"The new novel from the New York Times bestselling author of The Devil Wears Prada and Revenge Wears Prada--a dishy tell-all about a beautiful tennis prodigy who, after changing coaches, suddenly makes headlines on and off the court. Charlotte "Charlie" Silver has always been a good girl. She excelled at tennis early, coached by her father, a former player himself, and soon became one of the top juniors in the world. When she leaves UCLA--and breaks her boyfriend's heart--to turn pro, Charlie joins the world's best athletes who travel eleven months a year, competing without mercy for Grand Slam titles and Page Six headlines. After Charlie suffers a disastrous loss and injury on Wimbledon's Centre Court, she fires her longtime coach and hires Todd Feltner, a legend of the men's tour, who is famous for grooming champions. Charlie is his first-ever female player, and he will not let her forget it. He is determined to change her good-girl image--both on the court and off--and transform her into a ruthless competitor who will not only win matches and climb the rankings, but also score magazine covers and seven-figure endorsement deals. Her not-so-secret affair with the hottest male player in the world, sexy Spaniard Marco Vallejo, has people whispering, and it seems like only a matter of time before the tabloids and gossip blogs close in on all the juicy details. Charlie's ascension to the social throne parallels her rising rank on the women's tour--but at a major price. Lauren Weisberger's novel brings us exclusive behind-the-scenes details from all the Grand Slam tournaments: the US Open, the French Open, the Australian Open, and Wimbledon. Charlie Silver jets around the globe, plays charity matches aboard Mediterranean megayachts, models in photo shoots on Caribbean beaches, walks the red carpet at legendary player parties, and sidesteps looming scandals--all while trying to keep her eyes on the real prize. In this sexy, unputdownable read about young tennis stars who train relentlessly to compete at the highest levels while living in a world obsessed with good looks and Instagram followers, Charlie must discover the secret to having it all--or finally shatter the illusion for good"--

O diabo veste Prada (414 páginas) O mundo da moda não é para iniciantes. Especialmente em Nova York. Para conquistar espaço — o mínimo que seja — é preciso muitas vezes experimentar o pão que o diabo amassou. Ou mesmo vender a alma ao dito-cujo. Mas será que vale a pena tanto sacrifício? Com conhecimento de causa, Lauren Weisberger lança a questão com charme e bom humor em seu romance de estreia, O diabo veste Prada, que

revela, em detalhes, histórias de personagens facilmente identificáveis no mundinho fashion de Nova York. O resultado é um livro saboroso, fiel ao melhor estilo da nova literatura feminina de humor e que chegou aos cinemas em 2006, com Meryl Streep e Anne Hathaway nos papéis principais. A vingança veste Prada (448 páginas) Depois abandonar o emprego na Runaway há quase dez anos e se livrar da insuportável Miranda Priestly, Andrea Sachs agora é a bem-sucedida editora de uma revista de luxo sobre casamentos, a Plunge. Ao lado de Emily, antiga colega de trabalho e sua atual melhor amiga, sua vida não poderia estar melhor: além do sucesso do novo empreendimento, ela está prestes a casar com um dos solteiros mais cobiçados de Nova York. Mas uma semana antes do casamento, um fantasma do passado, ou melhor, um diabo, volta a assombrá-la. O diabo ataca em Wimbledon (392 páginas) Quando a tenista queridinha dos americanos, Charlotte "Charlie" Silver, faz um pacto com o diabo — o treinador carrasco Todd Feltner —, é catapultada para um mundo de estilistas famosos, festas exclusivas, jogos beneficentes a bordo de iates gigantescos e encontros românticos com a realeza hollywoodiana. Sob a nova direção impiedosa de Todd, Charlie, a menina boa, já era. Todd só quer saber de Charlie, a "Princesa Guerreira". Afinal de contas, ninguém chega ao topo sendo bonzinho. Revistas e blogs de fofocas seguem Charlie freneticamente em suas viagens pelo mundo perseguindo vitórias em Grand Slams e manchetes no Page Six. Mas, quando a estrela da Princesa Guerreira ascende dentro e fora das quadras, há um preço a pagar. Num mundo obcecado por aparências e celebridades, estaria Charlie Silver disposta a se perder para vencer a todo custo? De Wimbledon ao Caribe, do US Open ao Mediterrâneo, O diabo ataca em Wimbledon é um passeio sexy e perversamente divertido por um mundo em que as apostas são altas — e as regras do jogo nem sempre são respeitadas.

"Andrea Sachs, a small-town girl fresh out of college, lands the job "a million girls would die for." Hired as the assistant to Miranda Priestly, the high-profile, fabulously successful editor of Runway magazine, Andrea finds herself in an office that shouts Prada! Armani! Versace! at every turn, a world populated by impossibly thin, heart-wrenchingly stylish women and beautiful men clad in fine-ribbed turtlenecks and tight leather pants that show off their lifelong dedication to the gym. With breathtaking ease, Miranda can turn each and every one of these hip sophisticates into a

scared, whimpering child. The Devil Wears Prada gives a rich and hilarious new meaning to complaints about "The Boss from Hell." Narrated in Andrea's smart, refreshingly disarming voice, it traces a deep, dark, devilish view of life at the top only hinted at in gossip columns and over Cosmopolitans at the trendiest cocktail parties. From sending the latest, not-yet-in-stores Harry Potter to Miranda's children in Paris by private jet, to locating an unnamed antique store where Miranda had at some point admired a vintage dresser, to serving lattes to Miranda at precisely the piping hot temperature she prefers, Andrea is sorely tested each and every day - and often late into the night with orders barked over the phone. She puts up with it all by keeping her eyes on the prize: a recommendation from Miranda that will get Andrea a top job at any magazine of her choosing. As things escalate from the merely unacceptable to the downright outrageous, however, Andrea begins to realize that the job a million girls would die for may just kill her. And even if she survives, she has to decide whether or not the job is worth the price of her soul"--Amazon.com.

Дьявол носит Prada Simon and Schuster

O livro icônico que inspirou o filme de mesmo nome, estrelado por Meryl Streep e Anne Hathaway, O diabo veste Prada é uma história perversa sobre uma chefe infernal e os acordos que estamos dispostos a fazer com o diabo para alcançar o sucesso. Andrea Sachs acabou de se formar na faculdade e conseguiu o emprego dos sonhos de muitas mulheres: será a mais nova assistente de Miranda Priestly, lendária editora-chefe da revista Runway. De repente, ela se vê trabalhando em uma redação cercada por todas as grifes: Prada! Gucci! Chanel! Um mundo habitado por mulheres estilosas absurdamente magras e homens com roupas justas que revelam seus anos de dedicação à academia. E basta um olhar da poderosa Miranda para que todas essas pessoas caiam aos seus pés. A editora é uma figura temida e respeitada, que, de quebra, faz da vida de seus subordinados um inferno. Apesar da pressão de trabalhar na revista de moda mais conceituada do mundo, Andrea lida com tudo de maneira leve e divertida. Em meio ao glamour da moda, que meros mortais acompanham apenas pelas revistas, ela corre atrás das exigências mais absurdas da chefe: envia de jatinho livros ainda não lançados para as filhas dela em Paris, procura uma loja de antiguidades na qual Miranda teria visto uma peça maravilhosa (mesmo que não se lembre bem do que viu nem onde viu) e serve o café na temperatura certa. Isso tudo 24 horas por dia! O único objetivo de Andrea é conseguir a recomendação profissional de Miranda para garantir a vaga de redatora na New Yorker. Mas o preço de ter um emprego dos sonhos pode ser mais alto do que ela está disposta a pagar. Livro icônico que inspirou uma das adaptações cinematográficas mais influentes da cultura pop, O diabo veste Prada é uma história terrível e ao mesmo tempo bastante corriqueira, sobre os pactos que somos capazes de fazer com o diabo para conseguir sucesso na vida. "O grau de influência de O diabo veste Prada na cultura pop não precisa de explicação." - Vanity Fair

Inzwischen ist Andrea Herausgeberin von The Plunge, dem derzeit angesagtesten Brautmagazin, und arbeitet dort mit ihrer ehemaligen Konkurrentin und derzeitigen besten Freundin Emily zusammen. Alles könnte so schön sein, zumal auch noch Andreas Hochzeit mit dem umwerfenden Max, Spross eines einflussreichen Medienunternehmers, bevorsteht. Doch ihre Zeit bei Runway verfolgt Andrea noch immer. Und sie ahnt nicht, dass all ihre Versuche, sich ein neues Leben aufzubauen, sie direkt in ihr altes zurückführen - und in die Arme von Miranda Priestly.

The Devil Wears Prada Edizioni Piemme

"The Devil Wears Prada's Emily Charlton gets the spin-off she deserves" (Cosmopolitan) in the months-long New York Times bestseller from Lauren Weisberger in which three women team up to bring a bad man down in the tony suburb of Greenwich, Connecticut. Welcome to Greenwich, Connecticut, where the lawns and the women are perfectly manicured, the Tito's and sodas are extra strong, and everyone has something to say about the infamous new neighbor. Let's be clear: Emily Charlton does not do the suburbs. After leaving Miranda Priestly, she's been working in Hollywood as an image consultant to the stars, but recently, Emily's lost a few clients. She's hopeless with social media. The new guard is nipping at her heels. She needs a big opportunity, and she needs it now. When Karolina Hartwell, a gorgeous former supermodel, is arrested, her fall from grace is merciless. Her senator-husband leaves her, her Beltway friends disappear, and the tabloids pounce. In Karolina, Emily finds her

comeback opportunity. But she quickly learns Greenwich is a world apart and that this comeback needs a team approach. So it is that Emily, the scorned Karolina, and their mutual friend Miriam, a powerful attorney turned stay-at-home mom, band together to navigate the social land mines of suburban Greenwich and win back the hearts of the American public. Along the way, an unexpected ally emerges in one Miranda Priestly. With her signature wit, Lauren Weisberger offers an alluring look into a sexy, over-the-top world—and proves it's style and substance together that gets the job done. "A delicious sequel to *The Devil Wears Prada*...exploring what it's like to be a woman buffeted by conflicting messages about career, relationships, and motherhood" (The Washington Post), *When Life Gives You Lululemons* is "amazing novel about...truth, lies and how everyone is a little bit insecure" (Associated Press). "Fast-paced, funny, and gossipy, this is the must-have accessory for your beach bag" (PopSugar).
