuned to navigating this complex terrain.

Love and Longing Andrews McMeel

An engaging and authoritative introduction to an increasingly important and popular

literary genre Prose Poetry is the first book of its kind—an engaging and authoritative introduction to the history, development, and features of English-language prose poetry, an increasingly important and popular literary form that is still too little understood and appreciated. Poets and scholars Paul Hetherington and Cassandra Atherton introduce prose poetry's key characteristics, chart its evolution from the nineteenth century to the present, and discuss many historical and contemporary prose poems that both demonstrate their great diversity around the Anglophone world and show why they represent some of today's most inventive writing. A prose poem looks like prose but reads like poetry: it lacks the line breaks of other poetic forms but employs poetic techniques, such as internal rhyme, repetition, and compression. Prose Poetry explains how this form opens new spaces for writers to create riveting works that reshape the resources of prose while redefining the poetic. Discussing prose poetry's precursors, including William Wordsworth and Walt Whitman, and prose poets such as Charles Simic, Russell Edson, Lydia Davis, and Claudia Rankine,

the book pays equal attention to male and female prose poets, documenting women's essential but frequently unacknowledged contributions to the genre. Revealing how prose poetry tests boundaries and challenges conventions to open up new imaginative vistas, this is an essential book for all readers, students, teachers, and writers of prose poetry.

Love Poems to God is a collection of poetry and prose about complete dependence on God in the darkness and light of life experiences. The book encourages us to lay down our burdens onto God because we cannot handle them alone. The book is divided into three chapters: Dark, Dawn, and Light. Each chapter evokes a different emotion; however, there is an undercurrent of hope that permeates the entire collection as readers journey from the darkness, reflect, and emerge stronger than ever as they awaken in the dawn. The collection provides healing to the reader as they drown out the voices of discouragement and despair and reflect on the consistency

of God in all of life's events, realizing it's all a blessing. All of it.

Simple yet stunning love poems by Kamand, the young writer who has captured the hearts and minds of thousands all over social media. Inspired by the great Mystic poets of the East and the great Romantic poets of the West, *The Eternal Dance* is a collection of poetry and prose that explores the seven different states of love: Attraction and Infatuation, Devotion and Obsession, Heartbreak,

Enchantment, Love, Understanding, and Unity. "I have given it much thought. There seems to be only one explanation for why we are here. Why our souls choose to incarnate as mortals only to suffer for a hundred years over and over again. I now understand we were once angels who chose to manifest as humans in order to experience the imperfect and tempestuous human love. So you see, if angels couldn't refuse love then who am I to refuse you? And so, I yield. I surrender to this. Our eternal dance."
