History of the Church of Jesus Christ of Latter-day Saints (originally entitled History of Joseph Smith) is a semi-official history of the early Latter Day Saint movement during the lifetime of founder Joseph Smith. It is largely composed of Smith's writings and interpretations and editorial comments by Smith's secretaries, scribes, and after Smith's death, historians of The Church of Jesus Christ of Latter-day Saints. The history was written between 1839 and 1856. It was later published in its entirety with extensive annotations and edits by B. H. Roberts as History of the Church of Jesus Christ of Latter-day Saints. The first six volumes of this work cover the "History of Joseph Smith" from his birth in 1805 to his death in 1844. Volume seven covers the material from immediately after Smith's death in June 1844 until the church's first general conference in Salt Lake City. Volume 1: 1805 - December 1833 Volume 2: January 1834 - December 1837 Volume 3: January 1838 - July 1839 Volume 4: July 1839 - May 1842 Volume 5: May 1842 - August 1843 Volume 6: September 1843 - June 1844 Volume 7: June 1844 - October 1848

Revolution in the Church: Challenging the Religious System with a Call for Radical Change

Westminster John Knox Press

Mark 13, the so-called Little Apocalypse, has puzzled readers for generations. Was Jesus speaking of the end-time return of the Son of Man or the coming destruction of Jerusalem or both? How can we know? Robert Stein, a seasoned Gospels scholar, offers an in-depth and insightful commentary on Mark chapter 13, an important and puzzling discourse of Jesus.

The Church Historians of England ... Roaring Brook Press

The five-year period following the proclamation of the Republic in April 1931 was marked by physical assaults upon the property and public ritual of the Spanish Catholic Church. These attacks were generally carried out by rural and urban anticlerical workers who were frustrated by the Republic's practical inability to tackle the Church's vast power. On 17- 18 July 1936, a right-wing military rebellion divided Spain geographically, provoking the radical fragmentation of power in territory which remained under Republican authority. The coup marked the beginning of a conflict which developed into a full-scale civil war. Anticlerical protagonists, with the reconfigured structure of political opportunities working in their favour, participated in an unprecedented wave of iconoclasm and violence against the clergy. During the first six months of the conflict, innumerable religious

buildings were destroyed and almost 7,000 religious personnel were killed. To date, scholarly interpretations of these violent acts were linked to irrationality, criminality and primitiveness. However, the reasons for these outbursts are more complex and deep-rooted: Spanish popular anti-clericalism was undergoing a radical process of reconfiguration during the first three decades of the twentieth century. During a period of rapid social, cultural and political change, anticlerical acts took on new -- explicitly political -- meanings, becoming both a catalyst and a symptom of social change. After 17--18 July 1936, anticlerical violence became a constructive force for many of its protagonists: an instrument with which to build a new society. This book explores the motives, mentalities and collective identities of the groups involved in anti-clericalism during the pre-war Spanish Second Republic and the Spanish Civil War, and is essential reading for all those interested in twentieth-century Spanish history. Published in association with the Cañada Blanch Centre for Contemporary Spanish Studies.

The Holy Christian Church from Its Remote Origins to the Present Day Thomas Nelson

What do we do with a God who sanctions violence? Old Testament violence proves one of the most troubling topics in the Bible. Too often, the explanations for the brutality in Scripture fail to adequately illustrate why God would sanction such horrors on humanity. These unanswered questions leave readers frustrated and confused, leading some to even walk away from their faith. In *Flood and Fury*, Old Testament scholar Matthew Lynch approaches two of the most violent passages in the Old Testament - the Flood and the Canaanite conquest - and offers a way forward that doesn't require softening or ignoring the most troubling aspects of these stories. While acknowledging the persistent challenge of violence in Scripture, *Flood and Fury* contends that reading with the grain of the text yields surprising insights into the goodness and the mercy of God. Through his exploration of themes related to violence including misogyny, racism, and nationalism, Lynch shows that these violent stories illuminate significant theological insights that we might miss with a surface reading. *Flood and Fury* challenges us to let go of the need to rescue the Old Testament from itself and listen afresh to its own critiques on violence.

History of the Christian Church from Its Origin to the Present Time Sumrall Publishing
She's a Lightborn. He's a Hellborn. And it'll take both of them to stop what's coming Vacinne LeDroux is a Rift Warden, a champion of the Light, a defender of the mortal realm. It's something she dreamed about her whole life. After five years of rigorous study and training at the Kothari Temple, she is sent on her first solo mission. She is tasked with finding the whereabouts of a missing Warden and his company. The Warden's trail leads her to a small village. Upon arrival, she discovers

that the entire town has been massacred. Vacinne finds herself face to face with a powerful demon and tries to summon all her courage, but she is no match for him. Realizing she's in way over her head, she seeks out a sell-sword. The Black Blade is no ordinary bounty hunter though. He's a Rift Hunter, one skilled enough to track down rifts and the demons that step through them. With time running out, he's Vacinne's only hope at accomplishing her mission—but he will cost her more than coin... Faith & Fury is the first installment in Tiger Hebert's Demon Hunters, an epic fantasy series. If you like fast-paced action, strong characters, and wild magic, then you'll love this series starter. Buy this book and begin the epic series today!

Book one took the young Abrams to Israel, discovering the roots of Christianity and being grafted into the original Tree. Book two led them to Ethiopia, and they found true Treasure. In this episode the year is 2030 and the kids are now in their teens. They discover the battle zone we live in between the fallen and the Kingdom. Nazi Germany, the ancient Hebrews, and shocking supernatural manifestations are all encountered as they are challenged in full out personal, demonic warfare. Does definitive Truth exist, and if so, how is it found? Though in hand-to-hand combat, they are not alone or defenseless. There are tools and weapons they must learn to use. Join them in becoming acquainted with the very Jewish Messiah, with unfathomable, unconditional Love, and the key to enjoying a victorious, overcoming life. [What are the 4 major unanswered questions turning teens into Christian dropouts? Learn their answers at: <http://www.templeandword.com>] In rural mid-western towns during the 1950's, Kenna grew up in a very dysfunctional home. Never could she have foreseen that hers was a forerunner to millions of today's families. While still a young wife and mother, Jesus began healing painful, oppressive memories. An artist, singer, and Bible teacher of over 34 years, she led her families' gospel music ministry to the elderly, to large interdenominational groups, to prisons/juvenile detention centers, local radio and TV. Kenna has an architectural design degree, writes verse and designs her own Christian greeting cards and tracts, disciples inmates, is a speaker, and worship leader. Jesus has fulfilled her lifelong heart's desire to illustrate children's books, but more importantly to share her Friend and Healer. Veteran author Ilene Cooper explores the turbulent history of one of Jerusalem's most sacred sites in this timely, illustrated nonfiction offering, Faith and Fury: The Temple Mount and the Noble Sanctuary. Towering over the Old City of Jerusalem is a place where worlds meet, conflict arises, and history changes. Known to Jews as the Temple Mount, it was once the site of the great temples built by Solomon and Herod. To Muslims, it is the Noble Sanctuary and home to one of the most sacred buildings in the Muslim world, the Dome of the Rock. Venerated by Jews, Muslims, and Christians alike, it attracts pilgrims and tourists from around the world—and is the focus of the bitter and intractable conflict between Israel and the Arab world that dominates today's news.

Timeless Truths Bible: One faith. Handed down. For all the saints. (NET) Rowman & Littlefield

Is God loving? The Bible says that God is love; however, it also portrays a God that floods the earth, takes the lives of the firstborn in Egypt, and lashes out time and again in His fury. How can a God of love be synonymous with the God of fury displayed in the Old Testament? Are we fools? "The fear of the Lord is the beginning of knowledge; fools despise wisdom and instruction" (Pro 1:7). Twice in the Proverbs we're told that the beginning of knowledge and wisdom is the fear of the Lord. Is it possible that we have become altogether ignorant simply because we've tossed out the Bible's basic teaching on God's fury? The Fury of God penetrates the paradox and shows that we cannot truly understand God's love until we fully understand His fury. If believers today are truly abiding in God's Word, they will come face-to-face with the fury of God, and its truth will bring satisfaction to their souls. God's people must know the truth. They longingly desire it. The truth is that our God is a consuming fire. He is a jealous God. He is a holy God. He is an unchanging God. He is a triune God. Our God is a God of fury. It is that God, the God of the Scriptures, whom I hope to resurrect in the hearts and minds of His people with this book.

History of the Church of Jesus Christ of Latter-Day Saints Penn State Press

Man exists now at the passing of the first epoch of humanity into the second epoch; he passes from childhood to adulthood; youth and our simpler experience gives way now to accountability and responsibility; two-thousand years have passed since the son-of-God walked the earth; exactly on time has God delivered His powerful message through the modern gospel. Angel Fury enables the progressive words necessary to embrace the past, and to mold the future as He intends. God did send what He promised at just the right time giving all things to the one life of a very real and capable man. The one life presents all the meaning we need to place ourselves safely onto the path the shepherd plans for, and to enable us to understand the history He shapes. Explore the modern gospel through the heart of Fury, be a good skeptic - weigh the stars of reality, embrace the keys to unlock His mystery, and know that He has sent the modern mission out of His goodness.

The Side of God The Church Doesn't Want You to Know Roaring Brook Press

Maria Masterson and Jeremy Dillon are innocent kids whose world is altered drastically. Their decision to engage the culture they live in and battle for truth in the debate concerning the creation

of the Universe and mankind leads them into conflicts in which their adversaries do not always fight by Queensberry rules. A reminder that Christians are to overcome evil with good halts them in their tracks in an attempt to fight back with similar methods. Their only weapon is the Sword of the Spirit of Truth. Their dexterity in the use of this weapon increases as the two are pulled into a battle that they can't win in their own power. This novel could serve as a primer on how to stand tall in a world that wants any person of faith in their Creator to lay low. This book presents intellectual and moral handholds and toeholds for those not afraid to do some spiritual rock climbing.

The Catholic Church the Teacher of Mankind, Or, The Light of the Cross in the Twentieth Century Page Publishing Inc

From ISIS attacks to the conflict between Israel and Palestine, Sacred Fury explores the connections between faith and violence in world religions. Author Charles Selengut looks at religion as both a force for peace and for violence, and he asks key questions such as how "religious" is this violence and what drives the faithful to attack in the names of their beliefs? Revised throughout, the third edition features new material on violence in Buddhism and Hinduism, the rise of ISIS, "lone wolf terrorists," and more. This up-to-date edition draws on a variety of disciplines to comprehend forms of religious violence both historically and in the present day. The third edition of Sacred Fury is an essential resource for understanding the connections between faith and violence.
