Williams-Garcia (One Crazy Summer), Linda Sue Park (A Long Walk to Water), and many more. Not all heroes wear capes. Some heroes teach martial arts. Others talk to ghosts. A few are inventors or soccer players. They're also sisters, neighbors, and friends. Because heroes come in many shapes and sizes. But they all have one thing in common: they make the world a better place. Published in partnership with We Need Diverse Books, this vibrant anthology features thirteen acclaimed authors whose powerful and diverse voices show how small acts of kindness can save the day. From USA Today

bestselling author, Jennifer Sucevic, comes a sexy, new stand-alone novel. I've spent more years than I care to admit crushing hard on Colton Montgomery. The blond, blue-eyed hottie leaves a trail of broken hearts in his wake wherever he goes. Mine being one of them. Just when I'd decided to cut my losses and move on, he appeared out of nowhere and swept me off my feet. It had all seemed like a fairytale until he dumped me. Through text message, no less. Ouch. Eighteen months and one study abroad program later, I've returned to Wesley University to finish out my senior year. And Colton? He's nothing more than a regrettable mistake I'd prefer to forget. Or so I

tell myself. It only takes one run-in to realize that my feelings for him aren't as dead and buried as I'd thought. Nope, they're still there, simmering dangerously beneath the surface. He wants a second chance to make things right. That's not going to happen. But Colton has other ideas. And part of me is afraid that if he actually puts his mind to it, he'll end up changing mine. --- "The chemistry was undeniable, it was like fireworks" -Lucy, GoodReads "Alyssa and Colton had hella hot chemistry; when they were together, nothing else mattered" -Caroline, GoodReads "This book is a page turner, and had me swooning over Colton" -Stevie, GoodReads "Colton and Alyssa's

story takes you on a full amazing journey. A journey of highs and lows. Talking to him is forbidden, so why can't I stay away? It's been five years since Wes and I have spoken. Five years since he decided our friendship was less important than our parents' fight. So when we're forced to practice a duet together, I expect him to keep our contact to a minimum. Instead, he's telling me the feud between our

parents has gone on long enough. That he misses me and wants to fix things between us. But I'm not going to fall for it. I won't fall for his charms like so many other girls have in the past.
