Every person has experienced a moment that changed them forever. Whether it was positive or negative, when it happened, you were never the same as you were just one second before. The Forever Haze of After is the realm you enter after that moment. Hilary Marsh takes readers on a journey through her life-changing moments-the moments that transported her into her "afters." From her parents' tumultuous divorce to finding out, after years of a turbulent relationship with her dad, that he actually was not her dad. From losing a close friend in a tragic accident to finding a best friend. Through her relationship with a man she's loved since she was 12, sticking by him through years of a deadly heroin and alcohol addiction, until his eventual recovery and beyond. At 30 years old, after a 10-year quest to find her biological father, she found not only him, but discovered EIGHT siblings as well. This is her story of resilience, strength, and companionship while navigating her afters.

He's Pink, the personal enforcer for the boss of the New York mafia. She's Gigi Rey, a supermodel known across the globe. They live two entirely different lives but before the mob and the fame, they were Lev Arsov and Gigi Parker. Two people struggling

to make it—who met by chance—before life got in the way. Five years have passed since the nights they shared together, but Fashion Week brings Gigi back to New York and straight into Lev's path once more, when her work obligations tangles with the mafia's business. In this world, that's never a good thing. They aren't the same people now. He's a single dad doing whatever he can for his daughter. Gigi can't walk down the street without the world watching. A lot has changed. The one thing that didn't? How they keep finding their way into each other's heads ... and beds. If only it was that simple. If only the tabloids didn't back them into a wall. If only they saw it coming. If only they could go back to the time before he was ... Pink. If only.

MICHAEL LANDON: THE CAREER AND ARTISTRY OF A TELEVISION GENIUS Imprint

It was impulsive of me, I know, to go out on a limb and write what I did in that postcard after only two dates with Carla. At the time, however, something inside told me that she was the one. But could I trust that little voice inside? If anything, I should have

distrusted it, for I'd only recently broken up with my high school sweetheart. So what did that little voice and I really know? // Can we trust that voice inside that tells us he or she is the one? // Carla far exceeded anyone I had imagined would come my way. Spring term had just ended for us at the university we attended when she left to work at a camp for the summer. I can have a pretty one-track mind and so using a blank postcard that a friend of mine had brought back from a recent trip of his to Hawaii, I jotted a note to Carla along with the cryptic note "82884WWBTAOWD" tucked away in the bottom right-hand corner. It looked like a postal code, and no one but me knew that it stood for "We will be there after our wedding day: 8/28/84." Inside I was sure I knew what I wanted, but outside there wasn't a chance I would let anyone know. As much as I was drawn to a life together with Carla, I didn't yet want her to know it! That was pretty bold of me (or maybe psycho), considering it was three years prior to my projected Hawaiian honeymoon.1 But I was so smitten by Carla I could have penned the note with my own testosterone. Rereading that postcard today you can tell that we didn't know each other all that well, but every encounter I'd had with Carla (all two of them!) left me more captivated by this woman. One of those meetings was at "Rock n' Roll," one of those crazy guy-girl college functions at a skating rink, where the small group Carla was leading and the group of guys that grabbed me decided to gather. Truth be told, I had looked forward to skating in circles about as much as being chained in front of the home decorating channel. But like most hot-blooded college males, at the time I was willing to make an exception if the prospect of picking up a great woman was involved. As a joke, the DJ played one of those junior high "couples only" songs. It was at that point I realized Carla was the one. Not really the one to marry--just the one to ask to skate. My heart was racing as I built up courage to ask Carla. As trite and cheesy as that may sound, my hands sweat more than an evangelist at a summer tent revival when I'm nervous. So for me to ask Carla--whom I didn't really know--to skate with me while holding my sweat-slippery hands took some big-time courage. (Don't laugh. All of us have personal insecurities held over from 7th grade.) I didn't want to gross her out, but I also didn't want to let the opportunity slip by, because in the vernacular of the early 1980's Carla was what my friends and I called a "godly fox." What a stupid phrase. At the

time, however, that saying was "off the hook." Carla had me "crazier than a mug," another phrase with the shelf life of about a month. And though the way we say it changes more often than a university freshman changes majors, the experience down through the centuries remains the same: I soon fully believed Carla was the one. She was the most beautiful, most Christ-centered, most amazing woman I had ever met. Put bluntly, I was deeply infatuated with her. Married people often tell singles in that twitter-pated state of mind I was in that spring, "You'll know whether she's the one." "But how?" you naturally ask when you begin getting serious. "Oh, you'll just know." "But how?!" you may think. Often, no one will give you a better answer than "You just know that you know," another stupid phrase that needs to go out with 1980's parachute pants. Yet in spite of all I didn't know then, and as presumptuous as my hidden Hawaiian love note was, Carla entered my life somehow as an answer to a question my heart had been asking for years. Something clicked in me when I met her, and I knew that if she was not the girl I would marry, then my future wife would probably be someone an awful lot like her. That much I already knew. If only "knowing that you know" were easier. But that's precisely the point, we think. Knowing whether she or he is the one isn't easy for a reason. It's difficult because the journey God is leading you on is one that will search you to the core. "Knowing that you know" isn't as simple as browsing the Internet to match your online personality profile with some pre-selected mate. Instead it's a journey that will challenge your faith, deepen your trust, and refine who you are in the process. You see, this journey isn't only about seeking a yes or no answer to marriage. It's about something much larger, where God's Spirit mysteriously touches our lives and we find God wooing us through our search to "know that we know" into a relationship with Him more beautiful than the very thing you're seeking by picking up this book. That journey is what this book is all about.

Included are details of his numerous guest star appearances, his accomplishments as a director, as well as an examination of every episode he wrote for *Bonanza*, *Little House on the Prairie* and *Highway to Heaven*. Illustrated with publicity and production stills, and featuring a foreword written by his wife, Cindy Landon. "I am grateful that one of Michael's greatest admirers has devoted an entire book to a serious study of his productions, and I hope readers will appreciate David Greenland's efforts as much as I do." -- Cindy Landon "MICHAEL LANDON: THE CAREER AND ARTISTRY OF A TELEVISION GENIUS quickly covers Landon's early life and initial screen career before author David Greenland (respected author of *BONANZA VIEWER'S GUIDE* and *GUNSMOKE CHRONICLES*) launches into a lengthy and glowing dissertation of the 330 hours of TV programming Michael produced ("*Bonanza*", "*Little House on the Prairie*", "*Highway to Heaven*", TV movies). "With an IQ of 159 Landon was an authentic genius and he used that gift to make discoveries where no one else thought looking," writes Greenland. "Michael was concerned with making this world a better place and shared his vision with us for over three decades. Recognizing and celebrating the filmed legacy he left behind is the purpose of this book." Foreword by Cindy Landon. Well done, David." - Western Clippings

**Forever After** Simon and Schuster

This collection analyzes twenty-first-century American television programs that employ temporal and narrative experimentation. These shows play with time, slowing it down to unfold narrative

through time retardation and compression. They disrupt the chronological flow of time itself, using flashbacks and insisting that viewers be able to situate themselves in both the present and the past narrative threads. Although temporal play has existed on the small screen prior to the new millennium, never before has narrative time been so freely adapted in mainstream television. The essayists offer explanations for not only the frequency of time-play in contemporary programming, but also the implications of its sometimes disorienting presence. Drawing upon the fields of cultural studies, television scholarship, and literary studies, as well as overarching theories concerning postmodernity and narratology, *Time in Television Narrative* offers some critical suggestions. The increasing number of television programs concerned with time may stem from any and all of the following: recent scientific approaches to quantum physics and temporality; new conceptions of history and post history; or trends in late-capitalistic production and consumption, in the new culture of instantaneity, or in the recent trauma culture amplified after the September 11 attacks. In short, these televisual time experiments may very well be an aesthetic response to the climate from which they derive. These essays analyze both ends of this continuum and also attend to another crucial variable: the television viewer watching this new temporal play.

Running Dogs and Rose's Children tell the story of how Eric and wife Jenny are plunged into parenthood after adopting three siblings aged eleven, five and one after their mother died of cancer. The new family set about starting over, building a family life together from scratch, in their rambling farmhouse outside Harare, Zimbabwe. Their story was on course for a happily ever after ending, until their lives and the lives of those around them were destroyed by Robert Mugabe's war of terror, unleashed on white farmers and opposition party members, launching an era of economic, social and political turmoil which eventually saw the

family fleeing the country for fear of being killed. Eric's fierce love of his country and his principles saw him immersing himself in the dangerous opposition politics of the day where elections were rigged, and fellow party members were tortured and murdered. Somehow Eric de Jong's irrepressible sense of humour bubbles throughout this absorbing, honest and deeply personal account of a growing family, of love, entrepreneurial success and failure, mental illness, political exile, and the distressing and often absurd collapse of a beautiful African country and stoicism of its people. *Pink* Samuel French, Inc.

Rosellen Brown's long-awaited novel is the extraordinary story of a family's struggle to survive the throes of tragedy. Set in the small town of Hyland, the backdrop for Brown's *Tender Mercies*, *Before and After* centers on Carolyn and Ben Reiser and their two children, Judith and Jacob, who have moved to New England for the comforts of rural life. Carolyn is a pediatrician who devotes her time and energy to making young lives painless and healthy. Ben is a sculptor whose imagination works overtime, yielding strange creatures of benevolent, almost totemic significance. Jacob is their seventeen-year-old son, whose shyness conceals darker impulses he keeps hidden from his parents. And Judith is his unforgettable sister, puzzled by her brother's secrecy and sexual preoccupations, suspicious of his suppressed anger. When the chief of police comes looking for Jacob one evening to question him about the bludgeoning to death of his teenage girlfriend, the Reisers' lives are changed forever. *Before and After* is the compelling drama of the search for Jacob, his capture, and

the chain of events set in motion by a brutal crime of passion. It's a story that pits parent against parent, brother against sister, family against community, blood loyalty against the law. With a flawless ear for dialogue and a profound understanding of character and motive, Rosellen Brown has given us a heart-wrenching novel that questions the very nature of violence in our society and our ability to ever really know our children. Beautifully written, compassionate and wise, *Before and After* confirms Rosellen Brown's reputation as a writer who "can do anything with language . . . She can engender and render five emotionssimultaneously, and throw over a whole novel a skein of sureness and sympathy" (Cynthia Ozick).

Ever, I don't know who I am anymore. I'm a castaway. Lost. Drowning. I love you. That's the only true thing I know, and it's all I have to hold on to. I love you. I'll love you forever. Until the day I die, and I'll love you in whatever world comes after this one. I love you so much, Ever. I miss you. Dear Jesus, I miss you. Come back to me. *Brainwashing: Devil's Game*: this novel is from the author's knowledge of life and death, truth and lies, good and evil, rich and poor, health and sickness, user and abuser, give and take, worshipping right or wrong, religions, cult's government, organizations, people misleading people. The devil is a force that man does not understand and has no idea how he works; he is a magician, a puppeteer, and most of all, a deceiver to man and God, the foe of Christ, battling God/Jesus for His kingdom. This book uncovers the lies of man to man by Satan, from many visions, from the vision of prophets given to man from the word of God in Jesus, and visions from Giovanni's dreams. For some people, this book is fiction, no truth; the message is scribed from biblical events, for those who believe in the Christ, the people of God will be celebrating, for the other is a nightmare with and terrorizing end for mankind. The search and study have been tiring and a fight with the devil day and night with results of exhaustion by rereading the Bible, reading and extracting information from the Torah and the Quran. For all people, read and study the Bible to understand this novel, for the will of man is service for Satan. Man needs to be alert and strong in the faith... "I am coming soon." Crist claimed this truth to mankind...
