More than 6 million copies sold! The classic Christian novel of the crucifixion and one Roman soldier's transformation through faith. At the height of his popularity, Lloyd C. Douglas was receiving an average of one hundred letters a week from fans. One of those fans, a department store clerk in Ohio named Hazel McCann, wrote to Douglas asking what he thought had happened to Christ's garments after the crucifixion. Douglas immediately began working on *The Robe*, sending each chapter to Hazel as he finished it. It is to her that Douglas dedicated this book. A Roman soldier wins Christ's robe as a gambling prize. He then sets forth on a quest to find the truth about the Nazarene—a quest that reaches to the very roots and heart of Christianity. Here is the fascinating story of this young Roman soldier, Marcellus, who was in charge at the crucifixion of Jesus. After he won Christ's robe in a game of dice on Calvary, he experienced a slow and overpowering change in his life. Through the pages of this great book, the reader sees how a pagan Roman was eventually converted to Christ. Set against the vividly drawn background of ancient Rome, this is a timeless story of adventure, faith, and romance, a tale of spiritual longing and ultimate redemption . . .

Presents an annotated version of Harriet Beecher Stowe's classic novel "Uncle Tom's Cabin" that describes the lives of slaves and abolitionists in the 1800s, historical discussions of the Underground Railroad, slave trade, and plantation life, and advertisements that were influenced by the novel.

The Story of an African Farm Princeton University Press

From Midnight to Dawn presents compelling portraits of the men and women who established the Underground Railroad and traveled it to find new lives in Canada. Evoking the turmoil and controversies of the time, Tobin illuminates the historic events that forever connected American and Canadian history by giving us the true stories behind well-known figures such as Harriet Tubman and John Brown. She also profiles lesser-known but equally heroic figures such as Mary Ann Shadd, who became the first black female newspaper editor in North America, and Osborne Perry Anderson, the only black survivor of the fighting at Harpers Ferry. An extraordinary examination of a part of American history, *From Midnight to Dawn* will captivate readers with its tales of hope, courage, and a people's determination to live equally under the law.

A darkly luminous new anthology collecting the most terrifying horror stories by renowned female authors, presenting anew these forgotten classics to the modern reader. Readers are well aware that Mary Shelley wrote *Frankenstein*: few know how many other tales of terror she created. In addition to *Uncle Tom's Cabin*, Harriet Beecher Stowe wrote some surprisingly effective horror stories. The year after *Little Women* appeared, Louisa May Alcott published one of the first mummy tales. These ladies weren't alone. From the earliest days of Gothic and horror fiction, women were exploring the frontiers of fear, dreaming dark dreams that will still keep you up at night. *More Deadly than the Male* includes unexpected horror tales by Louisa May Alcott and Harriet Beecher Stowe, and forgotten writers like Mary Cholmondeley and Charlotte Riddell, whose work deserves a modern audience. Readers will be drawn in by the familiar names and intrigued by their rare stories. In *The Becksid Boggle*, Alice Rea brings a common piece of English folklore to hair-raising life, while Helene Blavatsky, best known as the founder of the spiritualist Theosophical Society, paints a picture of *A Witch's Den* as vivid as any vision conjured up by the great pulp writers. Edith Wharton's great novel *The Age of Innocence* won her the Pulitzer prize, yet her horror stories are known only to a comparative few. Readers will discover lost and forgotten women who wrote horror every bit as effectively as their male contemporaries. They will learn about their lives and careers, the challenges they faced as women working in a male-dominated field, the way they overcame those challenges, and the way they approached the genre—which was often subtler, more psychological, and more disturbing.

This collection of new translations brings together the small proportion of Kafka's works that he himself thought worthy of publication. It includes *Metamorphosis*, his most famous work, an exploration of horrific transformation and alienation; *Meditation*, a collection of his earlier studies; *The Judgement*, written in a single night of frenzied creativity; *The Stoker*, the first chapter of a novel set in America and a fascinating occasional piece, and *The Aeroplanes at Brescia*, Kafka's eyewitness account of an air display in 1909. Together, these stories reveal the breadth of Kafka's literary vision and the extraordinary imaginative depth of his thought.

2020 Reprint of the 1924 Edition. Full facsimile of the original edition and not reproduced with Optical Recognition software. The novel describes the problems of a family in which husband and wife are oppressed and frustrated by the roles that they are expected to play. Evangeline Knapp is the ideal housekeeper, while her husband Lester is a poet and a dreamer. Suddenly, through a nearly fatal accident, their roles are reversed; Lester is confined to home in a wheelchair and his wife must work to support the family. "This 1924 novel... deals in a seemingly contemporary with the issue of how a married couple can feel oppressed and frustrated by the roles they are expected to play and what happens when these roles are reversed." -- Philadelphia Inquirer. "What if a husband likes to keep house and is good at it? What if a wife wants to have a job? In the early part of the 20th century, switching roles was an unthinkable solution, but the author uses the frame of a serious accident to set up the situation in this book. "The Home-Maker" is a great commentary on gender roles and Fisher is a keen observer of human nature, so the characters are wonderful. However, the real reason to read this book is something additional. It contains some of the very best writing I have ever seen on the unfolding of a child's character and the responsibility of a parent. The scenes with the children are charming and appealing, but they are also intensely insightful. Fisher had strong views on the need for children to grow up strong and independent, and she found few obligations more serious than that of parents who must carefully accord respect to their children, while nurturing their children's nature to the fullest. She makes her serious point in the framework of an irresistible tale of a loving father and mother who just happen to be miscast in their family roles. Don't miss this one if you want a great book about what children need from adults. And don't miss

Uncle Tom's Cabin; or, Life Among the Lowly, is an anti-slavery novel by American author Harriet Beecher Stowe. Published in 1852, the novel "helped lay the groundwork for the Civil War," according to Will Kaufman. Stowe, a Connecticut-born teacher at the Hartford Female Seminary and an active abolitionist, featured the character of Uncle Tom, a long-suffering black slave around whom the stories of other characters revolve. The sentimental novel depicts the reality of slavery while also asserting that Christian love can overcome something as destructive as enslavement of fellow human beings. Uncle Tom's Cabin was the best-selling novel of the 19th century and the second best-selling book of that century, following the Bible. It is credited with helping

fuel the abolitionist cause in the 1850s. In the first year after it was published, 300,000 copies of the book were sold in the United States; one million copies in Great Britain. In 1855, three years after it was published, it was called "the most popular novel of our day." The impact attributed to the book is great, reinforced by a story that when Abraham Lincoln met Stowe at the start of the Civil War, Lincoln declared, "So this is the little lady who started this great war." The quote is apocryphal; it did not appear in print until 1896, and it has been argued that "The long-term durability of Lincoln's greeting as an anecdote in literary studies and Stowe scholarship can perhaps be explained in part by the desire among many contemporary intellectuals ... to affirm the role of literature as an agent of social change."
