\*Winner of the 2017 Goodreads Choice Awards: Non-Fiction Book of the Year!\*

The official debut book from YouTube phenomenon Lilly Singh. 'The ultimate no-nonsense manual for millennials how how to make it to the top' Marie Claire From actress, comedian and YouTube sensation Lilly Singh (aka Superwoman) comes the definitive guide to being a BAWSE - a person who exudes confidence, reaches goals, gets hurt efficiently, and smiles genuinely because they've fought through it all and made it out the other side. Told in her hilarious, bold voice that's inspired over 9 million fans, and using stories from her own life to illustrate her message, Lilly proves that there are no shortcuts to success. WARNING: This book does NOT include hopeful thoughts, lucky charms, and cute quotes. That's because success, happiness and everything else you want in life needs to be fought for - not wished for. In Lilly's world, there are no escalators. Only stairs.

The life of artist Frida Kahlo, from her humble upbringing to her worldwide fame and controversy that surrounded both her and her husband, Diego Rivera. A Japanese and English Dictionary NYU Press

Son of a famous father. Father of a famous son. I am the hyphen between them. Only, Rishi Kapoor was and is so much more. Few actors in Hindi cinema have had this sort of a career arc: from the gawky adolescent pining for his schoolteacher (Mera Naam Joker, 1970) to the naughty ninety-year-old (Kapoor & Sons, 2016), Rishi Kapoor has regaled audiences for close to fifty years. He won a National Award for his debut, became an overnight sensation with his first film as a leading man (Bobby, 1973), and carved a niche for himself with a string of romantic musical blockbusters in an era known for its angst-ridden films. He was the youth icon that is still the toast of the satellite TV circuit. The songs he lip-synced are the bread and butter of all radio stations even today. Then there was the second coming after a brief hiatus in the 1990s - as one of the finest actors in mainstream Hindi cinema with

powerhouse performances in films like Do Dooni Chaar, D-Day, Agneepath and others. Characteristically candid, Rishi Kapoor brings Punjabi brio to the writing of Khullam Khulla. This is as up close and personal a biography as any fan could have hoped for. He writes about growing up in the shadow of a legendary father, skipping school to act in Mera Naam Joker, the workings of the musical hits of the era, an encounter with Dawood Ibrahim, his heroines (their working relationship, the gossip and the frisson that was sometimes real), his approach to his craft, his tryst with clinical depression, and more. A foreword by Ranbir Kapoor and a stirring afterword by Neetu Singh bookend the warmest, most dil se biography an Indian star has ever penned.

*Melodious Accord* Random House India Do you think "Bollywood" is just flashy dance sequences and unbelievable plots? Think again Explore the rich history and artistic traditions of Hindi film in this engaging book, which intersperses stories from the author's path to dedicated fandom with analysis of the films and their context. If your only exposure to Hindi films is action sequences that defy the laws of physics and dance sequences full of colorful, swirling silk, this book will open your eyes to a rich and rewarding art form. If you're already a fan, it will enrich your appreciation of your favorite film moments by placing them in their larger context.

*Khullam Khulla* Ballantine Books From Adventures in Business to Marriage and Divorce, My Unfinished Business, covers a wide array of topics in short autobiographical essay form.

*Patricia Highsmith: Her Diaries and Notebooks: 1941-1995* Rupa Publications Is my baby not well? When can I

introduce my baby to solid foods? Becoming a new mother can be an exciting yet overwhelming time. No matter how prepared you are, there will always be many confusing moments, opinions and a whole lot of drama! And just like any other new mom, Esha Deol Takhtani was faced with many such questions soon after the birth of her two daughters-Radhya and Miraya. One day, when one of her baby girls was throwing a tantrum, Esha decided to come up with a plan, one that would ensure her child eats right and is happy in the process! And thus began her adventures in motherhood. With the help of her cook, nurse and some of the best paediatricians in Mumbai, she set off on a journey to document her experiences in motherhood in the hope that it would help other mothers too. Packed with advice, tips, stories and easy and delicious recipes for toddlers, Amma Mia reflects the personal journey of one woman's transformation into a mother. Informative and easy to follow, this book will help new mothers navigate the ups and downs of raising a healthy toddler and make their child fall in love with food.

SAMBHOG SE SAMADHI KI AUR. Blurb New York Times • Times Critics Top Books of 2021 The Times (of London) • Best Books of the Year Excerpted in The New Yorker Profiled in The Los Angeles Times Publishing for the centenary of her birth, Patricia Highsmith's diaries "offer the most complete picture ever published" of the canonical author (New York Times). Relegated to the genre of mystery during her lifetime, Patricia Highsmith is now recognized as one of "our greatest modernist writers" (Gore Vidal). Beloved by fans who were unaware of the real psychological turmoil behind her prose, the famously

secretive Highsmith refused to authorize a biography, instead sequestering herself in her Switzerland home in her final years. Posthumously, her devoted editor Anna von Planta discovered her diaries and notebooks in 1995, tucked in a closet—with tantalizing instructions to be read. For years thereafter, von Planta meticulously culled from over eight thousand pages to help reveal the inscrutable figure behind the legendary pen. Beginning with her junior year at Barnard in 1941, Highsmith ritualistically kept a diary and notebook—the former to catalog her day, the latter to brainstorm stories and hone her craft. This volume weaves diary and notebook simultaneously, exhibiting precisely how Highsmith’s personal affairs seeped into her fiction—and the sheer darkness of her own imagination. Charming yet teetering on the egotistical, young “Pat” lays bare her dizzying social life in 1940s Greenwich Village, barhopping with Judy Holliday and Jane Bowles, among others. Alongside Flannery O’Conner and Chester Himes, she attended—at the recommendation of Truman Capote—the Yaddo artist colony in 1948, where she drafted *Strangers on a Train*. Published in 1950 and soon adapted by Alfred Hitchcock, this debut novel brought recognition and brief financial security, but left a heartsick Highsmith agonizing: “What is the life I choose?” Providing extraordinary insights into gender and sexuality in mid-twentieth-century America, Highsmith’s diaries convey her euphoria writing *The Price of Salt* (1951). Yet her sophomore novel would have to be published under a pseudonym, so as not to tarnish her reputation. Indeed, no one could anticipate commercial reception for a novel depicting love between two women in the McCarthy era. Seeking relief from America,

Highsmith catalogs her peripatetic years in Europe, subsisting on cigarettes and growing more bigoted and satirical with age. After a stay in Positano with a new lover, she reflects in her notebooks on being an expat, and gleefully conjures the unforgettable *The Talented Mr. Ripley* (1955); it would be this sociopathic antihero who would finally solidify her true fame. At once lovable, detestable, and mesmerizing, Highsmith put her turbulent life to paper for five decades, acutely aware there must be “a few usable things in literature.” A memoir as significant in our own century as Sylvia Plath’s journals and Simone de Beauvoir’s writings were to another time, *Patricia Highsmith: Her Diaries and Notebooks* is an historic work that chronicles a woman’s rise against the conventional tide to unparalleled literary prominence.

*One Indian Girl* Rupa Publications India  
*From Bombay to Bollywood* analyzes the transformation of the national film industry in Bombay into a transnational and multi-media cultural enterprise, which has come to be known as Bollywood. Combining ethnographic, institutional, and textual analyses, Aswin Punathambekar explores how relations between state institutions, the Indian diaspora, circuits of capital, and new media technologies and industries have reconfigured the Bombay-based industry’s geographic reach. Providing in-depth accounts of the workings of media companies and media professionals, Punathambekar has produced a timely analysis of how a media industry in the postcolonial world has come to claim the global as its scale of operations. Based on extensive field research in India and the U.S., this book offers empirically-rich and theoretically-informed analyses of how the

imaginations and practices of industry professionals give shape to the media worlds we inhabit and engage with. Moving beyond a focus on a single medium, Punathambekar develops a comparative and integrated approach that examines four different but interrelated media industries--film, television, marketing, and digital media. Offering a path-breaking account of media convergence in a non-Western context, Punathambekar's transnational approach to understanding the formation of Bollywood is an innovative intervention into current debates on media industries, production cultures, and cultural globalization.

*Phylloxera* Penguin

When Chandra Barot set out to make Don, it was not with the idea of giving birth to one of India's most iconic

thrillers but to make a good film for a good cause. No one involved with the making of the film foresaw the kind of overarching impact it would have, not only in terms of its success at the box office but in spawning a cult phenomenon that would stay strong more than three decades later--with its slick theme, fantastic music and unforgettable dialogues, that is what Don became. The journey of Don was not an easy one. Shot over four years, it faced several hurdles before making it to the theatres. While the casting and music of Don have now acquired legendary status, there were some close shaves before it all came together: Iftikhar's role of the cop was eyed by a big star of the 1960s; getting Kalyanji-Anandji to compose the score called for a delicate balancing act; it was only thanks to the shrewd advice of a mentor that the super-successful 'Khai ke paan Banaras wala' was included at the very last minute. And, wonder of wonders, it was not Amitabh Bachchan who was paid the most for the film! Through a fast-paced narrative born out of interviews with the cast and crew, and supplemented with rare photographs from the director's archives, *The Making of Don* tells a tale that is as compelling as the one that finally made it to the big screen. Engaging and captivating, this is the story of one of Bollywood's most memorable classics.

*How to Be a Bawse* Diamond Pocket Books (P) Ltd.

Get ready for the best year of your life! 365 Sex Moves offers couples hot and exciting positions for every day of the year. Filled with stunning photography and short technique descriptions that get right to the point, this book allows you to simply pick-up-and-play and do the position shown. Whether you're

**Catwoman** Pan Macmillan

A historical investigation into the mysterious bug that wiped out the vineyards of, first, France and then Europe in the 1860s -- and how one young botanist, who had served an apprenticeship at Kew Gardens, eventually 'saved wine for the world'. Bordeaux, inexplicably began to wither and die. Panic seized France, and Jules-Emile Planchon, a botanist from Montpellier, was sent to investigate. Magnifying glass in hand, he discovered the roots of a dying vine covered in microscopic yellow insects. The tiny aphid would be named *Phylloxera vastatrix* -- 'the dry leaf devastator'. Where it had come from was utterly mysterious, but it advanced with the speed of an invading army. As the noblest vineyards of France came under biological siege, the world's greatest wine industry tottered on the brink of ruin. The grand owners fought the aphid with expensive insecticide, while peasant vignerons simply abandoned their ruined plots in despair. Within a few years the plague had spread across Europe, from Portugal to the Crimea. the parasite had accidentally been imported from America. He believed that only the introduction of American vines, which appeared to have developed a resistance to the aphid, could save France's vineyards. His opponents maintained that this would merely assist the spread of the disease. Meanwhile, encouraged by the French government's offer of a prize of 300,000 gold francs for a remedy, increasingly bizarre

suggestions flooded in, and many wine-growing regions came close to revolution as whole local economies were obliterated. Eventually Planchon and his supporters won the day, and phylloxera-resistant American vines were grafted onto European root-stock. Despite some setbacks -- the first fruits of transplanted American vines were universally pronounced undrinkable -- by 1914 all vines cultivated in France were hybrid Americans. of one of the earliest and most successful applications of science to an ecological disaster.
