A "witty [and] compelling" true story for kids about San Francisco's Golden Gate Bridge—and why it's orange—by the New York Times–bestselling author! (Fast Company). In this delightfully original nonfiction book, National Book Award and Pulitzer Prize finalist Dave Eggers tackles one of the most famous architectural monuments in the world: the Golden Gate Bridge—and all the arguments and debates about building it and what it should look like. Cut-paper illustrations by Tucker Nichols enliven the tale, and this revised edition also includes real-life letters from local constituents making the case for keeping the bridge orange. With sly humor and lots of fascinating historical facts, this is an accessible, enjoyable read for kids (or adults), transporting readers to the glorious Golden Gate no matter where they live. "Eggers's featherlight humor provides laughs throughout." —Publishers Weekly (starred review). "A love letter to infrastructure." —The New York Times "A story compelling enough to keep adults interested as they read it (and re-read it and re-read it) each night at bedtime." —Fast Company

In today's thriving maker culture, kids are hungry for hands-on guidance in creating stylish wearables and practical objects, or hacking and customizing existing ones. Authors Nicole Blum and Catherine Newman get them started with complete instructions for mastering six favorite fiber crafts. Step-by-step photos teach kids ages 9–14 the basics of how to sew, knit, crochet, felt, embroider, and weave, plus how to make three projects for each craft. From woven patches and a knitted backpack to embroidered merit badges and a crocheted bracelet, the fresh, kid-approved projects encourage creative variations and build confidence along with valuable life skills.

35 Kilos of Hope One Day on Our Blue Planet

Young children need plenty of practice when it comes to pen-control - an essential skill which they need to learn before they can write. This book encourages children to solve mazes, join the dots and trace the dotted lines using the special pen provided, wipe clean and repeat; all the activities are themed around dinosaurs. Part of the hugely successful Usborne Wipe-clean series, offering little children fun ways in which to practice their pen control as they get ready for writing. Dinosaurs are a perennially popular topic for this early years age group. Also in this series: Wipe-Clean Farm Activities, Holiday Activities and Pirate Activities.

Adorable animal images and simple text make for a great read for the youngest learners.

The Bee Book Chronicle Books

Thirteen is the legal thriller Lee Child, Michael Connelly, and Ruth Ware are raving about and readers can't put down. "Outstanding - an intriguing premise, a tense, gripping build-up, and a spectacular climax. This guy is the real deal. Trust me." —Lee Child "A dead bang BEAST of a book that expertly combines Cavanagh's authority on the law with an absolutely great thrill

ride. Books this ingenious don't come along very often."

—Michael Connelly It's the murder trial of the century. And Joshua Kane has killed to get the best seat in the house – and to be sure the wrong man goes down for the crime. Because this time, the killer isn't on trial. He's on the jury. But there's someone on his tail. Former-conman-turned-criminal-defense-attorney Eddie Flynn doesn't believe that his movie-star client killed two people. He suspects that the real killer is closer than they think – but who would guess just how close? "A brilliant, twisty, ingeniously constructed puzzle of a book. Steve Cavanagh pulls off an enviable premise with panache." —Ruth Ware

In this sneaky, silly picture book for fans of Oliver Jeffers and Jon Klassen, an intrepid—but not so clever—space explorer is certain he's found the only living thing on Mars. A young astronaut is absolutely sure there is life to be found on Mars. He sets off on a solitary mission, determined to prove the naysayers wrong. But when he arrives, equipped with a package of cupcakes as a gift, he sees nothing but a nearly barren planet. Finally, he spies a single flower and packs it away to take back to Earth as proof that there is indeed life on Mars. But as he settles in for the journey home, he cracks open his cupcakes—only to discover that someone has eaten them all! Readers will love being in on the secret: Unbeknownst to the explorer, a Martian has been wandering through the illustrations the whole time—and he got himself a delicious snack along the way.

[Bunnyville Orchard Books](#)

Twelve-year-old Karl (a friend of Achim's from the orphanage) is really strong but can't cope without his timid friend, who has been adopted by a nice couple and now lives far away. What's the use in being strong, thinks Karl, if you don't have anyone to protect? He is relentlessly teased by the other kids at school, so Karl starts beating them up and is eventually expelled. Spending time alone in his room, Karl daydreams about his father, who he believes is a sea captain who has somehow lost Karl as a baby,

but who will one day come and fetch him. But when Maria, who works at the orphanage, admits to Karl that she made up this story to soothe him when he was younger, he decides to run away from his teachers, his peers who tease him, and the people in his life who tell him lies. Thus he embarks on a journey to reach the ocean, become a sailor, and find his father. On his journey he meets the Tiny Ones, a tribe of adventurers and sailors not much bigger than Karl's little finger. They've lost their ship and would like to borrow the model ship Karl has brought with him on his escape. Karl is magically changed into one of the Tiny Ones and they set sail on an adventure to the Twelfth Continent. On a previous journey here, the children of the Tiny Ones vanished while on a walk one evening. Now, with Karl's help, the Tiny Ones want to find their children again. Throughout his adventures, Karl not only finds the solution to an old riddle on the Twelfth Continent, but also discovers traces of his real father on this very peculiar island with more than one surprise in store for him and his fellow sailors. Full of wit and surprises, *The Secret of the Twelfth Continent* is sure to captivate children while reinforcing the importance of family and friendship.
