MOHAMMED KORBIN

Royal Priesthood InterVarsity Press
Despite its importance in the New Testament and the priestly messianic promise identified by King David, relatively little has been written on Psalm 110 from a biblical-theological perspective. By considering David's biblical warrant for bringing together priesthood and kingship in a single figure, Matthew Emadi shows how we are able to uncover the theological foundation on which Psalm 110 is built. He situates the psalm in Scripture's storyline, showing that Melchizedek's royal priesthood is tied to both creation and redemption.

Royal Priesthood Christian Faith Publishing, Inc.

With the declining numbers of priests in the Catholic Church, the priesthood of the faithful, as defined in Lumen Gentium of Vatican II, is a sign of hope for the future of the church. But you are a chosen people, a royal priesthood, a holy nation, a people set apart. 1 Peter 2:9. Growing numbers of ecclesial lay

ministers are helping fulfill the needs of the Body of Christ. This book gives innovative suggestions for an expanded role of the laity in the mission of the Church.

The Royal Priesthood and the Glory of God Liturgical Press

After thirty-three years as a senior pastor and nearly fifty overseas missions, Peter Barfoot is well-qualified to write on the subject of faith. In *Faith: God's Gift to the Heart*, Peter explores the many and diverse aspects of the Christian faith and shares on how it brought him to and through difficult and even dangerous situations. Peter's years as a newspaper editor, magazine publisher, and author of hundreds of articles combined with his ministry experience to produce a book, which is both inspiring and informative.

Accompanied by his wife, Lorraine, Peter continues to teach, write, and minister to the sick worldwide "to the glory of God and his Son Jesus Christ.

The Royal Priesthood AuthorHouse
Jesus Christ, through His priestly ministry, provided salvation unto all men. Those who receive Him, of both Jew and Gentile, become members of His

family. Under the Old Covenant, the priesthood belonged to Aaron and his sons. Since believers, by faith, are part of Christ's family line, they receive the ministry of the priesthood also. In the pages of this study, we will provide foundational truth concerning the royal priesthood of the believer.

Representing Christ Diggory Press

From Genesis to Revelation, the theme of the royal priesthood is a silver thread running through the biblical story from the garden of Eden through the priesthood of Israel to Jesus Christ—the true and better priest. It culminates with the creation of God's covenant people, called out of the nations to be his priests to the nations. In this concise treatment, David Schrock traces this theme of priesthood throughout the Bible and displays to readers how Jesus, the great high priest, informs the worship, discipleship, and evangelism of the church.

A Royal Priesthood?: The Use of the Bible Ethically and Politically InterVarsity Press

This book examines the portrayal of Israel as a royal-priestly nation within Exodus and against the background of biblical and ancient Near Eastern thought. Central to the work is a literary study of Exodus 19:4-6 and a demonstration of the pivotal role these verses and their main image have within Exodus. This elective and honorific designation of Yahweh's cherished people has a particular focus on the privilege of access to him in his heavenly temple. The paradigm of the royal grant of privileged status has profound implications for our understanding of the Sinai covenant.

Royal Priesthood MennoMedia, Inc.

Is there anything in the New Testament about the need for priests in the Church? Many Protestants would argue no. And if

you point out that there is a priesthood in the Old Testament, they are likely to say it was a feature of the Old Covenant that was undone by Christ. How should a Catholic respond? In *Jesus and the Old Testament Roots of the Priesthood*, biblical scholar John Bergsma convinces readers that Jesus did, in fact, intend for a ministerial priesthood to be a key feature of the New Covenant. Bergsma shows how the priesthood is a major thread holding together the biblical story line—beginning with Adam's loss of the gift of priesthood in the Fall and the long process of restoring his descendants to a priestly status over the centuries, culminating with Christ. With chapter summaries and discussion questions included, *Jesus and the Old Testament Roots of the Priesthood* can readily be adapted into a four-part study for personal or small group use.

Royal Priesthood Advancing the Kingdom of Heaven on Earth Xlibris Corporation

This book is divided in two parts. The first part is the story the Bible tells of God's presence in the world beginning with creation and the rebellion of the first humans, followed by God's project of restoration in the chosen people of Israel, its fulfillment in the death and resurrection of Jesus, and the final consummation at the end of time. The second part is an exposition of what the Bible teaches our response to the story should be. The author points out that the Holy Spirit reveals to us our union with Christ in his death and resurrection. This enables us then to practice the virtues that lead to holiness, which is the foundation of our vocation as kings and priests.

A Chosen Generation - A Royal Priesthood, a Holy Nation InterVarsity Press

Readers will discover that it is not possible to disengage John Howard Yoder's practice of ecumenical dialogue from his vision of the church. Yoder's approach to ecumenical dialogue correlates with his conception of the faithfulness of the church. His vision of the church poses challenges for Christians of all communions because he calls both for disciplined dialogue and for faithful servanthood that renders the confession of Jesus Christ's lordship meaningful. This collection of 17 essays on themes ecclesiological and ecumenical is intended to demonstrate the substantial unity of Yoder's work over the past four decades. Many of these essays are often cited by researchers but have been till now unobtainable. Three of these texts have never been published before. Editor Michael Cartwright has contributed a substantial introduction on the "Yoderian" project, and a select bibliography prepared by Mark Nation catalogs Yoder's writings—published and unpublished—on ecclesiology and ecumenism.

The Royal Priesthood Emmaus Road Publishing

Under the Old Covenant, the priesthood belonged to Aaron and his sons. Since believers, by faith, are part of Christ's family line, they receive the ministry of the priesthood also. Under the Levitical system, there was one high priest among the priests. Christ was called a High Priest and not the only priest; thus, there has to be other priests that serve with Him. These other priests are those who have believed on Him. The believer receives kingship and priesthood through Jesus. To have a people of a royal priesthood has always been a part of God's plan for His people. It was His desire for the children of Israel, yet He

developed this desire in the believers. In the pages this book, we will bring clarity to the foundation for the royal priesthood of the believer.

Royal Priesthood in the English

Reformation Abundant Truth Publishing

The history of modern biblical interpretation is checkered with attempts to rethink and resituate readers theologically and ethically. At least two tendencies emerge in these remedial proposals, both of which animate this project: (1) many accounts privilege either divine action (theology) or human, ecclesial response (ethics); (2) few proposals have availed themselves of the potential hermeneutical resources of a more extensive biblical theology. This study offers a theological and ethical account of Christian readers of Scripture—one that brings together these two apparently divergent poles—through the deployment of a biblical theological motif: royal priesthood. The designation of the people of God as a royal priesthood, conditioned and informed by the offices of king and priest, carries with it themes that frame the hermeneutical situation in such a way that accounts well for the integral relation of divine agency and ecclesial response, theology and ethics.

Consider this book a guide to the most exciting adventure a believer can embrace . . . a lifestyle of intercession that changes history."

Royal Priesthood of Christians: a Sermon
... WestBow Press

The priesthood of all believers is a pillar undergirding Protestant ecclesiology. Yet the doctrine has often been used to serve diverse agendas. This book examines the doctrine's canonical, catholic, and contextual dimensions. It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer's eschatological temple-service and offering of spiritual sacrifices (chapters 1-3). It secondly describes its catholic development by examining three paradigmatic shifts, shifts especially associated with Christendom (chapters 4-6) and a suppression of the doctrine's missional component. Finally, the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric-Trinitarian understanding of the missio Dei. This suggests there are especially appropriate ways for the royal

priesthood to relate to the Father, to the Son, and to the Holy Spirit. A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices. These seven practices are 1) Baptism as public ordination to the royal priesthood; 2) Prayer; 3) Lectio Divina; 4) Ministry; 5) Church Discipline; 6) Proclamation; and 7) the Lord's Supper as the renewal of the royal priesthood.

The Priest & and the People of God

Bridge-Logos

This book assesses the understandings of the Christian doctrine of royal priesthood, long considered one of the three major Reformation teachings, as held by an array of royal, clerical, and popular theologians during the English Reformation.

Christ Jesus Our Royal High Priest

Oxford University Press

Searching for answers in the midst of the sexual abuse crisis in the church, many blamed the clerical culture. But what exactly is this clerical culture? We may know it when we see it, but how can we 'whether clergy or laypeople 'go about dismantling it and putting in place a new, healthy culture? George Wilson has spent decades working with organizations to help them discover, and often recover, their foundational calling. He is also a Jesuit priest engaged in the lives of congregations. In Clericalism: The Death of Priesthood he brings together both capacities and gives his sense of the challenges facing the church. As members of the church, Wilson maintains, we are all responsible for creating a clerical culture. And we are also responsible for that culture's transformation. Clericalism aids this transformation by helping us examine some underlying attitudes that create and preserve destructive relationships

between ordained and laity. After looking at the crisis and establishing where we are now, this book challenges us with concrete suggestions for changing behaviors. We are lay and ordained, but all baptized into the royal priesthood of 1 Peter 2:9, all called to spread the Gospel and do the work of God's love in the world. Ultimately, this is a hopeful book, looking for the restoration of a genuine priesthood, free of clericalism, in which we become truly united in Christ..

Royal Priesthood Studies 101 Wipf and Stock Publishers

Discover your true identity in Christ and fulfill your destiny. Answer the call of God in your life and cultivate your spiritual gifts and talents for the kingdom of God that is taking dominion over evil forces on earth and sharing your testimony as a witness for Christ. The Priesthood of the Faithful Kingdom Builders Publishing

The priesthood of all believers is a core Protestant belief. But what does it

actually mean? Uche Anizor and Hank Voss set the record straight in this concise treatment of a doctrine that lies at the center of church life and Christian spirituality. The authors look at the priesthood of all believers in terms of the biblical witness, the contribution of Martin Luther and the doctrine of the Trinity. They place this concept in the context of the canonical description of Israel and the church as a royal priesthood that responds to God in witness and service to the world.

Representing Christ is much more than a piece of Reformation history. It shows that the priesthood of all believers is interwoven with the practical, spiritual and missional life of the church.

Royal Priesthood Darton Longman and Todd

An up-to-date ecumenical understanding of the Church and its ministry that cuts across divisions between Catholic and Evangelical, Anglican and Reformed, and includes the ministry of both men and women.
