A warm and encouraging self-help book that draws inspiration and motivation from ballroom dancing. Precisely because the dance floor stands apart from the everyday world, allowing dancers to play, experiment and take on new roles, it also serves as a stage for human behavior. Antoinette Benevento, a former national ballroom dancing champion and co-owner of Fred Astaire Dance Studios, has been a student of that stage for 25 years. She has discovered that getting out on the dance floor is a powerful and empowering metaphor for living fully in all realms of life. Some of the tenets Antoinette Benevento lives, dances, and teaches by: - Persistence is a form of beauty -Give yourself permission to begin again--and again and again -If you're not willing to risk falling, you'll never learn to walk (or dance) -Desire is the energy that moves us forward in dance and in life -To dance well and to live fully, body and soul need to work together Building on the ballroom dancing craze that has swept the country, including the popularity of "Dancing with the Stars", this illuminating and highly readable book shows that what you learn on the dance floor can help you dance through life. ANTOINETTE BENEVENTO is co-owner of and National Training Director for the Fred Astaire Dance Studios and a former national ballroom dancing champion. EDWIN DOBB is a contributing editor of Harper's Magazine, and has written for numerous other national publications, including The New York Times Magazine, Vogue, and Discover. "People say our marriage is impossible." Laurie and Matt Krieg are in a mixed-orientation marriage: a marriage in which

at least one partner's primary attraction isn't toward the gender of their spouse. In the Kriegs' case, Laurie is primarily attracted to women—and so is Matt. Some find the idea of mixed-orientation marriage bewildering or even offensive. But as the Kriegs have learned, nothing is impossible with God—and that's as true of their marriage as anyone else's. In *An Impossible Marriage*, the Kriegs tell their story: how they met and got married, the challenges and breakthroughs of their journey, and what they've learned about marriage along the way. Christianity teaches us that marriage is a picture of Jesus' love for the church—and that's just as true in a mixed-orientation marriage as in a straight one. With vulnerability and wisdom, this book lays out an engaging picture of marriage in all its pain and beauty. It's a picture that points us, over and over again, to the love and grace of Jesus—as marriage was always meant to do.

The Year's Best Science Fiction: Twenty-Ninth Annual Collection Chosen Books
Jean Shepherd was one of America's favorite humorists, his most notable achievement being the creation of the indefatigable Ralphie Parker and his quest for a BB gun in the holiday classic *A Christmas Story*. But he was so much more, a comic Garrison Keillor-like figure whose unique voice transcended the airwaves and affected a whole generation of nostalgic Americans. The Ferrari in the Bedroom is Shepherd's wry, affectionate look at the hang-ups and delusions of Americans in the 1970s. From his sardonic assessment of fads such as the nostalgia craze ("Thinking that the old days were good is a terrible sickness. Everything was just as bad then as it is now.") to a modest proposal for the foundation of S.P.L.A.T. (The Society for the Prevention of the Leaving of Animal Turds), Jean Shepherd provides a generous measure of his special brand of wise and warm humor as an antidote for some of America's more ridiculous obsessions.

THINGS FALL APART tells two overlapping, intertwining stories, both of which center around Okonkwo, a "strong man" of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as seen from within.

Evidence that evil is flourishing faces Christians every day, leaving many feeling hopeless and helpless. What they don't realize, says esteemed pastor Jack Hayford, is the power that is theirs through the cross. Instead, they labor under the misconception that spiritual warfare occurred only during biblical times. But it is right here, right now, says Pastor Jack. And for the first time he lays out the strategies he's learned for engaging and defeating evil—through prayer. With clarity and passion, he shows readers how to •

develop powerful devotional habits • engage in intercession • plead the blood of Christ • understand the correct use of binding and loosing • confront evil • learn why some prayers don't succeed • and much more

When believers embrace the cross's power, they will stand up in hope and light against the evil of this world, penetrating even the deepest places where the enemy's darkness dwells.
