Malko s'accroupit et retourna le corps, sachant déjà ce qu'il allait trouver. « Mon Dieu ! » Elle était encore tiède et souple. Une blessure béante ouvrait sa gorge d'une carotide à l'autre. Soudain le briquet éclaira un petit objet par terre. Dan Lohan étendit la main, le saisit pour le lâcher aussitôt. « C'est sa langue, murmura-t-il. Ils lui ont coupé la langue. »

- Chalaud de Blanc, tu as assassiné un frère ! glapit le type aux lunettes noires. - Vous êtes fou ! protesta Malko. - Je n'aime pas la façon dont vous me parlez, fit le civil. Vous êtes un Blanc pas bien poli. Alors je vais vous tuer. Je suis l'inspecteur Bakari de la Sécurité du Burundi. Il avait sorti un Colt "45" à crosse de nacre qu'il brandit sous le nez de Malko.

Malko regarda autour de lui et aperçut aussitôt, le long d'une rame à l'arrêt, deux jeunes Chinois. L'un tenait un fléau : un bâton prolongé d'une chaîne, elle-même se terminant par une longue pointe aiguisée. L'autre se préparait à lui lancer une étoile

*S.A.S., la filière bulgare* Penn State Press

A sexy, high-stakes thriller in which Malko Linge must choose between his sense of duty and his sense of honor. At a benefit dinner in Monaco, Austrian playboy and CIA freelancer Malko Linge meets an intriguing woman, Zhanna Khrenkov, who has an unusual proposal. She will disclose everything she knows about her husband Alexei's business, provided Malko kills

Alexei's beautiful, young British mistress. Appalled, he refuses, but then Zhanna reveals that her husband runs a ring of Russian sleeper spies operating in the United States. Naturally, Malko's CIA handlers would love to have this information, but he feels uncomfortable killing anyone in cold blood—especially a beautiful woman. Traveling from Vienna to London to Moscow and back, aided by his former CIA handler and sometime-lover Gwyneth Robertson, Malko strives to avoid the crosshairs of deadly assassins and—almost as dangerous—jealous lovers.

**Agent Zero (An Agent Zero Spy Thriller—Book #1)** Gérard de Villiers - SAS

"You will not sleep until you are finished with AGENT ZERO. The author did a superb job creating a set of characters who are fully developed and very much enjoyable. The description of the action scenes transport us into a reality that is almost like sitting in a movie theater with surround sound and 3D (it would make an incredible Hollywood movie). I can hardly wait for the sequel." --Roberto Mattos, Books and Movie Reviews In this much-anticipated debut of an epic spy thriller series by #1 bestseller Jack Mars, readers are taken on an action thriller across Europe as presumed-CIA operative Kent Steele, hunted by terrorists, by the CIA, and by his own identity, must solve the mystery of who is after him, of the terrorists' pending target—and of the beautiful woman he keeps seeing in his mind. Kent Steele, 38, a brilliant professor of European History at Columbia University, lives a quiet life in a New York suburb with his two teenage daughters. All that changes when late one night he gets a knock on his door and is abducted by three terrorists—and finds himself flown across the ocean to be interrogated in a basement in Paris. They are convinced that Kent is the most lethal spy the CIA has ever known. He is convinced they have the wrong man. Do they? With a conspiracy around him, adversaries as smart as he is, and an assassin on his tail, the wild game of cat and mouse leads Kent on a perilous road—one that may lead back to Langley—and to a shocking

discovery of his own identity. AGENT ZERO is an espionage thriller that will keep you turning pages late into the night. Books #2-#12 are also available! "One of the best thrillers I have read this year." -- Books and Movie Reviews (re Any Means Necessary ) Also available is Jack Mars' #1 bestselling LUKE STONE THRILLER series (7 books), which begins with Any Means Necessary (Book #1), a free download with over 800 five star reviews!

L'inconnue avançait d'une démarche un peu raide, les traits figés. Malko remarqua l'épaisseur inhabituelle de sa taille et eut une telle poussée d'adrénaline qu'il crut que ses artères allaient exploser. Il avait devant lui une kamikaze. La main droite de la femme était enfouie dans son vêtement, comme si elle se tenait le ventre. Elle était maintenant très proche et il savait qu'au moment où elle actionnerait sa charge, tout être vivant serait déchiété dans un rayon de plusieurs mètres. Le cerveau paralysé, il n'arrivait pas à quitter des yeux la Mort qui venait droit sur lui.

Le prêtre se retourna d'un bloc. Malko vit un visage brutal, des yeux très enfoncés à l'expression glaciale, un nez épaté. Il leva à nouveau son bréviaire et Malko aperçut une ouverture ronde dans la tranche du livre dissimulant le canon d'une arme cachée à l'intérieur du bréviaire. Il vit l'index du prêtre enfoncé à l'intérieur du bréviaire se crispé. Il allait lui tirer une balle dans la tête. A cette distance, même une balle petit calibre faisait des dégâts irréparables dans un cerveau humain... Tétanisé, il se dit qu'il allait mourir.

*Études rurales* Vintage Crime/Black Lizard As U.S. troops prepare to withdraw from Afghanistan, and the Taliban is poised to take over, the CIA calls upon the Austrian

aristocrat Malko Linge to execute a dangerous and delicate plan to restore stability to the region. On the ground in Kabul, Malko reconnects with an old flame and hires a South African mercenary to assist with his mission. But Malko doesn't know whom he can trust. His every move is monitored by President Karzai's entourage, Taliban leaders, a seductive American journalist--and a renegade within the CIA itself. Before he can pull off his plan, Malko is kidnapped and nearly killed. When he finally manages to escape, he finds himself alone and running for his life in a hostile city.

A peine la pièce éclairée, un homme trappu, en bouson, les cheveux courts, surgit de la salle de bains. Malko n'eut pas le temps d'atteindre le téléphone. L'homme avait foncé sur lui, brandissant un long poignard très fin. Il essaya d'éviter le coup, mais la lame s'enfonça dans son flanc droit. son agresseur recula, puis se lança de nouveau en avant pour l'achever. 45/92 Gérard de Villiers - SAS Frost & Sullivan's 2014 Growth, Innovation, and Leadership Book of the Year "EXPONENTIAL ORGANIZATIONS should be required reading for anyone interested in the ways exponential technologies are reinventing best practices in business." —Ray Kurzweil, Director of Engineering at Google In business, performance is key. In performance, how you organize can be the key to growth. In the past five years, the business world has seen the birth of a new breed of company—the Exponential Organization—that has revolutionized how a company can accelerate its growth by using technology. An ExO can eliminate

the incremental, linear way traditional companies get bigger, leveraging assets like community, big data, algorithms, and new technology into achieving performance benchmarks ten times better than its peers. Three luminaries of the business world—Salim Ismail, Yuri van Geest, and Mike Malone—have researched this phenomenon and documented ten characteristics of Exponential Organizations. Here, in *EXPONENTIAL ORGANIZATIONS*, they walk the reader through how any company, from a startup to a multi-national, can become an ExO, streamline its performance, and grow to the next level. "EXPONENTIAL ORGANIZATIONS is the most pivotal book in its class. Salim examines the future of organizations and offers readers his insights on the concept of Exponential Organizations, because he himself embodies the strategy, structure, culture, processes, and systems of this new breed of company." —John Hagel, The Center for the Edge Chosen by Benjamin Netanyahu, Prime Minister of Israel, to be one of Bloomberg's Best Books of 2015 *S. Boris Berezovsky is living in exile

in London to avoid the wrath of Vladimir Putin. One morning, the unlucky oligarch is found dead in his bathroom, an apparent suicide. Their suspicions aroused, MI5 opens an investigation—but Prime Minister David Cameron orders the case closed. Alarmed at the renewal of Russian Cold War tricks and Moscow's increasingly close ties to London, the CIA dispatches Malko Linge to investigate Berezovsky's death and the British cover-up. With help from an alluring former CIA handler, Malko dives into the search for hard evidence of the Kremlin's involvement in the affair—putting himself directly in the crosshairs of the world's most efficient assassins.

Davai, Dmitri, lança Oleg Kazenine. Dmitri leva le marteau et l'abattit de toutes ses forces sur le pied nu d'Anatoly Arkadin, lui brisant tous les os des trois derniers doigts de pied. Le hurlement du jeune homme n'avait pas cessé lorsque le marteau s'abattit une seconde fois, cette fois sur le pied droit. Oleg Kazenine s'approcha, son portable à la main. Tu vas appeler ce Malko Linge, l'enculé qui a voulu me baiser. Ou on te brise tous les os. Lui dire que tu l'attends. Une voix neutre sortit du portable et annonça : Hôtel Ritz Carlton. A qui voulez-vous parler ? Gospodine Malko Linge. Chambre 628, bredouilla Anatoly Arkadin. Il était prêt à tout pour sauver sa vie et arrêter son supplice.
