Each stage of the book is complemented with a knitting pattern, which serves as an example of the methods explained in the book. Fifteen garments and accessories are paired with the most gorgeous of yarns. Lace gets a whole new look! Lace has traditionally been knit in finer weight yarns to create airy, delicate designs. But when knit in bulky yarns, lace becomes bold, graphic, and dramatic.

Working with thicker yarns also makes the projects move along more quickly and the lace repeats shorter, so it's easy to learn new stitches and techniques. For those new to bulky yarns, Barbara Benson shows you how these yarns work best in lace designs and provides tips and tricks for reading and executing lace patterns. Then you are ready to knit any of the 20 patterns for beautiful lacy shawls, mitts, hats, cowls, blankets, and more. Gorgeous photography by Gale Zucker shows the pieces to their full, stunning effect. Get those big needles and chunky yarn ready to roll!
