I Am InterVarsity Press Will Stoll, Senior Pastor of Northwest Church in Fresno, California, wrote this devotional book based on a video series he had completed a few years earlier. It started as a practical "how to" book on prayer, answering questions like, "Why should I pray?" and "How do I spend time with God?" However, a near-fatal event with his infant daughter deepened Will's need to connect to the power of God through prayer. Through this experience Will realized the true impact of prayer and our incredible need for God in our everyday

living. How about you? Do you desire to experience more of God's power, His peace and His love in your own life? Join us on this personal journey called 40 Days of Prayer. We'll cover topics like: Why Prayer? How to Get Results? Meeting with God? Prayer Extinguishers and more.

Ezekiel was a fascinating man who wrote a fascinating book filled with strange and powerful visions. In this ten-session LifeGuide® Bible Study, you will catch something of the awesomeness of God. You will see God in his transcendent glory like in no other part of the Bible. Lament is how you live between the poles of a hard life and trusting God's goodness. *Lament* is how we bring our sorrow to God—but it is a neglected dimension of the Christian life for many Christians today. We need to recover the practice of honest spiritual struggle that gives us permission to vocalize our pain and wrestle with our sorrow. *Lament* avoids trite answers and quick solutions, progressively moving us toward deeper worship and trust. Exploring how the Bible—through the psalms of lament and the book of Lamentations—gives voice to our pain, this book invites us to grieve, struggle, and tap into the rich reservoir of grace and mercy God offers in the darkest moments of our lives.

 What does it take for lasting change to take root in your life? If you've ever tried, failed, and wondered what you could do differently, you need to read *How People Change*. In the book, biblical counseling experts Timothy S. Lane and Paul David Tripp explain the biblical pattern for change in a clear, practical way you can apply to the challenges of daily life. But change involves much more than just a biblical formula: you will see how God is at work to make you the person you were created to be. That powerful, loving, redemptive relationship is at the heart of all positive change you experience. A changed heart is the bright promise of the gospel, but many of us wonder if we'll ever see lasting change take root in our lives. When the Bible talks about the gift of a new heart, it doesn't mean a heart that is immediately perfected, but a heart that is capable of being changed. Jesus's work on the cross targets

our hearts, our core desires and motivations, and when our hearts change, our behavior changes. *How People Change* targets the root of a person: the heart. When our core desires and motivations change, only then will behavior follow. Using a biblical model of Heat, Thorns, Cross, and Fruit, Paul David Tripp and Timothy S. Lane reveal how lasting change is possible. You don't need to be stuck anymore. In Christ, you are a new creation. The old has gone and the new has come. Includes a foreword by David Powlison.
Meeting the Spirit The Good Book Company
 We need good preaching—preaching that challenges us by God's Word and brings the comfort that comes from God's promises. Yet many of us rely solely on others to preach to us and are not benefitting from the kind of preaching that should be most consistent and personal—preaching to ourselves. Note to Self is a practical introduction to this daily discipline. Pastor Joe Thorn delivers fifty brief, devotional chapters that model preaching the gospel to ourselves and its practical implications. Readers will be challenged by the

book's direct, personal exhortations to apply the law and the gospel to their own lives. Part of the Re:Lit series.

In eight-session LifeGuide® Bible studies, Douglas Connelly looks at the "I Am" statements of Jesus. In the midst of friends' grief, a crowd's hunger and followers' fear, Jesus made some bold claims: "I am the Resurrection." "I am the Bread of Life." "I am the Way." His claims are still true in our grief, fear and uncertainty. These studies

help us see Jesus more clearly and live with hope and confidence because of who he is. The Lord's Prayer InterVarsity Press Prophets prophesied about him. Angels and shepherds rejoiced at his birth. Friends cried for joy at his resurrection. And we still celebrate him today. He is Jesus, the Messiah. Perfect for Advent or Lent, this eight-session LifeGuide® Bible Study guide explores some of the key passages in the Old Testament about the Messiah and their completion in the life and saving work of Jesus. These passages have had a profound effect on the imagination and worship of Christians for two thousand years, leading George Frederic Handel to write one of the greatest expressions of worship and adoration—his oratorio, the Messiah. We hear parts of it sung every year during the Christmas season, but what many listeners fail to realize is

that the entire text of Handel's Messiah is drawn from Scripture—and many of the Old Testament passages that shaped Israel's hope for their Redeemer are included in that text. This guide leads you through Scripture passages used in Handel's work that highlight who Jesus is and what he came to do. It might change the way you listen to the Messiah. Even more, it might change the way you live. For over three decades LifeGuide Bible Studies have provided solid biblical content and raised thought-provoking questions—making for a one-of-a-kind Bible study experience for individuals and groups. This series has more than 130 titles on Old and New Testament books, character studies, and topical studies.

On Being a Pastor

InterVarsity Press
Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in

a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author. [Cumulative List of Organizations Described in Section 170 \(c\) of the Internal Revenue Code of 1986](#) InterVarsity Press
Are we hapless victims of life's whims? Are we driven along by some blind and impersonal force? Are we battered by circumstances beyond all control? A thousand

times, "No!" says pastor and author Alistair Begg. Instead, Begg says we are the objects of God's providential care. We reside under His guiding and protecting hand. In this richly textured study of Joseph's life, readers will see God at work shaping Joseph's circumstances so that he can ultimately redeem and reconcile his family. And they'll see the hand of God in their own lives, lovingly guiding them through their disappointments and struggles to a place of peace. It's an amazing and comforting fact: God rules and overrules in the circumstances of life. God's authority is neither capricious nor vindictive—quite the contrary—God works through the circumstances of life to bring about something miraculous, something abundantly good, even out of what we perceive to be our darkest moments. We can entrust the baggage of our past, the fears of our present, and the prospects of our future to the God who cares.
