## **FARRELL RUSH**

Black Man on the Titanic Bloomsbury Publishing USA

Two teenagers discover true love aboard the doomed ocean liner Elizabeth Farr never wanted to return to America. During her family's vacation abroad, she has fallen in love with England, and is despondent when her father refuses to let her stay. Returning to New York means having her debut into society, and that means a swiftly arranged marriage. Elizabeth will never go to college, never learn to be a reporter—as she sees it, her life is over as soon as the Titanic reaches port. Of course, if she's unlucky, her life will be over far sooner than that. As Elizabeth and her family settle into their first-class cabins, Katie Hanrahan, a young Irish girl with dreams of finding fortune in America, makes her way to a steerage berth. Both girls have plans for the future, but love and death are about to intervene. This ebook features an illustrated biography of Diane Hoh including rare photos and never-before-seen documents from the author's personal collection.

*A Titanic Book for Kids* Heinemann-Raintree Library

It has been more than one hundred years since the RMS Titanic sank to the bottom of the North Atlantic ocean. The disaster has captivated history buffs and non-history buffs alike, and it is easy to see why. Some of the most illustrious people of the day were on board: some survived, and some did not. Legends abound about whether the ship's maiden voyage was cursed. And then there is the ship itself: arguably the most luxurious vessel to ever travel oversea. Inside you will read about... ✓ Conceiving of and Building the Titanic ✓ The Ship of Dreams ✓ Setting Sail ✓ The Passengers ✓ The Iceberg and the Sinking ✓ The Aftermath ✓ The Titanic Remembered and Re-Discovered The disaster holds secrets and stories of love and bravery, cowardice and greed. Explore these and other themes that surround the sinking of the grand ship, Titanic.

*A Survivor's Story* Essential Library

Readers will be transported by stories of amazing kids and how they survived!

**The Titanic Story** Rockridge Press

Recounts the story of how the world's biggest, safest ship sank on its first trip.

**The Story of the Titanic As Told by Its Survivors** Penguin

Discover the true story behind one of the black passengers on the Titanic An Incredible Tragedy: Joseph Laroche was an anomaly among the passengers of the Titanic. He was exceptionally well-educated in a time when few black men had access to an education—and when even fewer were able to travel on a luxurious ship in first or second class. Who was Joseph Laroche? Where was he going, and what was his story? Rediscovered History: This biography recounts the life of Joseph Laroche, his part in the history of Haiti, and how he, as a 24-year-old father of two (soon to be three) children, ended up on the last ship of that era of glamorous travel. He was a direct descendant of the father of Haitian independence and related to two Haitian presidents. As an engineer, Laroche contributed to the construction of the Parisian railway and had a promising future ahead of him. A Brilliant Biography: Ivorian-French writer Serge Bilé is the author of this fresh perspective on the

tragedy that still fascinates millions and has inspired dozens of history books. With thorough research in Haiti and France, Bilé unearths the story of the intriguing figure of Joseph Laroche. This is a story of multi-cultural black history and of the political and natural forces that converged on one man. Readers who were fascinated by the true stories behind *Hidden Figures* and *The Immortal Life of Henrietta Lacks* will love this engaging tale.

*The Story of the Titanic for Children* Atria Books

Presents and dissects one of the most tragic events of the 20th Century in a dramatic insight into the Titanic's construction and fit-out, to its maiden voyage. This title includes the tales of the people on board including the captain, members of the crew, and passengers from first, second, and third class.

**The Sinking of the Titanic and Great Sea Disasters** Turtleback

IN the early morning hours of April 15, 1912, the icy waters of the North Atlantic reverberated with the desperate screams of more than 1,500 men, women, and children—passengers of the once majestic liner Titanic. Then, as the ship sank to the ocean floor and the passengers slowly died from hypothermia, an even more awful silence settled over the sea. The sights and sounds of that night would haunt each of the vessel's 705 survivors for the rest of their days. Although we think we know the story of Titanic—the famously luxurious and supposedly unsinkable ship that struck an iceberg on its maiden voyage from Britain to America—very little has been written about what happened to the survivors after the tragedy. How did they cope in the aftermath of this horrific event? How did they come to remember that night, a disaster that has been likened to the destruction of a small town? Drawing on a wealth of previously unpublished letters, memoirs, and diaries as well as interviews with survivors' family members, award-winning journalist and author Andrew Wilson reveals how some used their experience to propel themselves on to fame, while others were so racked with guilt they spent the rest of their lives under the Titanic's shadow. Some reputations were destroyed, and some survivors were so psychologically damaged that they took their own lives in the years that followed. Andrew Wilson brings to life the colorful voices of many of those who lived to tell the tale, from famous survivors like Madeleine Astor (who became a bride, a widow, an heiress, and a mother all within a year), Lady Duff Gordon, and White Star Line chairman J. Bruce Ismay, to lesser known second- and third-class passengers such as the Navratil brothers—who were traveling under assumed names because they were being abducted by their father. Today, one hundred years after that fateful voyage, *Shadow of the Titanic* adds an important new dimension to our understanding of this enduringly fascinating story.

*The Extraordinary Stories of Those Who Survived* Rowman & Littlefield

*The Story of the Titanic As Told by Its Survivors* Courier Corporation

*Luck of the Titanic* A&C Black

For more than 100 years, people have been captivated by the disastrous sinking of the "Titanic" that claimed over 1,500 lives. Now young readers can find out why the great ship went down on April 15, 1912, and how its wreckage was discovered 75 years later. Illustrations.

**Disaster at Sea** Random House Books for Young Readers

This original and "meticulously researched retelling of history's most infamous voyage" (Denise Kiernan, *New York Times* bestselling author) uses the sinking of the Titanic as a prism through which

to examine the end of the Edwardian era and the seismic shift modernity brought to the Western world. "While there are many Titanic books, this is one readers will consider a favorite" (*Voyage*). In April 1912, six notable people were among those privileged to experience the height of luxury—first class passage on "the ship of dreams," the RMS Titanic: Lucy Leslie, Countess of Rothes; son of the British Empire Tommy Andrews; American captain of industry John Thayer and his son Jack; Jewish-American immigrant Ida Straus; and American model and movie star Dorothy Gibson. Within a week of setting sail, they were all caught up in the horrifying disaster of the Titanic's sinking, one of the biggest news stories of the century. Today, we can see their stories and the Titanic's voyage as the beginning of the end of the established hierarchy of the Edwardian era. Writing in his signature elegant prose and using previously unpublished sources, deck plans, journal entries, and surviving artifacts, Gareth Russell peers through the portholes of these first-class travelers to immerse us in a time of unprecedented change in British and American history. Through their intertwining lives, he examines social, technological, political, and economic forces such as the nuances of the British class system, the explosion of competition in the shipping trade, the birth of the movie industry, the Irish Home Rule Crisis, and the Jewish-American immigrant experience while also recounting their intimate stories of bravery, tragedy, and selflessness. Lavishly illustrated with color and black and white photographs, this is "a beautiful requiem" (*The Wall Street Journal*) in which "readers get the story of this particular floating Tower of Babel in riveting detail, and with all the wider context they could want" (*Christian Science Monitor*).

*The Sinking of the Titanic and the End of the Edwardian Era* Рипол Классик

Describes the disastrous maiden voyage of the Titanic, which sank after colliding with an iceberg in the spring of 1912

*Voices of the Titanic* Mango Media Inc.

Discusses the Titanic, including its design, how the ship sank, the passengers onboard, and why the ship's legacy lives on.

*Voices from the Titanic* Open Road Media

This is one of the first and most famous books published after the sinking of the Titanic, and contains much material from contemporary newspaper accounts. It was written by Logan Howard-Smith (under the pen name of Logan Marshall), an editor who specialized in the rapid publication of books about current events. For this book, his crowning achievement, the initial print run was for no fewer than 110,000 copies. The publisher achieved this by running 11 presses simultaneously, and the books were then sold door-to-door across America for a dollar apiece. Although Marshall's own description of the sinking is melodramatic and sensationalistic, the many verbatim interviews with survivors of the disaster have stood the test of time, and are often cited in Titanic literature.

*The Loss of the SS Titanic* Carlton Kids

"Time is no more for the fifteen hundred souls who perished with them; but Honour and Glory, by strange ways and unlooked-for events, have come into their own. It was not Time, nor the creatures and things of Time, that received their final crown there; but things that have nothing to do with Time, qualities that, in their power of rising beyond all human limitations, we must needs call divine." "To say that all the men who died on the Titanic were heroes would be as absurd as to say that all who were saved were cowards. There were heroes among both groups and cowards among

both groups, as there must be among any large number of men." "In such moments all artificial bonds are useless. It is what men are in themselves that determines their conduct; and discipline and conduct like this are proofs, not of the superiority of one race over another, but that in the core of human nature itself there is an abiding sweetness and soundness that fear cannot embitter nor death corrupt." The story of the sinking of the Titanic based on first hand accounts collected in the days and weeks following the disaster. The story of the Titanic is now well known, but in the months following the disaster wild speculation was rife. On Thursday 22 May 1912, a mere 37 days after the sinking, respected London publisher Grant Richards, delivered Filson Young's book to booksellers around the capital. It was the first attempt to plot the demise of the unsinkable ship from a well-respected writer who had already argued in the light of the Oceana sinking, for proper use of the wireless on board ships. Both Filson and Grant knew victims of the sinking and both worked hard to gather first-hand testimony to use in the book. Much of his telling of the story still stands today and his speculations about the feeling of daily life aboard the doomed ship are used in books and films on the subject.

*The Story of Joseph Laroche* History PressLtd

From internationally bestselling author and celebrated actress Celia Imrie, an epic novel set against the backdrop of the sinking of the Titanic. Nice, France, 1911: After three years of marriage, Marcella Navratil has finally had enough. Her husband, Michael, an ambitious tailor, may have charmed her during their courtship, but their few years of marriage have revealed a cruel and controlling streak. The 21-year-old mother of two is determined to get a divorce. But while awaiting the Judges' decision on the custody of their children, Michael receives news that changes everything. Meanwhile fun-loving New York socialite Margaret Hays is touring Europe with some friends. Restless, she resolves to head home aboard the most celebrated steamer in the world. But as the ship sets sail for America, carrying two infants bearing false names, the paths of Marcella, Michael and Margaret cross and nothing will ever be the same again. Orphans of the Storm dives into the waters of the past to unearth a sweeping, epic tale of the sinking of the Titanic that radiates

with humanity and hums with life.

[The Story of Titanic for Children](#) Createspace Independent Publishing Platform

This is the graphic, first-hand story of the maiden voyage and disastrous sinking of the RMS Titanic, told by the survivors themselves. The story of the sinking of the great liner has been told countless times since that fateful night on April 14, 1912, by historians, novelists, and film producers alike, but no account is as graphic or revealing as those from the people who were actually there. Through survivors' tales and contemporary newspaper reports from both sides of the Atlantic, here are eyewitness accounts full of details that range from poignant to humorous, stage by stage from the liner's glorious launch in Belfast to the somber sea burial services of those who perished on her first and only voyage. In this book, the voices of the survivors share their own stories, as well as the official records, press reports, and investigations into what went wrong that night.

*The Original Book About the Catastrophe Published Only 37 Days After Its Sinking.* Createspace Independent Pub

Here is a survivor's vivid account of the greatest maritime disaster in history. The information contained in Gracie's account is available from no other source. He provides details of those final moments, including names of passengers pulled from the ocean and of those men who, in a panic, jumped into lifeboats as they were being lowered, causing injury and further danger to life. Walter Lord, author of 'A Night to Remember', comments that Gracie's book - written shortly before he died from the exposure he suffered on the night - is "invaluable for chasing down who went in what boat", and calls Gracie "an indefatigable detective".

*Titanic on Trial* Courier Dover Publications

Uses narrative supported by archive illustrations to tell the story of the fateful ship Titanic, why she was built, and the events that led to her loss.

**Titanic** Hidden Histories

"A nonfiction book about the hidden truth behind the sinking of the Titanic with sidebars, illustrations, photos, and graphic panels"--
