When God Was A Woman New World Library

From the bestselling author of The Passenger and the Pulitzer Prize-winning novel The Road • In this taut, chilling story, Lester Ballard—a violent, dispossessed man falsely accused of rape—haunts the hill country of East Tennessee when he is released from jail. While telling his story, Cormac McCarthy depicts the most sordid aspects of life with dignity, humor, and characteristic lyrical brilliance. "Like the novelists he admires-Melville, Dostoyevsky, Faulkner-Cormac McCarthy has created an imaginative oeuvre greater and deeper than any single book. Such writers wrestle with the gods themselves." —Washington Post Look for Cormac McCarthy's latest bestselling novels, The Passenger and Stella Maris.

God's Daughters Wellspring Omnimedia

Become the Woman God Made You to Be Lysa TerKeurst's bestselling books have inspired millions of women to uncover the purpose God has for them. Now for the first time, you can find two of her most powerful titles together in one elegant hardcover, perfect for reading for the first time or revisiting as you grow in your faith. What Happens When Women Say Yes to God sets you on a journey of learning how to be obedient to the Lord. You'll see the beautiful transformation that accompanies following God's voice in your daily life and open your eyes to the incredible ways you can experience Him today. What Happens When Women Walk in Faith shows you how to pursue God's call even through times of doubt, discouragement, and pain. You'll learn how to remain encouraged and equipped through embracing God's promises no matter what comes your way. Complete with a personal Bible study at the end of each chapter, this two-book collection will lead you on a journey of spiritual renewal and revelation as you joyfully pursue the call God has created you to fulfill.

Child of God Wm. B. Eerdmans Publishing

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

[The Woman Who Named God](#) Authentic

A workbook that will help you stop compulsive eating from the #1 New York Times bestselling author of Women Food and God. With the publication of her ground-breaking books, Feeding the Hungry Heart and Breaking Free From Compulsive Eating, Geneen Roth has helped hundred of thousands of people win their battle against the destructive binge-diet cycle. Now this remarkable companion workbook shows compulsive eaters—in a constructive, non-judgmental way—how to stop using food as a substitute for handling difficult emotions or situations...and how to enjoy eating and still lose weight naturally. By using the liberating exercises and techniques developed by Geneen Roth in her highly succesful Breaking Free® workshops, dieters, who've tried every conceivable diet—losing weight again and again, only to gain it back—and bingers, who are harming their health, can learn wholesome, beneficial ways to achieve their goals. This proven program offers reassuring guidelines on: • Letting food become a source of pleasure rather than anxiety • Kicking the scale-watching the habit—forever! • Recognizing the difference between physical and emotional hungers • Learning to say no • Listening to, and trusting, your body's hunger and fullness signals • Distinguishing "forbidden foods" from those you truly want • Uncovering the conflicts that stand between your desire to lose weight and your urge to eat compulsively • Discovering other pleasures besides food

[Women Food and God Coloring Book](#) Simon and Schuster

In the period between 1200 and 1500 in western Europe, a number of religious women gained widespread veneration and even canonization as saints for their extraordinary devotion to the Christian eucharist, supernatural multiplications of food and drink, and miracles of bodily manipulation, including stigmata and inedia (living without eating). The occurrence of such phenomena sheds much light on the nature of medieval society and medieval religion. It also forms a chapter in the history of women. Previous scholars have occasionally noted the various phenomena in isolation from each other and have sometimes applied modern medical or psychological theories to them. Using materials based on saints' lives and the religious and mystical writings of medieval women and men, Caroline Walker Bynum uncovers the pattern lying behind these aspects of women's religiosity and behind the fascination men and women felt for such miracles and devotional practices. She argues that food lies at the heart of much of women's

piety. Women renounced ordinary food through fasting in order to prepare for receiving extraordinary food in the eucharist. They also offered themselves as food in miracles of feeding and bodily manipulation. Providing both functionalist and phenomenological explanations, Bynum explores the ways in which food practices enabled women to exert control within the family and to define their religious vocations. She also describes what women meant by seeing their own bodies and God's body as food and what men meant when they too associated women with food and flesh. The author's interpretation of women's piety offers a new view of the nature of medieval asceticism and, drawing upon both anthropology and feminist theory, she illuminates the distinctive features of women's use of symbols. Rejecting presentist interpretations of women as exploited or masochistic, she shows the power and creativity of women's writing and women's lives.

Madly in Love with Me Harvest House Publishers

Millions of us are locked into an unwinnable weight game, as our self-worth is shredded with every diet failure. Combine the utter inefficacy of dieting with the lack of spiritual nourishment and we have generations of mad, ravenous self-loathing women. So says Geneen Roth, in her life-changing new book, Women, Food and God. Since her 1991 bestseller, When Food Is Love, was published, Roth has taken the sum total of her experience and combined it with spirituality and psychology to explain women's true hunger. Roth's approach to eating is that it is the same as any addiction - an activity to avoid feeling emotions. From the first page, readers will be struck by the author's intelligence, humour and sensitivity, as she traces the path of overeating from its subtle beginnings through to its logical end. Whether the drug is booze or brownies, the problem is the same: opting out of life. She powerfully urges readers to pay attention to what they truly need - which cannot be found in a supermarket. She provides seven basic guidelines for eating (the most important is to never diet) and shares reassuring, practical advice that has helped thousands of women who have attended her highly successful seminars. Truly a thinking woman's guide to eating - and an anti-diet book - women everywhere will find insights and revelations on every page.

What Happens When Women Say Yes to God and Walk in Faith Penguin

Geneen Roth's legions of fans have always responded to her humor and honesty, her warmth and savvy. Those qualities, so present in The Craggy Hole in My Heart and The Cat Who Fixed It, take us deep into the story of a remarkable twenty-pound cat, Mister Blanche, and Geneen's beloved father, Bernard, and the ways in which each taught her to love without reservation and to accept the fact that she might someday lose those whom she believed she could not live without. In these remarkable, inspiring, and joyous pages, we discover along with Geneen how to break free of the same fears that may drive us to eat or drink or shop too much. Fear of being vulnerable, fear of death, fear of losing what we want most: These are the demons that can inhibit our ability to embrace life freely and fully. Come meet Mister Blanche and the charming Bernard and immerse yourself in a poignant and funny story that is Geneen's best. As her loyal readership already knows: It's not about food, it's not about the cat . . . it's always been about love and how to live with it—and never live without it!

[Appetites](#) Harmony

What would happen if you started listening to your cravings instead of trying to silence them? If you're tired of the same old messages of eat less and move more, this book is what you've been missing. You know "how to" get healthy... but now there's finally a book to help you find your "want to"-the lasting emotional and spiritual motivation to meet your goals and stay healthy. The reality is we were made to crave. Craving isn't a bad thing. But we must realize God created us to crave more of him. Many of us have misplaced that craving by overindulging in physical pleasures instead of lasting spiritual satisfaction. New York Times bestselling author of It's Not Supposed to Be This Way, Uninvited, and The Best Yes, Lysa TerKeurst, invites you to find the missing link between a woman's desire to be healthy and the spiritual empowerment necessary to make that happen. In this book, Lysa will help you: Break the cycle of "I'll start again Monday" and feel good about yourself today. Stop agonizing over numbers on the scale and make peace with your body. Replace rationalizations that lead to failure with wisdom that leads to victory. Reach your healthy goals and grow closer to God through the process. This is not a how-to book. This is not the latest and greatest dieting plan. This book is the necessary companion for you to use alongside whatever healthy lifestyle plan you choose. This is a book and Bible study to help you find the "want to" in making healthy lifestyle choices.

[Hungry for Happiness, Revised and Updated](#) Little, Brown

#1 New York Times bestselling author of Women Food and God Roth speaks of issues that, chauvinism aside, only women can truly understand and identify with. In the past, her books were about food, weight, dieting, and the almost universal obsession that women have with their bodies and self-esteem. Now her canvas of introspection and discussion has expanded: eight chapters examine the nature of women's friendships, the craving to be famous, the longing for safety, and the search for a parallel life (or the perfect fantasy), among other topics. Based on intensely personal experiences, written with intensely emotional and intellectually probing prose, Roth's book pushes far beyond the issue of weight to ask what will make women happy. Her not-so-easy answers, divined from decades of therapy, of experiential beingness, of Buddhist practice, will speak to many. "Roth tells of her own experiences with a non-blink frankness cushioned by the gracefulness of her prose."—Chicago Tribune "Just the right mix of confession, sass, and style."—Publishers Weekly

[Women Food and God](#) Simon and Schuster

Provides the support and practical advice necessary for readers to restructure their bad eating patterns.

Why Weight? Delacorte Press

Gorgeous black-and-white illustrations are paired with quotes from Geneen Roth's #1 New York Times bestseller, *Women Food and God* in this inspirational and relaxing coloring book. Oprah Winfrey called Geneen Roth's #1 New York Times bestseller *Women Food and God* "a life-changing book." Millions of readers and the many women who attend Geneen's retreats and workshops often share their favorite quotes from the book. Color, contemplate, and discover who you really are in this perfect gift for women of all ages.

Holy Bible (NIV) Simon and Schuster

Explores the practice of eating together as Christian worship The gospel story is filled with meals. It opens in a garden and ends in a feast. Records of the early church suggest that believers met for worship primarily through eating meals. Over time, though, churches have lost focus on the centrality of food— and with it a powerful tool for unifying Christ's diverse body. But today a new movement is under way, bringing Christians of every denomination, age, race, and sexual orientation together around dinner tables. Men and women nervous about stepping through church doors are finding God in new ways as they eat together. Kendall Vanderslice shares stories of churches worshipping around the table, introducing readers to the rising contemporary dinner-church movement. *We Will Feast* provides vision and inspiration to readers longing to experience community in a real, physical way.

The Colour of God Penguin

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Women and God Simon and Schuster

In 1993 journalist Silvana Paternostro discovered the startling fact that married, monogamous women in Brazil were at greater risk for AIDS than female prostitutes—because husbands have unprotected sex with other men. A compelling narrative, layered with history, careful research, and blistering social commentary, about a missing chapter in the annals of Latin American culture.

Women in the Church of God in Christ Hay House, Inc

From the bestselling author of *Women Food and God!* Geneen Roth's pioneering books were among the first to link emotional eating and perpetual dieting with deeply personal issues that go far beyond weight and body image. In *When You Eat at the Refrigerator, Pull Up a Chair*, Roth tackles the secret ways in which we undermine our best intentions. She shows us fifty simple, effective ways to feel gorgeous and powerful no matter what—in chapters such as: Learn to Recognize a Fat-and-Ugly Attack Retail Therapy Is as Important as the Other Kind Carry a Chunk of Chocolate Everywhere Remember that Thin People Have Cellulite, Get Old, and Die and much more *When You Eat at the Refrigerator, Pull Up a Chair* is the book for anyone who has ever had a second thought about their body appearance or weight.

Does My Voice Matter? Penguin

Want to start a Christian weight loss program at your church? *The Take Back Your Temple Member Guide* gives your support group the wisdom they need to reach their ideal weight and maintain it for life. Includes Christian health scriptures for motivation, delicious recipes, and a survival plan for handling common weight loss barriers like emotional eating, bottomless food pits, and more.

God Save the Queens Little, Brown

This is a simple yet powerful guide to women's issues around the world. Meroff tells the inspiring true adventures of nine ordinary women, both married and single, who are making a difference in such places as Tajikistan, India, Egypt, and Lebanon. Brief fact files between stories highlight global abuses of girls and women, such as female infanticide, child brides, sex trafficking, girl soldiers, female circumcision, and honor killings. This book not only raises awareness of global issues but points out simple ways in which we can help turn the tide for women worldwide.

Becoming the Woman God Wants Me to Be Doubleday

#1 New York Times bestselling author of *Women Food and God* There is an end to the anguish of emotional eating—and this book explains how to achieve it. Geneen Roth, whose *Feeding the Hungry Heart* and *When Food Is Love* have brought understanding and acceptance to tens of thousands of readers over the last two decades, here outlines her proven program for resolving the conflicts at the root of overeating. Using simple techniques developed in her highly successful seminars, she offers reassuring, practical advice on: • Learning to recognize the signals of physical hunger • Eating without distraction • Knowing when to stop • Kicking the scale-watching habit • Withstanding social and family pressures And many more strategies to help you break the binge-diet cycle—forever.

Lost and Found Verso Books

'Engrossing.' Monica Ali 'Heartbreaking and really funny.' Ross Gay 'This book fell into my heart.' Sabrina Mahfouz 'The kind of authentic voice that is rarely heard.' Saima Mir This is the story of a child raised in Canada by parents who embraced a puritanical version of Islam to shield them from racism. The author explores the joys and sorrows of growing up in a fundamentalist Muslim household, wedding grand historical narratives of colonialism and migration to the small intimate heartbreaks of modern life. In revisiting the beliefs and ideals she was raised with, Chaudhry invites us to reimagine our ideas of self and family, state and citizenship, love and loss.

Women Food and God HarperCollins

We live in a critical and oftentimes violent world. People are afraid to talk about what they feel, think, or believe. They withhold energy for fear of being ridiculed, punished, or excluded. They hide their deepest dreams and desires away and cover them up with doubt, insecurity, old experiences, and fears. Cynthia James know this—because that was her experience. Covering seven decades of living, traveling, and growing, *Does My Voice Matter?* follows James's journey of self-discovery and authenticity as she gradually recognizes that she has a voice—and learns how to use it. She uses her own life experiences as a backdrop for her exploration of how the voice is used as a tool of engagement; how a singular or collective voice can enhance empowerment, transparency, and accountability; and, finally, how expression can develop new ideas, shift cultures, political views, transform organizations, create laws, and improve lives. Written for anyone who wants to discover the power within that makes them special, *Does My Voice Matter?* has a vital message: Uniqueness is your own glorious imprint on this planet, and it is calling you to come out. It doesn't matter if your awakening is large or small, it doesn't matter what your age, race, religion, or history is—anyone can begin right where they are, right now.
