<i>The Window in Art</i> Charisma Media	
A Christianity Today 1999 Book of the Year Every reader of the Bible has encountered the powerful, comforting and sometimes puzzling imagery of Scripture. These concrete pictures with their hidden force have struck sharp and lasting impressions on our minds. Their imprint has etched itself on the language and grammar of Christian faith and Western culture. Why then do traditional Bible dictionaries and reference works offer so little help to explorers of the Bible's galaxy of verbal pictures? They excel in describing the climate, borders and location of Galilee or Sinai. But they are often blind to the artistic expressions and deaf to the musical meanings that echo from within the world of the biblical text. The Dictionary of Biblical Imagery is the first contemporary reference work dedicated to exploring the images, symbols, motifs, metaphors and literary patterns found in the Bible. More than that, it examines the Bible's universal archetypes or master images--including the plot motifs and character types that recur throughout life, literature and the Bible. This unique dictionary explores the dazzling variety in which the Word of God comes dressed in clothes of everyday life. It traces the trail of images from Eden to the New Jerusalem. It captures the plotted patterns of biblical narrative. It surveys the imaged texture of each book of the Bible. In short, The Dictionary of Biblical Imagery is an inviting, enlightening and indispensable companion to the reading, study, contemplation and enjoyment of the Bible.	
<i>Symbolism in the Bible</i> Langham Publishing	
This volume examines Johannine symbolism within the lens of Jesus' relationship with the Father. After demonstrating that the Gospel narrative symbolically portrays Jesus as the Son of God who is relationally inseparable from his Father, the study shows how the Son-Father Relationship (SFR) is at the center of the network of Christological symbols in the Gospel of John. Using an innovative narrative framework, this book unveils the creative and symbolic introduction of the SFR in the Prologue (Jn. 1. 1-18), its development through the words and actions of Jesus' teaching ministry within the Johannine narrative, and its culmination in the Prayer (Jn. 17); the SFR motif then concludes in the remainder of the Gospel. This narrative framework reveals how the SFR shapes the literary style and theological strategy of the Gospel, and acts as an integrative force by giving structure and cohesion to the Gospel's symbolic system. Two key features presented in this book are a theory of symbolism and a network of symbols. The specially formulated 'Theory of Johannine Symbolism' explains the theoretical and theological underpinnings of the Gospel's symbolic network, called 'John's Christological Symbolology'. Through the symbolic network, the author of the Gospel fulfills the theological purpose stated in Jn. 20:31-that hearer-readers believe in Jesus the Christ, as the Son of God, and thereby experience eternal life.	
<i>The Drama and the Symbols</i> Baker Books	
The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.	
<i>Understanding Old Testament</i> Liturgical Press

Expertly designed, researched, and Holy Spirit inspired to provide you an extensive wealth of revelation	

knowledge about symbols and symbolic actions, this book is divided into four parts that go way beyond listing and defining words. Rhema word and divine prompting lift off every page! Biblically sound and supported, best-selling author and pastor Dr. Joe Ibojie discusses in detail topics including: God speaks to everyone, but not in the same way. God speaks in dreams and visions. God speaks in clear language. God speaks in riddles or parables. God speaks in dark speeches Everyone should strive to sharpen all the methods by which God communicates, while mastering the dominant way of receiving from God. When you avoid stereotyping Gods avenues of communication, you open great potentials to hear from Him. -Dr. Joe Ibojie **In Search of God** Destiny Image Publishers

The early Christian Gnosis did not spring up in isolation, but drew upon earlier sources. In this book, many of these sources are revealed for the first time. Special emphasis is placed on the Hellenistic doctrine of the "Solar Logos" and the early Christian symbolism which depicted Christ as the Spiritual Sun, the illumination source of order, harmony, and spiritual insight. Based on 15 years of research, this is a unique book which throws a penetrating light on the secret traditions of early Christianity. It clearly demonstrates that number is at the heart of being. Jesus Christ, Sun of God, illustrates how the Christian symbolism of the Spiritual Sun is derived from numerical symbolism of the "ancient divinities."

The A to Z Guide to Bible Signs and Symbols Philadelphia : Fortress Press

Learn your God-language! Every day, God is speaking to you — not through a booming voice from Heaven, but in ways that are simple, common, and often overlooked. God is not a formula; He is a person Who longs to draw us into a deeper relationship with Himself. As we get to know Him through His Word, we recognize the creative...

Craig Koester's respected study uses the symbolic language of the Gospel of John as a focus to explore "the Gospel's literary dimensions, social and historical context, and theological import." This edition is fully revised and updated and includes a number of new sections on such topics as Judas and the knowledge of God. Fresh treatments are given on a number of issues, including the Gospel's Christology. This new edition offers both new insights and proven worth for students and scholars alike.

Symbolism of Truth: Love Lulu.com

Love is a fundamental force with tremendous power, but most of us don't know what it means. We struggle to understand the difference between modern-day love and the type of love that Jesus references in the Bible. This book provides a thorough analysis of biblical love, explaining how the Bible describes the characteristics of love, along with a detailed interpretation of Hebrew and Greek words. Filled with motivational and inspirational Bible-based poems, the book includes a reference section so you can become familiar with where keywords are found in Scripture and how they are used. A biblical proofs section walks you through how mankind was created, what caused us to fall from the grace of God, how we were reconciled and restored, and what it takes to live and walk in the grace of God every day. After reading this book, you will have a full understanding of what Jesus meant when He spoke of love.

Bible typology is the systematic classification of Bible terms, concepts, and people that have common characteristics or traits. A Dictionary of Bible Types examines over 1,000 types, shadows, signs, symbols, pictures, figures, and patterns in the Bible with topics ranging from "Aaron" to "Yoke." This useful resource for teachers, study groups, and pastors provides explanations for over 6,000 different Scripture passages. • Examine the over 1,000 different types in over 6,000 different Bible passages. • Learn new truths about the Bible that may have been hidden or unclear before. • Discover how knowledge of certain traits and types can lead to understanding the Bible more deeply.

An Esoteric Reading of Biblical Symbolism InterVarsity Press

Explores Biblical lore as a self-revelation of the objective psyche and a rich compendium of archetypal images representing humanity's successive encounters with the numinosum (a.k.a. God, the Self, etc.) Many examples from dreams and more than forty years of clinical practice.

The Language of God in Prophecy Destiny Image Publishers

This book addresses one of the ever-aching problems of human society - failed leadership in secular and sacred domains. It points out, from Ezekiel's use of symbolism and shepherd motif, what society stands to suffer and or lose under a bad human leadership structure and bad governance. This plays out in the book's x-ray of the characteristics of sheep needing a shepherd. Dr. Biwul contends that Ezekiel used symbolic sign-acts to indict both Israel's bad and imperfect human shepherds as well as the Babylonian exiles as being responsible for their plight for not upholding the norms of Deuteronomic theology. Particularly, he argues forcefully from Ezekiel's shepherd motif that a major factor responsible for the exile of Israel as a covenant community is the massive failure of its bad and imperfect human shepherds who did not possess the requisite shepherding qualities inherent in Yahweh as chief shepherd of Israel. Biwul therefore draws particular attention to the reality of Ezekiel's use of the recognition formula when Yahweh acts at last to restore his people. This is rooted in the theological-eschatological motif which would come to its full reality in the anticipated eschatological community when Yahweh would shepherd his people.

[CONNECTIONS](#) Destiny Image Publishers

Mankind is “the symbol-using animal,” American philosopher Charles Peirce famously wrote. It's vital—literally—that we grasp our relation to symbols. God himself thinks in symbols. Since we are made in God's image, everything we think and do is symbolic as well. Moses failed to follow God's symbolism and was harshly punished, forbidden to enter the Promised Land. Keeping or breaking symbolism will decide how each of us fares on Judgment Day. Understand symbolism, or suffer the consequences. PRAISE FOR HOW GOD THINKS · Winner of the Pacific Book Award for Best Spirituality · Finalist of the Pacific Book Award for Best Philosophy · Thorough and thought-provoking, this book is a must-read for anyone interested in the Bible, its history, and its society-shaping role. -US Review of Books · Discussing the symbolic illustration in a Christian marriage between one man and woman versus homosexuality, divorce, polygamy, and polyandry, [Vancelette dives] deeper into what it means to be a man and a woman in the eyes of God. -San Francisco Book Review · It reads like top-shelf philosophy with pragmatic commentary and poetic sensibilities. -Seattle Book Review · David Vancelette's HOW GOD THINKS is a fascinating and original attempt to do what no theologian has ever accomplished: to get inside the mind of God. -IndieReader QUESTIONS ANSWERED BY UNDERSTANDING SYMBOLISM: · How has Satan made himself equal to God through broken symbolism? · Why do hardened feminists and the LGBTQ community reject the symbolism God designed into human sexuality? · What alternative was Jesus actually praying for in the garden when he prayed “let this cup [of crucifixion] pass from me?” · Why do many Jews see Jesus as broken symbolism, not as the Messiah? · This gripping, ambitious book will answer these and much more! ABOUT THE AUTHOR David Vancelette holds a degree in computer science and has worked some four decades as a computer systems analyst at Fortune 500 companies. He has attended both the University of Pennsylvania and Philadelphia Biblical University. He also studied philosophy at American Public University. David vitally believes that sound analysis, logic, and reliance upon the Holy Spirit must be brought together to properly interpret the Bible. “David Vancelette is an amazing author....” -Pacific Book Review

[Tabernacle](#) New York : Abaris Books

Bernard Ramm's Protestant Biblical Hermeneutics, published in 1956, attracted a broad spectrum of Bible readers and set the tone of biblical interpretation for a whole generation of evangelical students. An Introduction to Biblical Hermeneutics could have a similar role for this generation at the end of the twentieth century. Almost every assumption that Ramm made has been challenged and tested by the winds of modernity and post-modernity. The severity of the changes from earlier patterns of thinking is reflected in the subtitle to this book, The Search for Meaning. This book is distinctive from others on hermeneutics in that the authors, rather than writing from a single viewpoint, hold differing opinions on many issues. There are more areas where they agree than disagree, including the authority of Scripture and the primacy of authorial meaning; but where they disagree is precisely where the issues are most crucial for the future. So the readers are invited, in effect, to eavesdrop on a vibrant dialogue between two scholars and to reach their own conclusions. Despite the convivial tone, the readers must not mistake how great the stakes are. In a culture that prizes individuality and personal freedom, the primary question is no longer 'Is it true?' but rather 'Does it matter?' hence the question of relevancy has taken precedence over the questions 'What does the text mean?' This book therefore confronts the question of meaning and shows how evangelicals may still clearly hear the Word from God amid the cacophony of the age.

[Sex Symbolism in Religion](#) Lulu.com

CONNECTIONS is an excellent tool for understanding the Bible's hidden symbolism. It is filled with insights from Hebrew and Greek words, and ancient Jewish and Middle-Eastern culture and customs. This is an extensive work; nearly 200,000 words, with 23 chapters, packed with valuable information for teaching, preaching, or personal research. This will expand the reader's understanding of the God's amazing orchestration hidden in the Bible, as it reveals the deep truths hidden in the events, names, places, numbers, parables, and even the languages the Bible was written in.

[Revelation](#) Canongate Books

Science has its own language; the arts have another. Religion uses especially the language of the arts, for it uses signs and symbols, like bridges from the visible to the invisible, from the depths to the heights, from the earthly world to the heavenly one, from humanity to God. The symbol is not an object of worship, but invites to worship. It leads to the encounter with the divine. Its language takes an object or an action and from it evokes something other, which is often inexpressible, by virtue of some correspondence, natural association, or convention.--From publisher description.

[The Bible and the Psyche](#) Cross House Books Limited

Whenever an extraordinary move of God takes place in the Church, questions and concerns are raised - especially in connection with the manifestations that occur and the use of prophetic symbolism. This book sets out to answer the four most commonly asked questions:
