This monograph enquires into the unity of the Book of Isaiah. Was the final text of Isaiah intended to give an answer to the prophet Nathan's questioning of

YHWH's faithfulness to his promises to David (II Sam 7)? The background to Nathan's prophecy - anchored above all in the union between the Royal House of David and the House of YHWH - forms the thread leading the reader through the 66 chapters of the Book of Isaiah and presenting it as the inheritance of the promise. The added meaning given by the final redaction in its turn poses the question of the role played by redactors in the prophetic literature.

Sleeps Tonight.

*The Nation* McDougal Littel

In this YA novel in verse from bestselling authors Kwame Alexander and Mary Rand Hess (*Solo*), which Kirkus called “lively, moving, and heartfelt” in a starred review, Noah and Walt just want to leave their geek days behind and find “cool,” but in the process discover a lot about first loves, friendship, and embracing life . . . as well as why Black Lives Matter is so important for all. Best friends Noah and Walt are far from popular, but Walt is convinced junior year is their year, and he has a plan that includes wooing the girls of their dreams and becoming amazing athletes. Never mind he and Noah failed to make their baseball team yet again, and Noah’s

crush since third grade, Sam, has him firmly in the friend zone. While Walt focuses on his program of jazz, podcasts, battling cages, and a “Hug Life” mentality, Noah feels stuck in status quo ... until he stumbles on a stash of old love letters. Each one contains words Noah’s always wanted to say to Sam, and he begins secretly creating artwork using the lines that speak his heart. But when his art becomes public, Noah has a decision to make: continue his life in the dugout and possibly lose the girl forever, or take a swing and finally speak out. At the same time, American flags are being left around town. While some think it’s a harmless prank and others see it as a form of protest, Noah can’t shake the feeling something bigger is happening to his community. Especially after he

witnesses events that hint divides and prejudices run deeper than he realized. As the personal and social tensions increase around them, Noah and Walt must decide what is really important when it comes to love, friendship, sacrifice, and fate. *Swing*: is written by New York Times bestselling author and Newbery Medal and Coretta Scott King Award-winner Kwame Alexander. Features a diverse array of characters and perspectives tackles the biggest social issues of today, including racial prejudice and Black Lives Matter is perfect reading for the classroom or community-wide discussions is a 2020 YALSA Quick Pick for Reluctant Young Adult Readers contains original artwork tied to the story. If you enjoy *Swing*, check out *Solo* by Kwame Alexander and

*Billboard* Nelson Thornes  
What is understanding and how does it differ from knowledge? How can we determine the big ideas worth understanding? Why is understanding an important teaching goal, and how do we know when students have attained it? How can we create a rigorous and engaging curriculum that focuses on understanding and leads to improved student performance in today's high-stakes, standards-based environment? Authors Grant Wiggins and Jay McTighe answer these and many other questions in this second edition of *Understanding by Design*. Drawing on feedback from thousands of educators around the world who have used the UbD framework since its introduction in 1998, the authors

have greatly revised and expanded their original work to guide educators across the K-16 spectrum in the design of curriculum, assessment, and instruction. With an improved UbD Template at its core, the book explains the rationale of backward design and explores in greater depth the meaning of such key ideas as essential questions and transfer tasks. Readers will learn why the familiar coverage- and activity-based approaches to curriculum design fall short, and how a focus on the six facets of understanding can enrich student learning. With an expanded array of practical strategies, tools, and examples from all subject areas, the book demonstrates how the research-based principles of Understanding by Design apply to district frameworks as well as to

individual units of curriculum. Combining provocative ideas, thoughtful analysis, and tested approaches, this new edition of Understanding by Design offers teacher-designers a clear path to the creation of curriculum that ensures better learning and a more stimulating experience for students and teachers alike.

[www.laits.utexas.edu/tex/](http://www.laits.utexas.edu/tex/) Français interactif is an open access site, a free and open multimedia resources, which requires neither password nor fees. Français interactif has been funded and created by Liberal Arts Instructional Technology Services at the University of Texas, and is currently supported by

COERLL, the Center for Open Educational Resources and Language Learning UT-Austin, and the U.S. Department of Education Fund for the Improvement of Post-Secondary Education (FIPSE Grant P116B070251) as an example of the open access initiative.

Français Interactif Walter de Gruyter Naum Gabo (1890-1977), whose eventful life took him from his native Russia to Berlin, Paris, London, and finally the United States, achieved renown as one of the most inventive and controversial figures in twentieth-century sculpture. This book is the first comprehensive account of Gabo's life, career, and artistic theory and practice. Martin Hammer and Christina Lodder explore in detail the evolution of the artist's work and his aesthetic concerns, creative

processes, assimilation of such new materials as plastic, and approach to public sculpture. The authors also examine his response to the scientific and political revolutions of his age and trace the origins and development of Gabo's utopian conviction that Constructivist art was profoundly in tune with modernity, social progress, and advances in science and technology. Drawing on Gabo's extensive and largely unpublished archives of letters, diaries, notebooks, models, and sketchbooks, Hammer and Lodder discuss the sculptor's work in the context of his relations with other avant-garde artists, architects, and critics, including his brother Antoine Pevsner. They also situate his aesthetic theory and practice within the Constructi

#1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE

STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story

about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. “[Bryan Stevenson’s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country.”—John Legend

NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time

Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn't commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinkmanship—and transformed his understanding of mercy and justice forever. *Just Mercy* is at once an unforgettable account of an idealistic, gifted young lawyer's coming of age, a moving window into the lives of those he has defended, and an inspiring argument

for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book “Every bit as moving as *To Kill a Mockingbird*, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields.”—David Cole, *The New York Review of Books* “Searing, moving . . . Bryan Stevenson may, indeed, be America's Mandela.”—Nicholas Kristof, *The New York Times* “You don't have to read too long to start cheering for this

man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. Just Mercy will make you upset and it will make you hopeful.”—Ted Conover, The New York Times Book Review “Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he’s also a gifted writer and storyteller.”—The Washington Post “As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty.”—The Financial Times “Brilliant.”—The Philadelphia Inquirer *The Popular Educator* Pearson Education Section 1 provides a detailed teaching

plan to help teachers with lesson preparation. Section 1 also offers notes about the National Curriculum, the QCA Scheme of Work for Key Stage 3, the National Literacy Strategy, the Scottish Guidelines, and the Curriculum in Northern Ireland. Section 2 gives details of a wide range of games and practice activities for use in pairs, groups or as a class. Section 3 provides unit by unit suggestions for teaching with the materials. The "Teacher's Book" also incorporates all the transcripts of the recorded material.
