Blind Date Disasters &  
Eat Your Heart Out

Sarwah Creed

THE STORY: The scene  
is the wastepaper

processing plant in a  
blue-collar

Massachusetts town.

Two workmen, Archie  
and George, are

drinking beer and  
swapping stories,

mostly about their

apparently extensive  
sexual conquests.

Archie mentions that Marg The Summer Proposal Harlequin

The girls of the Dating Games club are at it again, setting each other up on five blind dates for the upcoming masquerade ball. Trouble is, some of the girls are wondering if the others can be trusted to deliver on their promises. In fact, there's a very real danger that this dating treat could turn out to be nothing but a nasty trick. Teens will be delighted to spend more time with Cassidy, Devon, Abby, Brynn, and Emma as they navigate the thrilling and awkward world of dating. As always, Melody Carlson subtly delivers great advice wrapped up tight in a package of fun and friendship.

Blind Date Rivals  
Dramatists Play Service, Inc.

"Good Morning Malibu, it's another beautiful day on the west coast! I'm Noely Clark, your host: and I'm in the market for love..."

When the publicity team of the new local restaurant, Going in Blind, began their search for a hot, local celebrity to promote the wildly popular eatery, they couldn't have found a better person than me. Outgoing? Check. Single? Check. Open to finding love? Check. I signed up immediately. A hopeless romantic with an exceedingly demanding schedule, I've found it impossible to find the man of my dreams-so Going in Blind seems too good to be true! That's until they start setting me

up on dates-three very different, very attractive, very distinct blind dates-and only one thing is for certain . . . I'm in big trouble. Good Morning Malibu, I'm Noely Clark, and I have a choice to make. The question is who will I choose; the suit, the rebel, or the jock. Blind Dates Heinemann "BLIND DATE, Rogelio Martinez's playfully titled and altogether amusing geopolitical romp...might very well be described as a "Ron-com." Ron as in Ronald Reagan, the actor, California governor and 40th President of the United States whose military and foreign policies some say helped bring the Cold War to an end (at least temporarily). Whatever the long-term historical assessment of all that

might be, there can be no doubt that one of the most notable events in late 20th century U S-Soviet relations occurred during two days in November, 1985: Reagan, (who seemed to have bounced back from a 1981 assassination attempt, but as always was somewhat indecipherable), met for the first time at a summit in Geneva, Switzerland with Mikhail Gorbachev, who had only recently been elected to serve as General Secretary of the Soviet Union, and was something short of secure in his position. As with all blind dates, the "couple"...arrive in a state of both apprehension and hopefulness. And their actual meeting ("truthy" as it might or

might not be here, and without the presence of translators who are always essential elements in the room) is marked by all the nervous humor, misunderstandings, game-playing and awkwardness of such encounters. The two men also arrive with their respective wives... Also in attendance are the all-important advisors: U S Secretary of State George Shultz, and the sophisticated Eduard Shevardnadze, the Soviet Minister of Foreign Affairs, whose introductory lunch cannily reveals much about both men. Dancing around the edges of it all is Edmund Morris, the British-American historian whose much-anticipated biography of Reagan ultimately

became what he described as "a work of nonfiction by an imaginary author" - largely the result of Reagan's impenetrability. Most crucially, given the moment in which audiences are now watching BLIND DATE, there is a fully "meta" quality about the play, with the decorum and diplomatic interplay of the historical event free of the social media contagion of the moment, and with the press corps very much of a long-gone era. In fact, if you tend toward nostalgia, you also might delight in the witty, zestful way in which Larry Speakes, Reagan's Mississippi-bred acting Press Secretary, handles his job. Yet more than anything, there is a sense of constructive

peace-making and future-building (if far from naive "trust") here-one that might just keep mutually assured nuclear destruction at bay. To be sure, BLIND DATE...is no documentary. But the Cuban-born Martinez, who has riffed on the Cold War era in several other plays, captures both the personalities and issues in play, including the Reagan administration's "Strategic Defense Initiative," which raised the hackles of the Soviet Union, a nation already suffering from the fallout of its war in Afghanistan, a flailing economy, and Gorbachev's untested leadership. Two more wildly different personalities than "Ron" and "Misha" could not have been

put in a room together. And yet, for whatever reasons (a mutual wish for a sane approach to major differences), they managed to find some common ground. And now, seen with the power of hindsight, a sort of melancholy overlays the farcical aspects of the play simply because we know Gorbachev's short tenure ultimately led to the arrival of Vladimir Putin, that Reagan's legacy was laced with a diagnosis of Alzheimer's disease and that nuclear war is no longer a matter of just two sides..." Hedy Weiss, Chicago Sun-Times  
*The Blind Date Guide to Dating Broadway* Play Publishing  
Date my billionaire boss? No way... Too bad it was a blind date.  
Bella: My dream of a

successful art career consumes my life, so I didn't want to join the dating app. I don't have time for it, but somehow, my best friend persuaded me. Fine. What's one night? One date? I ended up matched with YourMan01, a guy who seems only interested in hooking up. I'm not interested in forever, so YourMan01's plans sound okay with me. Besides, meeting this stranger might turn my thoughts from the only man I truly want—a man completely off limits: My boss, Chase O'Malley. This new dating site is unique: they screen the applicants and set up the date. I have no idea what he looks like. We just have a time and place to meet. And if sex enters the picture, good. That

might distract me from Chase. I need my job with O'Malley Financial to keep myself afloat while I pursue my art, and daydreaming about my demanding boss is the surest way to get myself fired. Even if he were interested, Chase always has a new woman on his arm. Anything between us wouldn't last. What would happen when it ended? That would ruin everything. Chase: I've waited too long to claim her, but now, Bella is mine. What's the point of being a billionaire if you can't use your wealth to sway your fortune? Membership dating sites are lucrative right now, but that's not even close to why I started one. For once, I don't care about the money. My entire

objective: My new assistant, Bella Renfroe. When she finds out what I've done, she'll be furious, but that won't stop me. She's going in blind, but this date will open her eyes. Soon, she'll be in my bed, in my life, and totally, irrevocably mine.

Dirty Blind Date Grove Press

Everyone's hounding her to find the perfect man—but date after date, she just seems to be flirting with disaster . . . Jenny is just fine with being single and spending evenings with her cat, Bing Clawsby—even if he does have a habit of leaving dead mice, and other unpleasant things, in the most unexpected places. Besides, she has a friend with benefits to turn to when she needs

company. But her engaged best friend is nagging her to go on blind dates and get onto the dating apps. Not to mention her mother, who is desperate for Jenny to settle down. So she gives in to the pressure—and endures a string of disastrous and awkward encounters that make picking up after Bing seem fun in comparison. Forget the guy who carries live rodents in his pocket. Forget the guy who showed up naked on FaceTime. The only man who really gets her heart racing is her workmate Zack . . . but she's convinced he's out of her league. Will Jenny ever find non-feline companionship—or is she destined to stay single for good?

Blind Date Hatco  
Publishing

Describes the author's journey from early widowhood to marriage with an unlikely, long-distance partner, recounting how she was set up with a single father and made a leap-of-faith decision to relocate to New York to be with him.

*The Blind Date Diaries*

Harlequin / SB Creative

A new, sexy

standalone from #1

New York Times

Bestseller, Vi Keeland.

The first time I met Max Yearwood was on a blind date. Max was insanely gorgeous, funny, and our chemistry was off the charts. He also had the biggest dimples I'd ever laid eyes on.

Exactly what I needed after my breakup. Or so I thought... Until my real date arrived.

Turned out, Max wasn't who I was there to meet. He only pretended to be until my real date showed up. To say I was disappointed would be an understatement. Before he left, he slipped me a ticket to a hockey game a few blocks away, in case things didn't work out on my actual date. I tossed the ticket into my purse and went about trying to enjoy the man I was supposed to meet. But my real blind date and I had no connection. So on my way home, I decided to take a chance and stop by the game. When I arrived, the seat next to me was empty. Disappointed again, I decided to leave at the end of the period. Just before the buzzer, one of the teams scored,

and the entire arena went crazy. A player's face flashed up on the Jumbotron. He was wearing a helmet, but I froze when he smiled. You guessed it: Dimples. Apparently, my fake blind date hadn't invited me to watch hockey with him, he'd invited me to watch him play. And so began my adventure with Max Yearwood. He was everything I needed at the time—fun, sexy, up for anything, and only around for a few months since he'd signed with a new team three-thousand miles away. Max proposed we spend the summer helping me forget my ex. It sounded like a good plan. Things couldn't get too serious when we had an expiration date. Right? Though,

you know what they say about the best-laid plans.

**Blind Date** Simon and Schuster

You know that internet dating is a tricky game to play, but you've done your homework and you've narrowed down your list to three international men of mystery. All that's left to do now is meet them.

The Dating Games #2: Blind Date Garden Avenue Press

A sweet story about risking your heart to find love. It's Valentine's Day and Rachel Price has a choice: Stay home and watch TV with her loveable doggy or let her best friend, Ellen, set her up on a blind date. What to do...? Ellen says the guy is a "10," but the last guy she set her up with

was a “-5.” Rachel’s been flirting with coworker Noah Peterson and she’s hoping he’s noticed. Then, she finds out Noah has big plans. Even worse, he advises Rachel to go on the blind date! Should she play it safe and spend the Hallmark holiday with her loyal pooch, Chester, or risk another dating disaster by trying yet again for love?

"Mario Diament's stunning *Blind Date* is a play about, among other things, parallel universes and human need to explain what

appears unexplainable.

A play bound for glory!" Ronald Magravite, *New Times*"In *Blind Date*, Mario Diament's exquisite new play, words seduce the listener into imagining a world filled with missed opportunity, unrequited love, dangerous obsession. Improbable but genuinely funny, the ravishingly good *Blind Date* is Diament's leap to an even higher level of storytelling and craftsmanship than he displayed in his earlier New Theatre world premieres, *The Book of Ruth* and *Smithereens*." Christine Dolen, *The Miami Herald*  
*Blind Date* Disney Electronic Content  
From Bella Jewel, the USA Today bestselling author of the wildly

popular Alphas Heart e-series, comes a pulse-pounding thriller about a serial killer who's hiding in plain sight, targeting his prey one BLIND DATE at a time. . . After the death of her husband four years ago, Hartley Watson is finally ready to meet someone—and maybe even have a second chance at love. But then, just as her dating life seems to be getting started, Hartley is struck with a horrifying realization: Someone is watching her. Entering her own home. Even knows the intimate details of her life. How else to explain the strange deliveries, or the sudden appearance of mementos from her dead spouse—ones that she had kept for so long in storage? If only Hartley could

know for sure whether what is happening to her is real or if her grief is making her lose touch with reality. Those around her aren't convinced that she's being stalked, nor is the wonderful, supportive man Hartley's started dating. The exciting new life she has created for herself is slowly becoming a nightmare. . . How can Hartley seek protection when nobody believes that she's at risk—and the only one in the world she can trust is herself?

"If you've ever been on the dating scene, or owned a cat, you need to read this book!" -

Kate Hames,

bloggerWarning: This book contains details of embarrassingly

awkward sexual encounters and is not for the cringe-hearted. Thirty year old Jenny has her own house, a good job, friends, a psycho cat and a Mother who is willing to sell her off to the highest bidder. What more could she want from life? Oh yes, a man. In particular, the handsome hunk she works with. The dangerously good looking eye candy makes regular appearances to her office and she must do all in her power not to combust in her seat when he says her name... Some people were destined to have all the luck, whereas others, like Jenny, were destined to embarrass themselves at every awkward opportunity. After giving up hopes of landing her dream

man, Jenny gives in to her best friend's requests and agrees to go on some blind dates and signs up to a dating app. She discovers some interesting characters whilst having some no-strings fun with her reliable man friend. What's the worst that could happen? Follow Jenny's journey through the Yorkshire town of Halifax filled with disastrous dates and embarrassing sexual encounters in this romantic comedy of modern dating. Will she ever get what she's looking for? Or is she destined to remain in singledom forever with her crazed cat? Blind Date St. Martin's Griffin Love watching car wrecks but don't want to be in one? Then you will love The Blind Date

Guide to Dating. It's the book that covers everything you ever wanted to know about love, dating, and the hottest show on television today. The Making of Blind Date-- Learn all about the show, from how to get on it to the editing process to the writing of all your favorite characters, such as Therapist Joe, Sarcastic Sid, Dr. Date, and Mr. Mean Sexiest Hot Tub Moments--Get a behind-the-scenes look at the favorite destination of all the crazy blind-daters, plus etiquette tips for when it's your turn. Hint: Make sure the bubbles are not your own What You Didn't See-- Because the dates don't stop when the cameras turn off, we will show you the material that was just

too hot for the networks. Hot Dating Tips--Great tips on how not to be as clueless but definitely have as much fun as the wild blind-daters. Therapist Joe--That's right, he is a real person, and in his special sections, he answers all the questions you wanted to know, and some that you didn't about relationships, from the one-night stand to tying the knot. The Best and Worst of Blind Date--From love connections to blind date meltdowns, all the crazy Blind Date moments that you can't look away from and can't believe happened.

**A Doctor Blind Date for the Cowboy** Open Road + Grove/Atlantic  
Blind Date is a spectacular and erotically charged

psychological novel that shows Jerzy Kosinski, author of *Being There* and *The Painted Bird*, at the height of his power. George Levanter is an idea man, a small investor, an international playboy, and a ruthless deal-maker whose life is delivered in a series of scorching encounters, each more incredible than the last. From Moscow to Paris, from a Manhattan skyscraper to a California mass murder, *Blind Date* is a dizzying vision of life among the beautiful people and the thrill-seekers.

Blind Date St. Martin's Paperbacks

I had my blind date with Luke Winters, or rather LW (Luke Warm) as he was known in the office. He was far from

warm when I went on a blind date with him. More like stone-cold mean. Then again, I couldn't blame him. After all, I was homeless. He had two homes, a penthouse and a house. I was soaking wet, and dressed as if I was on to my shift at the local diner. He was formally dressed. I flooded the bathroom of one of the most prestigious restaurants in the city, and at that point, he walked out. Like a stray dog, I followed him, hoping he would give me a lot more than a bone. I didn't expect him to give me an opportunity to work in his office and fifty thousand big ones. I had to work for him and pretend to be his girlfriend. Piece of cake! I took a deep breath. Promised I

could do the job and not only did I try to make an impression at work, but I found myself no longer wanting to pretend. I soon realized why they called him LW, because it was far from a piece of cake. More like a walk in the park during a hurricane. Author's Note: Blind Date is a steamy second-chance standalone romantic comedy with just the right amount of sexiness. It is suitable for mature readers who love to read a bit of filth with a twist of comedy.

### **HER VALENTINE**

**BLIND DATE** Pagefree Pub Incorporated  
Trixie Donovan had left California for bigger and better things. Now she was back, and she'd become her half-sister Heather's pet project. Which meant

that—after a sickening amount of pestering—Trix gave in, agreeing to a single blind date. A blind date who turned out to be Jet. The doctor she'd worked with. The man she'd fallen desperately in love with. The one who had decimated her heart. And the one who transformed an unwanted, but tolerable night out into the blind date from hell. Because apparently Jet had decided his biggest regret was letting her go.

**Blind Date** Ali Pierce LLC
