So when their abusive grandfather is laid up with an injury, she seizes the opportunity to concoct an ingenious plan that will allow all five of them to escape the clutches of their legal guardian. All it will take is a little matrimonial deception... A renowned rake, Gideon, Lord Carradice, has a way of making ladies swoon. But when Prudence arrives at his doorstep and mistakes him for his cousin, the Duke, it is Gideon who's infatuated. The delightful spitfire claims she and the Duke are engaged—although a taller tale was never told. Ber cerita melalui prosa atau mengungkapkan melalui kata-kata, akan memiliki banyak makna dalam penafsirannya. Kadang pesan yang tersampaikan menjadi lebih mudah dimengerti melalui ungkapan-ungkapan yang tersirat. Seperti halnya cinta, sebuah perasaan yang tak mudah dijelaskan, tetapi hanya bisa dirasakan. Saking abstraknya sebuah perasaan, banyak orang yang akhirnya menuangkan perasaannya melalui kata-kata. Dengan kata-kata, perasaan itu menjadi ter jelaskan dan kita mampu menangkap gelombang serta badainya. Maka, banyak lagu, tulisan, dan puisi yang berisi cinta. Karena banyak diantara kita yang sanggup melukiskan berbagai perasaannya melalui kata-kata. Perasaan sedih, gundah, kecewa bahkan perasaan bahagia sekalipun, mungkin ada banyak yang tak sanggup melukiskannya. Lewat puisi ini menjadi salah satu bagi banyak orang untuk tak terlalu larut dalam gelombang rasanya. Mereka memilih menjadikannya sebuah kalimat indah yang memiliki makna kuat dan mendalam. Karena baru begitulah pesan perasaannya ter gambarkan. Akankah kata-kata hanya sekedar kata? Atau ia berubah menjadi makna yang memiliki pesona dan rasa? Di buku ini, kita diajak untuk ikut merasakan aliran rasanya melalui puisi-puisi dan prosa yang dituliskan. Akan jadi seperti apakah perasaanmu saat membacanya? Apakah ikut larut dan merasakannya?

From award-winning Indonesian author Laksmi Pamuntjak comes a tale of profound love against the backdrop of myth, culture, and politics. In this sweeping saga of love, loss, revolution, and the resilience of the human spirit, Amba must find the courage to forge her own path. Amba was named

after a tragic figure in Indonesian mythology, and she spends her lifetime trying to invent a story she can call her own. When she meets two suitors who fit perfectly into her namesake's myth, Amba cannot help but feel that fate is teasing her. Salwa, respectful to a fault, pledges to honor and protect Amba, no matter what. Bhisma, a sophisticated, European-trained doctor, offers her sensual pleasures and a world of ideas. But military coups and religious disputes make 1960s Indonesia a place of uncertainty, and the chaos strengthens Amba's pursuit of freedom. The more Amba does to claim her own story, the better she understands her inextricable bonds to history, myth, and love. This volume is the result of a conference held in October 2015 in connection with the Frankfurt Book Fair discussing developments that are considered important in contemporary Indonesian cultural productions. The first part of the book reflects on the traumatic experiences of the Indonesian nation caused by a failed coup on October 1, 1965. In more general theoretical terms, this topic connects to the field of memory studies, which, in recent decades, has made an academic comeback. The focus of the chapters in this section is how certain, often distressing, events are represented in narratives in a variety of media that are periodically renewed, changed, rehearsed, repeated, and performed, in order to become or stay part of the collective memory of a certain group of people. The second part of the book explores how forces of globalisation have impacted upon the local and, linguistically surprisingly, rather homogeneous cultural productions of Indonesia. The main strands of inquiry in this second section are topics of global trends in religion, responses to urban development, the impact of popular literary developments, and how traditions are revisited in order to come to terms with international cultural developments.

The English-language debut of Indonesia's rising star. The epic novel *Beauty Is a Wound* combines history, satire, family tragedy, legend, humor, and romance in a sweeping polyphony. The beautiful Indo prostitute Dewi Ayu and her four daughters are beset by incest, murder, bestiality, rape, insanity, monstrosity, and the often vengeful undead. Kurniawan's gleefully grotesque hyperbole functions as a scathing critique of his young nation's troubled past: the rapacious offhand greed of colonialism; the chaotic struggle for independence; the 1965 mass murders of perhaps a million "Communists," followed by three decades of Suharto's despotic rule. *Beauty Is a Wound* astonishes from its opening line: One afternoon on a weekend in May, Dewi Ayu rose from her grave after being dead for twenty-one years.... Drawing on local sources—folk tales and the all-night shadow puppet plays, with their bawdy wit and epic scope—and inspired by Melville and Gogol, Kurniawan's distinctive voice brings something luscious yet astringent to contemporary literature.

This volume brings together the ideas put forward at an international conference on Metaphor and Translation held at the University of Toulon, France, in June 2017. The bilingual nature of the contributions here provides an insight into recent linguistic theories from both the English- and French-speaking worlds. This diversified approach is further enhanced by contributors being based in a large number of countries worldwide and working on different language combinations. The kinds of problem areas investigated here include a wide range of themes. They cover aspects ranging from methodological and theoretical issues to specialist areas such as literature, culture and the economy. Whatever the theoretical approach applied, the findings come up with interesting and useful conclusions as to how metaphor is translated in the types of discourse analysis proposed. As a result, this volume will be of interest to both scholars and students involved in metaphor studies and translation, as well as to professional translators wishing to keep track of recent theories and practical issues in the field.
