BESTSELLER • A high-

stakes thrill ride through the darkest corners of the Sunshine State, from the author hailed as “the best thriller writer alive” by Ken Follett We expect our judges to be honest and wise. Their integrity is the bedrock of the entire judicial system. We trust them to ensure fair trials, to protect the rights of all litigants, to punish those who do wrong, and to oversee the flow of justice. But what happens when a judge bends the law or takes a bribe? Lacy Stoltz is an investigator for the Florida Board on Judicial Conduct. It is her job to respond to complaints dealing with judicial misconduct. After nine years with the Board,

she knows that most problems are caused by incompetence, not corruption. But a corruption case eventually crosses her desk. A previously disbarred lawyer is back in business, and he claims to know of a Florida judge who has stolen more money than all other crooked judges combined. And not just crooked judges in Florida. All judges, from all states, and throughout United States history. And now he wants to put a stop to it. His only client is a person who knows the truth and wants to blow the whistle and collect millions under Florida law. When the case is assigned to Lacy, she immediately suspects that this one could be dangerous. Dangerous is one thing. Deadly is something else. “[A] main character [who’s] a seriously appealing woman . . . a whistle-blower who

secretly calls attention to corruption . . . a strong and frightening sense of place . . . [John Grisham’s] on his game.”—Janet Maslin, The New York Times “[John Grisham is] our guide to the byways and backwaters of our legal system, superb in particular at ferreting out its vulnerabilities and dramatizing their abuse in gripping style.”—USA Today “Riveting . . . an elaborate conspiracy.”—The New York Times Book Review Don’t miss John Grisham’s new book, THE EXCHANGE: AFTER THE FIRM, coming soon! The Whale Road Createspace Independent Publishing Platform The gripping story of one American lawyer’s obsessive crusade—waged at any cost—against Big Oil on behalf of the poor farmers and indigenous tribes of the Amazon rainforest.

Steven Donziger, a self-styled social activist and Harvard educated lawyer, signed on to a budding class action lawsuit against multinational Texaco (which later merged with Chevron to become the third-largest corporation in America). The suit sought reparations for the Ecuadorian peasants and tribes people whose lives were affected by decades of oil production near their villages and fields. During twenty years of legal hostilities in federal courts in Manhattan and remote provincial tribunals in the Ecuadorian jungle, Donziger and Chevron's lawyers followed fierce no-holds-barred rules. Donziger, a larger-than-life, loud-mouthed showman, proved himself a master orchestrator of the media, Hollywood, and public opinion. He cajoled and coerced Ecuadorian judges on the theory that his noble ends justified any means of persuasion. And in the end, he won an unlikely victory, a \$19 billion judgment against Chevron-the biggest environmental damages award in history. But the company refused to surrender or compromise. Instead, Chevron targeted

Donziger personally, and its counter-attack revealed damning evidence of his politicking and manipulation of evidence. Suddenly the verdict, and decades of Donziger's single-minded pursuit of the case, began to unravel. Written with the texture and flair of the best narrative nonfiction, *Law of the Jungle* is an unputdownable story in which there are countless victims, a vast region of ruined rivers and polluted rainforest, but very few heroes.

#1 NEW YORK TIMES BESTSELLER • John Grisham's newest legal thriller takes you inside a law firm that's on shaky ground. Mark, Todd, and Zola came to law school to change the world, to make it a better place. But now, as third-year students, these close friends realize they have been duped. They all borrowed heavily to

attend a third-tier, for-profit law school so mediocre that its graduates rarely pass the bar exam, let alone get good jobs. And when they learn that their school is one of a chain owned by a shady New York hedge-fund operator who also happens to own a bank specializing in student loans, the three know they have been caught up in *The Great Law School Scam*. But maybe there's a way out. Maybe there's a way to escape their crushing debt, expose the bank and the scam, and make a few bucks in the process. But to do so, they would first have to quit school. And leaving law school a few short months before graduation would be completely crazy, right? Well, yes and no ... Pull up a stool, grab a cold one, and get ready to spend some time at The Rooster Bar. Don't miss John Grisham's new book, *THE EXCHANGE: AFTER THE FIRM*, coming soon!

John Grisham's new book, **THE EXCHANGE: AFTER THE FIRM**, coming soon! **The Rainmaker** Anchor Books are leatherette-bound, signed and numbered, with printed endpapers, gold stamping, a slipcase, and a ribbon marker. On the right side of the law. Sort of. Sebastian Rudd is not your typical street lawyer. He works out of a customized bulletproof van, complete with Wi-Fi, a bar, a small fridge, fine leather chairs, a hidden gun compartment, and a heavily armed driver. He has no firm, no partners, no associates, and only one employee, his driver, who's also his bodyguard, law clerk, confidant, and golf caddy. He lives alone in a small but extremely safe penthouse apartment, and his primary piece of furniture is a vintage pool table. He drinks small-batch bourbon and carries a gun. Sebastian defends people other lawyers won't go near: a drug-addled, tattooed kid rumored to be in a satanic cult, who is accused of molesting and murdering two little girls; a vicious crime lord on death row; a homeowner arrested for shooting at a SWAT team that mistakenly invaded his house. Why these

clients? Because he believes everyone is entitled to a fair trial, even if he, Sebastian, has to cheat to secure one. He hates injustice, doesn't like insurance companies, banks, or big corporations; he distrusts all levels of government and laughs at the justice system's notions of ethical behavior.

Sebastian Rudd is one of John Grisham's most colorful, outrageous, and vividly drawn characters yet. Gritty, witty, and impossible to put down, *Rogue Lawyer* showcases the master of the legal thriller at his very best.
