HARPER MIDDLETON

Who Touched Base in My Thought Shower?

Quadrant Books®

This "compellingly hard-hitting" bestseller from a Pulitzer Prize finalist gives readers the complete untold story of the top-secret military base for the first time (New York Times). It is the most famous military

installation in the world. And it doesn't exist. Located a mere seventy-five miles outside of Las Vegas in Nevada's desert, the base has never been acknowledged by the U.S. government — but Area 51 has captivated imaginations for decades. Myths and hypotheses about Area 51 have long abounded, thanks to the intense secrecy enveloping it. Some claim it is home to aliens, underground

tunnel systems, and nuclear facilities. Others believe that the lunar landing itself was filmed there. The prevalence of these rumors stems from the fact that no credible insider has ever divulged the truth about his time inside the base. Until now. Annie Jacobsen had exclusive access to nineteen men who served the base proudly and secretly for decades and are now aged 75-92, and

unprecedented access to fifty-five additional military and intelligence personnel, scientists, pilots, and engineers linked to the secret base, thirty-two of whom lived and worked there for extended periods. In Area 51, Jacobsen shows us what has really gone on in the Nevada desert, from testing nuclear weapons to building super-secret, supersonic jets to

pursuing the War on Terror. This is the first book based on interviews with eye witnesses to Area 51 history, which makes it the seminal work on the subject. Filled with formerly classified information that has never been accurately decoded for the public, Area 51 weaves the mysterious activities of the top-secret base into a gripping narrative, showing that facts are often more fantastic

than fiction, especially when the distinction is almost impossible to make.

Rework

Penguin
Now a major motion picture
A Man Called Otto starring Tom Hanks!
#1 New York Times
bestseller—more than 3 million copies sold! Meet Ove. He's a curmudgeon—the kind of man who points at people he dislikes as if they were burglars caught outside his bedroom

window. He has staunch principles, strict routines, and a short fuse. People call him “the bitter neighbor from hell.” But must Ove be bitter just because he doesn’t walk around with a smile plastered to his face all the time? Behind the cranky exterior there is a story and a sadness. So when one November morning a chatty young couple with two chatty young daughters move in next

door and accidentally flatten Ove’s mailbox, it is the lead-in to a comical and heartwarming tale of unkempt cats, unexpected friendship, and the ancient art of backing up a U-Haul. All of which will change one cranky old man and a local residents’ association to their very foundations. Fredrik Backman’s beloved first novel about the angry old man next door is a thoughtful exploration of

the profound impact one life has on countless others. “If there was an award for ‘Most Charming Book of the Year,’ this first novel by a Swedish blogger-turned-overnight-sensation would win hands down” (Booklist, starred review). *Night in the American Village* Penguin “How to Win Friends and Influence People” is one of the first best-selling

TIMES BEST SELLER • “A must-read...Phoebe Robinson discusses race and feminism in such a funny, real, and specific way, it penetrates your brain and stays with you.”—Ilana Glazer, co-creator and co-star of *Broad City* A hilarious and timely essay collection about race, gender, and pop culture from comedy superstar and *2 Dope Queens* podcaster Phoebe Robinson

Being a black woman in America means contending with old prejudices and fresh absurdities every day. Comedian Phoebe Robinson has experienced her fair share over the years: she's been unceremoniously relegated to the role of “the black friend,” as if she is somehow the authority on all things racial; she's been questioned about her love of U2 and Billy

Joel (“isn’t that...white people music?”); she’s been called “uppity” for having an opinion in the workplace; she’s been followed around stores by security guards; and yes, people do ask her whether they can touch her hair all the time. Now, she’s ready to take these topics to the page—and she’s going to make you laugh as she’s doing it. Using her trademark wit alongside pop-culture

references galore, Robinson explores everything from why Lisa Bonet is “Queen. Bae. Jesus,” to breaking down the terrible nature of casting calls, to giving her less-than-traditional advice to the future female president, and demanding that the NFL clean up its act, all told in the same conversational voice that launched her podcast, *2 Dope Queens*, to the top spot on iTunes. As personal as it

is political, *You Can't Touch My Hair* examines our cultural climate and skewers our biases with humor and heart, announcing Robinson as a writer on the rise. One of *Glamour's* “Top 10 Books of 2016” [The House of Broken Angels](#) Crown Archetype A monumental, genre-defying novel that David Mitchell calls “Michel Faber’s second masterpiece,” *The Book of Strange New*

Things is a masterwork from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only asUSIC. His work introduces him to a

seemingly friendly native population struggling with a dangerous illness and hungry for Peter’s teachings—his Bible is their “book of strange new things.” But Peter is rattled when Bea’s letters from home become increasingly desperate: typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea’s faith, once the guiding light of their lives,

begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay

bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made *The Crimson Petal and the White* such an international success, *The Book of Strange New Things* is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.
City of Girls

Penguin
The "New York Times" bestselling author of "The Compass of Pleasure" examines how our sense of touch is interconnected with our emotions
Dual-function receptors in our skin make mint feel cool and chili peppers hot.
You Can't Touch My Hair
Simon and Schuster
The revised and expanded edition of *Touching Base* examines the myths, realities, symbols, and rituals of

America's national pastime. Steven Riess details the relationships among urban politics, communities, and baseball while exploring how Progressive Era sensibilities shaped debates over issues like Sunday games, ballpark construction, and promotion of the games. Focusing on Atlanta, New York, and Chicago, Riess looks at all the participants--from spectators to

owners to players--in analyzing how baseball both influenced and mirrored broader society.

Wicked Ever After

Wednesday Books
The Edge calls Trigger Happy a "seminal piece of work." For the first time ever, an aficionado with a knowledge of art, culture, and a real love of gaming takes a critical look at the future of our videogames, and compares their aesthetic and economic

impact on society to that of film. Thirty years after the invention of the simplest of games, more videogames are played by adults than children. This revolutionary book is the first-ever academically worthy and deeply engaging critique of one of today's most popular forms of play: videogames are on track to supersede movies as the most innovative form of entertainment in the new

century.

An investigative account of the medical, sexual, and scientific questions surrounding the spread of AIDS across the country.

Principles

Forever
Do you feel like putting a bullet through your head every time your boss tells you to "quarterback this one for me, champ"?
Do you find yourself

resisting the urge to put a chokehold on colleagues who use the phrases "on the same page" or "no-brainer" or "going forward" in a sentence? Are you often tempted to tamper with the messages on the motivational signs HR posts around the office? Or to plant subliminal messages in the legal disclaimer that's attached to every e-mail you send? Well, then Officespeak is

the book for you! This hilarious, tongue-in-cheek guide to deciphering and manipulating the language of the workplace includes such helpful hints as: The best (and worst) answers to the question, "What's your biggest weakness?" Sprucing up your job title and personalizing your business cards Being "swamped" and other key phrases for diverting responsibility Making up

verbs to convey power, decisiveness, and initiative in the boardroom Mastering the fine art of interrupting with such foolproof expressions as "good point" and "borrrriinnng" AND MANY MORE! Just remember, there's no "I" in team... but there sure as hell is one in "You're hired!" All Your Base Are Belong to Us Simon and Schuster "A lively encounter with identity and American military

history in Okinawa. Night in the American Village is by turns intellectual, hip, and sexy. I admire it for its ferocity, style, and vigor. A wonderful book."

—Anthony Swofford, author of Jarhead A beautifully written examination of the complex relationship between the women living near the U.S. bases in Okinawa and the servicemen who are

stationed there At the southern end of the Japanese archipelago lies Okinawa, host to a vast complex of U.S. military bases. A legacy of World War II, these bases have been a fraught issue in Japan for decades—with tensions exacerbated by the often volatile relationship between islanders and the military, especially after the brutal rape of a twelve-year-old girl by three

servicemen in the 1990s. But the situation is more complex than it seems. In Night in the American Village, journalist Akemi Johnson takes readers deep into the "border towns" surrounding the bases—a world where cultural and political fault lines compel individuals, both Japanese and American, to continually renegotiate their own identities. Focusing on the women there, she follows the complex

fallout of the murder of an Okinawan woman by an ex-U.S. serviceman in 2016 and speaks to protesters, to women who date and marry American men and groups that help them when problems arise, and to Okinawans whose family members survived World War II. Thought-provoking and timely, *Night in the American Village* is a vivid look at the enduring wounds of

U.S.-Japanese history and the cultural and sexual politics of the American military empire.

Touching Base Little, Brown From the #1 New York Times bestselling author of *These Violent Delights* and *Our Violent Ends* comes the “equal parts intoxicating and dazzling” (Roshani Chokshi, *New York Times*) bestselling author of *The Gilded Wolves*) first book in a

captivating new duology following an ill-matched pair of spies posing as a married couple to investigate a series of brutal murders in 1930s Shanghai. It’s 1931 in Shanghai, and the stage is set for a new decade of intrigue. Four years ago, Rosalind Lang was brought back from the brink of death, but the strange experiment that saved her also stopped her from sleeping and

aging—and allows her to heal from any wound. In short, Rosalind cannot die. Now, desperate for redemption for her traitorous past, she uses her abilities as an assassin for her country. Code name: Fortune. But when the Japanese Imperial Army begins its invasion march, Rosalind's mission pivots. A series of murders is causing unrest in Shanghai,

and the Japanese are under suspicion. Rosalind's new orders are to infiltrate foreign society and identify the culprits behind the terror plot before more of her people are killed. To reduce suspicion, however, she must pose as the wife of another Nationalist spy, Orion Hong, and though Rosalind finds Orion's cavalier attitude and playboy demeanor

infuriating, she is willing to work with him for the greater good. But Orion has an agenda of his own, and Rosalind has secrets that she wants to keep buried. As they both attempt to unravel the conspiracy, the two spies soon find that there are deeper and more horrifying layers to this mystery than they ever imagined.

Touch
Pearson UK
The gripping first installment in New York

Times bestselling author Tahereh Mafi's Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity.

An opportunity for a deadly weapon. Juliette has never fought for herself before. But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss Defy Me, the shocking fifth book in the Shatter Me series!

The Things We Leave Unfinished

Sceptre
A brilliant satire of mass culture and the numbing

effects of technology, White Noise tells the story of Jack Gladney, a teacher of Hitler studies at a liberal arts college in Middle America. Jack and his fourth wife, Babette, bound by their love, fear of death, and four ultramodern offspring, navigate the rocky passages of family life to the background babble of brand-name consumerism. Then a lethal black chemical

cloud, unleashed by an industrial accident, floats over there lives, an "airborne toxic event" that is a more urgent and visible version of the white noise engulfing the Gladneys—the radio transmissions, sirens, microwaves, and TV murmurings that constitute the music of American magic and dread.

The Road

DigiCat
Learn how to build a design system framed within the context of

your specific business needs. This book guides you through the process of defining a design language that can be understood across teams, while also establishing communication strategies for how to sell your system to key stakeholders and other contributors. With a defined set of components and guidelines, designers can focus their efforts on solving user needs rather

than recreating elements and reinventing solutions. You'll learn how to use an interface inventory to surface inconsistencies and inefficient solutions, as well as how to establish a component library by documenting existing patterns and creating new ones. You'll also see how the creation of self-documenting styles and components will streamline your UX process.

Building Design Systems provides critical insights into how to set up a design system within your organization, measure the effectiveness of that system, and maintain it over time. You will develop the skills needed to approach your design process systematically, ensuring that your design system achieves the purpose of your organization, your product,

and your team. What You'll Learn Develop communication strategies necessary to gain buy-in from key stakeholders and other teams Establish principles based on your specific needs Design, build, implement, and maintain a design system from the ground up Measure the effectiveness of your system over time Who This Book Is For All teams, large and small, seeking to unify their

design language through a cohesive design system and create buy-in for design thinking within their organization; UX, visual, and interaction designers, as well as product managers and front-end developers will benefit from a systematic approach to design. *Trigger Happy* Little, Brown WINNER OF THE PULITZER PRIZE • NATIONAL BESTSELLER •

A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). • From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing

moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged

food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the

tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*. *A Crown of Wishes* Direct Authors "Berkowitz got it right. He is a great storyteller. He told it like it is." MLB Reports "The book's got heart." *Tablet* "A uniquely Jewish story. The narrative made me

laugh out loud, and it brought tears to my eyes. It is as much a story about baseball as it is about a father's relationship with his son, and with his own father." *Jewish Baseball News* "Josh describes the real life quirky people so masterfully that you instantly feel for them. Josh weaves his story skillfully with both pleasant and sad twists that will keep you reading. And throughout

the story he tactfully teaches kids and dads alike the importance of overcoming the fear that holds us back. If you love youth baseball and feel good stories you will enjoy this true David vs Goliath story about an all Jewish youth baseball team." *Stat* Dad Each and every summer since 1996, ten thousand elite players from California to Florida visit Dreams Park in upstate New York to measure themselves

against the very best. Five hundred thousand a year of their close family and friends follow suit to witness the unrivaled quality of play in the heated contest. Third Base for Life is the first-hand account of how an ordinary father who had not played baseball since Little League managed to put together a team of ordinary kids and somehow gained admittance to a world where they simply do

not belong. It's the true story of twelve ragtag and outmatched fourth-grade boys from a small Jewish day school in Newton, Massachusetts who band together to challenge the top ten-year-old baseball talent in the country at Cooperstown Dreams Park, one of the nation's most prestigious youth tournaments. It's the Bad News Bears meets The Chosen in this humorous, yet poignant, memoir."A

lovely, inspirational baseball and family story, with a great message"p
 perfect for any parent, grandparent, or young fan of the game."â€"Boston Red Thoughts

Illinois Press Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, , and speaking their spouse's primary love language-quality time, words of affirmation, gifts, acts of service, or physical

touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages

assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called A Love Language Minute that can be heard on more than 150 radio stations as well as the weekly syndicated program Building Relationships with Gary

Chapman, which can both be heard on fivelovelanguages.com. The Five Love Languages is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year outselling the prior for 16 years running! **The Book of R** Penguin Amoral, cunning, ruthless, and instructive, this multi-million-copy

New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the

history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action

with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.
