Jordan & Syria Lonely Planet

The classic series provides the complete picture through expert and informative text and remarkable photography. Each book is an inspiring background read, serves as an invaluable, on-the-spot companion and can be kept as a superb, visual souvenir of a visit.

Syria - Wink Travel Guide Legare Street Press

A travel series unlike any other, Insight Guides go beyond the sights and into reality. Their incomparable

photojournalistic approach captures the uniqueness of each culture they cover: their traditions, their arts, their history, their lives. The stunning photography is married to compelling text, written by local writers; the people most qualified to convey their culture's "secrets". Yes, Insight Guides will tell you which attractions to visit, but they'll also tell you a whole lot more. From the most popular resort cities to the world's most remote and exotic villages, Insight Guides will give you the insider's perspective you need to truly experience any destination you visit.

Insight Guides serve many purposes. They are ideal for planning a trip. And, they're wonderful souvenirs to treasure for years after. Even the armchair traveler can be swept away by their magnificent content and experience the world from the comfort of home. Many international and domestic and domestic destinations also offer companion FlexiMaps, an innovative laminated folding map specially designed for the discriminating traveler.

Country Life in Syria Lonely Planet his new edition of Bradt's Lebanon remains the most comprehensive and detailed English-language guide available. In addition to its more in-depth coverage of essential background information such as history, culture and religion the guide has expanded treatment for the business traveller and prospective property buyer. Subjects such as the environment and responsible travel are given increased emphasis, and there is plenty of additional information for those interested in volunteering opportunities. The guide also caters for all types of travellers and budgets with extensive listings and reviews for accommodation and restaurants. There is also a new section on

travelling with children. With a comprehensive language appendix covering both Arabic and French together with an expanded further reading section for this new edition, Bradt's Lebanon is an indispensable practical companion for use within the country and a useful work of reference for armchair travellers too. Although only half the size of Wales, Lebanon offers extraordinary diversity. Here, some of the oldest human settlements in the world at the Phoenician ports of Tyre, Sidon and Byblos sit alongside modern Beirut, popular for its cuisine, eclectic nightlife and mosaic of peoples. In Lebanon's second city, Tripoli, busy medieval souks are watched over by a vast Crusader castle. Outside the city, snow-capped mountains and the lush Qadisha Valley with its snaking river and waterfalls provide entertainment for skiers and hikers, while the Mediterranean Sea draws sun and watersports enthusiasts. Bradt's Lebanon provides detailed cultural and practical information to this increasingly popular destination. It also provides in-depth historical and religious background enabling visitors to travel with awareness and sensitivity.

Syria Gareth Stevens

A travel through the Holy Land, Lebanon, Syria, Turkey, Greece, Cyprus, Rhodes, and the Aegean Islands; with many illustrations. The author is "the most likable of all the later American essayists" (Cambridge His. of American and English Literature).

Syria and the Holy Land, Their Scenery and Their People Lonely Planet

Syria is one of the larger states of the Middle East. Its capital, and second largest city after Aleppo, is Damascus, the world's oldest continuously inhabited city. Syria is

bordered to the north by Turkey, to the east by Iraq, by Jordan and Israel to the south, and by Lebanon to the south-west. In addition, the western part of the country has a short coastline on the Mediterranean Sea. Wink Travel Guides introduce you to the best world travel destinations, in a clear and concise way, illustrated by photos.

Middle East Lonely Planet

Reviews the history, geography, and culture of the Middle East, describing the cities, historical sites, and attractions in each country and recommending hotels and restaurants.

JORDAN SYRIA AND LEBANON TRAVEL ATLAS 1ED BoD – Books on Demand

This travelogue by Harriet Rattray provides a vivid and engaging account of life and culture in 19th-century Syria. Drawing on her experiences living in a remote village near the Anti-Lebanon Mountains, Rattray offers insights into the customs, traditions, and daily routines of the local people. With an eye for detail and a sharp wit, she describes the challenges and pleasures of living in a foreign land, as well as the beauty and diversity of the Syrian landscape. This book is a must-read

for anyone interested in the history and culture of the Middle East. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Syria and Lebanon 4 Lonely Planet

Both Syria and Lebanon still labour under their media stereotypes as places of religious fanaticism, terrorism and intractable conflict. True, the region has had more than its fair share of wars, atrocities and suffering, and the Arab-Israeli conflict continues to cast its tragic shadow. Indeed, this is a conflict which goes right back to the dawn of history, resonating through the Old Testament stories of the origins of the Israelites, and the Exodus, when Moses led his people from exile in Egypt back to the Promised Land. But these same twists of religion, history and geography are also what makes this such a fascinating region to visit. Forget your preconceptions and go see for yourself; the day-to-day reality on

the ground is a world away from the media stereotypes. Rather, you will find yourself stepping into a wonderful world of breathtakingly beautiful and well preserved historic monuments, stunning scenery, delicious food and diverse peoples.

In the Levant Langenscheidt Publishers

This book is a reprint of the famous original which was first published in 1918.

Syria Rough Guides
