Tests require a special kind of savvy, a kind of critical thinking and knowledge application that is not always a part of

classroom reading experiences. Who better to teach you how to prepare your students for reading tests than someone who has written them? Charles Fuhrken has spent years working with several major testing companies and contributing to the reading assessments of various testing programs. What he's learned about testing can help teachers who are interested in teaching effective reading strategies as well as preparing students for reading tests. What Every Middle School Teacher Needs to Know About Reading Tests (From Someone Who Has Written Them) offers extensive, practical strategies to help students perform well on test day. This ready-to-use, easy-to-understand resource provides a wealth of information about reading tests, including high-quality

preparation materials, samples of the most frequently assessed reading standards, and engaging core-reading activities. Charles takes the mystery out of reading tests; he explains how students can learn the language of tests and apply their knowledge of reading to standardized tests. In addition to providing information about reading tests that will help students feel prepared and confident on test day, *What Every Middle School Teacher Needs to Know About Reading Tests* provides a wealth of resources that can be incorporated into a teacher's everyday reading work, including vocabulary development, literary techniques, interpretation, comprehension, and more. This comprehensive manual that covers informational and literary texts will empower teachers to guide their students as they analyze challenging texts. Each lesson leads students to focus on the “why” and “how” of what an author is saying rather than just the “what.” In addition to the detailed definitions and examples for dozens of literary techniques, Gisele Cyr includes teaching tips and talking points which

will help teachers engage students in in-depth analyses of excerpts of classic, contemporary, and poetic works. With guided help, students will find the in-depth analyses enriching and foster an honest appreciation for the classics. The manual is designed to complement any school district’s selections chosen to achieve mastery of the Common Core reading standards.

Teach your young writers the Figurative Language tools that will help them increase their vocabulary and enable the readers of their works to better visualize their story, poem or narrative verse. As well, help your students become proficient in discovering the figure of speech while reading. We extensively cover: metaphor (one thing is said to be something else), alliteration (repeats two or more initial sounds in one sentence), personification (occurs when we give a non-human thing, human qualities, like

actions, thoughts, feelings and habits), and simile (compares two unlike things using the words like, as or than). This Chants & Classifications lesson provides a teacher and student section with a variety of reading passages, activities, student reviews, and answer key to create a well-rounded lesson plan.

Figurative Language Gr. 4-6

DIWAKAR EDUCATION HUB

A 25th anniversary edition of the

enchancing story of a widow who finds

herself in possession of an extraordinary broom after a witch falls into her garden. Some of Minna Shaw's neighbors don't trust her clever broom. "It's dangerous," they say. But Minna appreciates the broom's help. She enjoys its quiet company. But one day two children get taught a well-deserved lesson by the broom. For her neighbors, this is proof of the broom's evil spirit. Minna is obligated to give up her dear companion. Chris Van Allsburg, master of the mysterious, brings this tale to life with moody and memorable pictures that will haunt readers long after the book's covers are closed—now in a new edition to celebrate this beloved book's twenty-fifth anniversary.
