Does your kid have a hard time falling asleep? Does your little one like to hear stories before sleep? Would you like your child to drift off easily into a deep, peaceful, natural, restoring sleep? Than read more and find out how this book can help you to share a special evening moment with your child through a storytelling experience, letting your kid calm down, fall asleep fast, have a peaceful night and sweet dreams. Nowadays, kids grow up in a busy, noisy and tech-connected society: the consequences are human connection suffers, mental health suffers, focus suffers, and sleep suffers. Bedtime short stories could improve it all, and allow your child to relax, breathe, reduce stress, increase imagination and self-esteem and sleep very well. This is the 4th book in a four-part series. There are short stories, poems and fairytales in this book. In each story there is a great tool for building vocabulary in children early on, there is a great moral and life lesson that the child can apply in their own life. This book includes: Bed Night Short Stories Fairy Tales that allow your child's imagination to flourish Nursery Rhymes and Short Poems Fantastic Stories, including forest, jungle, and funny animals Adventure Stories Magic Stories Animal Tales Riddles Stories Inspirational Stories that will motivate your child to act and thrive By falling asleep with this book your child will: Get a valuable life lesson and a great moral from each story Practice alphabet while listening to the engaging story Learn to read and develop vocabulary Learn about different animals and their life Build confidence and self-esteem Improve emotional intelligence skills Learn kindness Grow initiative, leadership and responsibility Increase imagination, interest and creativity Focus on listening for a prolonged period of time Find calm Put fears to rest Experience peace and relaxation Sleep deeply and peacefully all night And much more..... These Bedtime Stories are multicultural and feature positive moral messages to leave a lasting impression on your child! There is no preferred age range for these scripts. They will work well anywhere from ages 2 to 8. Share and enjoy these Bedtime Stories with your little one, as it is a much-needed rest for a busy child, and the most magical moment of the day. Let your child relax, fall asleep fast and have sweet dreams. To treat your child with Bedtime Stories, Scroll to the top of the page and click the BUY NOW button!

Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! Different can be great!

Makayla is visiting friends in her neighborhood. She sees how each family is different. Some families have lots of children, but others have none.

Some friends live with grandparents or have two dads or have parents who are divorced. How is her own family like the others? What makes each one great? This diverse cast allows readers to compare and contrast families in multiple ways.

I Write Short Stories by Kids for Kids Lerner Digital™

There was a time when storybooks were the only means of entertainment for children. A decade or two ago, kids spent their time reading stories and role-playing their favorite characters from the stories. However, times have changed now - in the age of the internet, kids spend most of their time playing games on smartphones or watching cartoons or videos on YouTube.But if you want your kids to take a break from screens and experience your childhood, you can read short stories to them. By narrating stories to your kids, you will impart wisdom to them and also spend much-needed quality time with them. We have a collection of some popular short stories with moral values that you can read to your kids.

Short Stories for Kids Mohammed Ayya

“What does ‘allegiance’ mean?” the New Teacher asked, hand over her heart. In this classic and chilling tale about an elementary school classroom in post-war occupied America, James Clavell brings to light the vulnerability of children and the power educators have to shape and change young minds. Originally written in the Cold War era, Clavell’s extraordinary and enduringly relevant allegory on the impressionability of the human mind is still read in schools around the globe today, and is a call to every person to keep questioning and keep learning.

Short stories for kids-1 Chronicle Books

Do you want a book that's really fun and can teach children good values? Then, you have come to the right place or book in this case. It's a fact universally that evil deeds have always been done but in today's society they have increased tremendously as the moral standard of the world has gone down. Often, due to lack of guidance and knowledge, children end up indulging in some unethical deed. When even adults have such a hard time fighting against the hold of devil (the personification of all evil), how can we expect our children to be any good at it? However, it's a fact that when a person - adult or child - is morally strong, they will do good even in the worst of circumstances. Yet, a person will only be morally strong if they have been taught morals in their childhood. So, it's important to train our children to have a strong character and to be able to live in this corrupt world without having to compromise their values. This book is equipped with some of the good values that children need to be aware of and practice in their daily life or they might turn into nasty people in the future. We don't want that do we? Kids need knowledge about exactly what is right and what is wrong to develop their conscience but kids tend to hate lectures. This adventure packed book will teach them good values by engaging them in fascinating stories with gripping characters. You or your children surely won't be bored when you read the thrilling but thought-provoking adventures of Steven, Nyssa and the others. In short, this book is for children of all ages, preferably those who have learned to read and write. It's not specified that only children around the ages of 9 to 15 should only read this book. Teenagers and even college students can pick it up to brush their morals. After all, it's best to brush up things once in a while. Buy Now
