The Message of Amos Tyndale House Publishers, Inc.

American Christians today, says Michael Barram, have a significant blind spot when it comes to economic matters in the Bible. In this book Barram reads biblical texts related to matters of money, wealth, and poverty through a missional lens, showing how they function to transform our economic reasoning. Barram searches for insight into God's purposes for economic justice by exploring what it might look like to think and act in life-giving ways in the face of contemporary economic orthodoxies. The Bible repeatedly tells us how to treat the poor and marginalized, Barram says, and faithful Christians cannot but reflect carefully and concretely on such concerns. Written in an accessible style, this biblically rooted study reflects years of research and teaching on social and economic justice in the Bible and will prove useful for lay readers, preachers, teachers, students, and scholars.

The Seventh Chapter of the Prophet Amos, Translated and Explained by Aaron Pick Faithbuilders Book 4 in the 5-book biblical historical fiction series by the New York Times bestselling author of Redeeming Love and A Voice in the Wind. A man of solitude, who felt at home among the hills. A man of conviction, who heard when God called. A man of fortitude, who spoke to a nation willing to listen. The Israelites rebelled against God and were devoured by war. But first, they were warned by Amos, a prophet who refused to turn away. Be challenged by this faithful man whose story we must never forget. The Prophet is the story of Amos and book four in the popular Sons of Encouragement series about five men who quietly changed eternity. This novella includes an in-depth Bible study perfect for personal reflection or group discussion.

The Prophet Westminster John Knox Press

This resource is a concise and updated version of Coogan's 'The Old Testament'. It takes a historical and literary approach to exploring the Hebrew Bible. It begins with two introductory chapters, in order to give students the preliminary background necessary to prepare for analysis of the biblical texts 'in context'.

Joel and Amos Hermeneia: A Critical & Histor

Since its first publication in 1970, this book has established itself as a popular, useful text in Bible colleges and seminaries. The usefulness of the book has been increased by the addition of a chapter on the Inter-testamental Period.

Amos/Hosea/Micah Harper Collins

In this commentary on the book of Amos, Daniel Carroll combines a detailed reading of the Hebrew text with attention to its historical background and current relevance. What makes this volume unique is its special attention to Amos's literary features and what they reveal about the book's theology and composition. Instead of reconstructing a hypothetical redactional history, this commentary offers a close reading of the canonical form against the backdrop of the eighth century BCE.

The Composition and Redaction of the Book of Amos Tyndale House Publishers, Inc.

Evidence Unseen is the most accessible and careful though through response to most current attacks against the Christian worldview.

Amos--the Prophet and His Oracles New Paradigm Pub.

Francine analyzes Amos' life and his relationship with Israel during a time of prosperity. Due to his message and his relationship with God, Amos never enjoyed popularity. The way the he confronted those who were enjoying the blessings of prosperity made a great impact on that time and has a surprise message for us today.

Der Prophet Bloomsbury Publishing

Coming from a remote area of Judah, and from a farming background, Amos was called to a prophetic ministry to the nation of Israel. His prophetic message was a blend of mercy and judgment, as he challenged an erring nation to seek the Lord. In addition to strong condemnation of errant Israel, Amos also held out the -promise of restored fortunes, and particularly of the continuing place and significance of the Davidic family. Allan Harman's commentary is a careful exposition of the text. While using the ESV translation, he gives particular attention to the Hebrew, discussing words that are most significant for the translation and -interpretation of this eighth-century BC covenantal messenger. He also includes sections of application, that preachers will find particularly helpful. The author has spent a lifetime in teaching the Old Testament, and brings his skills to another biblical book. This commentary complements his other commentaries on Exodus, Deuteronomy, Psalms, Isaiah, Joel, and Daniel, all of which have been aimed at making plain the significance of the text, without unnecessary reference to other writers.

The Hound of Heaven Vida Pub

The life and mission of Amos the shepherd and prophet have always fascinated students of the Old Testament. This rancher-farmer from Tekoa, summoned dramatically by Yahweh to prophesy to Israel under the kingship of Jeroboam II (eighth century B.C.E.) about the corruption, injustice, and

religious insincerity of his time, has intrigued scholars for centuries. Was Amos' message one of judgment and retribution only, or also of redemption? Noted scholars Francis I. Andersen and David Noel Freedman, authors of the critically acclaimed *Hosea*, team up to examine and explain this critical segment of the Bible. Using new insights and modern methods, the authors interpret the text clearly, enthusiastically, and with startling perception. Readers will gain a new understanding of the historical, literary, and religious dimensions of the book of Amos.

Amos - Bible Study Book with Video Access Walter de Gruyter

Makes extensive use of ancient Near Eastern sources, and employs medieval Jewish exegesis along with modern Israeli biblical scholarship.

Missional Economics Oxford University Press, USA

Robert Coote describes the stages of growth of the book of Amos, discussing the process of the book's gradual formation. Chapter One introduces Coote's approach, rationale, and method for his analysis. Chapter Two deals with the oracles of doom, basically the oral legacy of the prophet himself. Chapter Three shows how the words of Amos were reactualized and composed in their seventh century setting. Chapter Four comes to grips with the book of Amos as a theological whole, as it now stands in the biblical canon. This book also serves as a useful resource for understanding pre-exilic prophecy because of the many similarities between Amos's message and other prophetic traditions which Coote highlights.

The Priest Christian Large Print

"Affluence, exploitation and the profit motive were the most notable features of the society which Amos observed and in which he worked . . . "Standards had gone to pot. Authority and the rule of law were despised, and national leadership, while reeling in the publicity and dignity of position . . . Seemed to be contributing to the complete breakdown of law and order." Thus J. A. Motyer exposes and explains the astonishingly relevant--but never popular--message of the prophet Amos. Michael Green says, "Alec Motyer has clearly got the spirit of Amos in his blood. He loves the prophet from Tekoa, and takes endless pains to give full weight to every syllable of the prophecy. He is, of course, a distinguished scholar, and we are given full value on that front; but you will find here none of the dreary academic deadness which all too often comes through in commentary work."

The Prince Mercer University Press

The virtually unknown prophet Amos bursts onto the pages of history with a warning relevant to his time. He confronts the nation of Israel with the unchanging nature of God and warns them to repent before judgment falls. As we study a period in the history of a nation that had turned its back on God, we draw disturbing parallels with our own time. With verse by verse commentary and explanatory notes, *Amos: A Warning for Today* provides a simple introduction to the study of a period of backsliding in Israel's history - and the warning from the prophet which read through modern eyes appears so relevant to our present time. PLUS: LIFE APPLICATION NOTES & STUDY QUESTIONS FOR EACH CHAPTER CONNECT THE LESSONS OF AMOS TO YOUR OWN LIFE SITUATION! SUITABLE FOR HOME GROUPS, CHURCHES AND INDIVIDUALS BUILD YOURSELVES UP IN THE MOST HOLY FAITH

EI Profeta Wipf and Stock Publishers

Book 3 in the 5-book biblical historical fiction series by the New York Times bestselling author of

Redeeming Love and *A Voice in the Wind*. His zeal carried him into battle His faithfulness won him honor among his people His humility led him into friendship with the man who would become king in his place David was a man after God's own heart. But it was the courage and selflessness of his best friend Jonathan that opened the door to David's rule. A man of honor and deep faith. The Prince is the story of Jonathan and book three in the popular *Sons of Encouragement* series about five men who quietly changed eternity. "This novella packs a powerful punch through characters that resonate in the soul. Fast-paced and seamless, this is a magnificent tale of courage, faithfulness, woe, and great joy." —Romantic Times This novella includes an in-depth Bible study perfect for personal reflection or group discussion.

Read of Gods calling to Amos Sent out from the south to bring the Lord's message to Samaria Be reminded of the importance of the Word of God in our lives

Amos Tyndale House Publishers, Inc.

In 1955 John D. W. Watts presented the faculty lectures at the Baptist Theological Seminary in Ruschlikon. Amos and prophetic studies have not been the same since. Three years later, in 1958, *Vision and Prophecy in Amos* appeared as an instant must in studies on Amos and on biblical prophecy in general. Watts' form-critical analysis of the visions of Amos became an immediate classic in its field. Long out of print, this new edition of *Vision and Prophecy* is available for all students and scholars of biblical prophecy. Moreover, Watts has added new material on Amos. He explores Amos forty years later both in terms of its literary whole and in the context of the Book of the Twelve.

Social Identity and the Book of Amos Wipf and Stock Publishers

An explosion of scholarly treatments of the book of Amos leaves one wondering: What do we know for sure about the prophet, his time, and his writing? Gerhard Hasel synthesizes the latest rethinking of the prophet's vocation, background, purpose, themes, and motifs to explain why Amos is "a microcosm for the study of all the prophetic writings of the Old Testament." The most extensive bibliography on Amos ever compiled enables further study.

Life Applications from Every Chapter of the Bible InterVarsity Press

The book of Amos holds a unique and central place among the canonical prophetic literature and presents a special array of issues for scholarly discussion. This book provides a thorough and balanced overview of the history of scholarship on the book of Amos, two essays that trace the history of scholarship and offer promising lines for further inquiry, a substantial anthology of readings of the multiple ways Amos has been analyzed and appropriated, an extensive and current bibliography, and notes on doctoral dissertations conducted in recent years. The result is a comprehensive compendium of resources for scholarly writing on the book of Amos.

The Prophecy of Amos - A Warning for Today Anchor Yale Bible Commentaries

This magnificent volume is a compilation of the writings of friends, colleagues, and former students in tribute to Shalom Paul, Professor Emeritus and former Chair of the Bible Department at The Hebrew University of Jerusalem. More than 60 essayists contribute new ideas in the areas of research most loved by Prof. Paul, such as biblical literature and criticism, prophecy, comparative exegesis and linguistics, ancient Near Eastern historical and cultural milieus, and biblical and

Mesopotamian law. Contributors include scholars of renown such as Adele Berlin, Frank Moore Cross, William G. Dever, Michael V. Fox, William W. Hallo, Sara Japhet, André Lemaire, Carol Meyers, Jacob Milgrom, Elisha Qimron, Gary A. Rendsburg, Jack M. Sasson, Shemaryahu Talmon, Emanuel Tov, James C. VanderKam, Joan Goodnick Westenholz, and Ziony Zevit.
Amos Tyndale House Publishers, Inc.

This Oxford dissertation offers a detailed analysis of the text of the Old Testament book of the prophet Amos and attempts to reconstruct the process of its composition. It looks into the probable historical circumstances in which the prophetic oracles were collected and edited and seeks to show how the prophetic message lived on and spoke to the various communities which preserved and transmitted it.
