## MCCARTHY CANTRELL

### A Full and Authentic Report of the Discussion on Church Establishments between Mr. C. Leckie and Mr. A. Nicol ... Second edition

Chronicle Books

In spite of all the papers that others have written about the manuscript, there is no complete survey of all the approaches, ideas, background information and analytic studies that have accumulated over the nearly fifty-five years since the manuscript was discovered by Wilfrid M. Voynich in 1912. This report pulls together all the information the author could obtain from all the sources she has examined, and to present it in an orderly fashion. The resulting survey will provide a firm basis upon which other students may build their work, whether they seek to decipher the text or simply to learn more about the problem.

Former executive editor of The New York Times and one of our most eminent journalists Jill Abramson provides a "valuable and insightful" (The Boston Globe) report on the disruption of the news media over the last decade, as shown via two legacy (The New York Times and The Washington Post) and two upstart (BuzzFeed and VICE) companies as they plow through a revolution that pits old vs. new media. "A marvelous book" (The New York Times Book Review), Merchants of Truth is the groundbreaking and gripping story of the precarious state of the news business. The new digital reality nearly kills two venerable newspapers with an aging readership while creating two media behemoths with a ballooning and fickle audience of millennials. "Abramson provides this deeply reported insider account of an industry fighting for survival. With a keen eye for detail and a willingness to interrogate her own profession, Abramson takes readers into the newsrooms and boardrooms of the legacy newspapers and the digital upstarts that seek to challenge their dominance" (Vanity Fair). We get to know the defenders of the legacy presses as well as the outsized characters who are creating the new speed-driven media competitors. The players include Jeff Bezos and Marty Baron (The Washington Post), Arthur Sulzberger and Dean Baquet (The New York Times), Jonah Peretti (BuzzFeed), and Shane Smith (VICE) as well as their reporters and anxious readers. Merchants of Truth raises crucial questions that concern the well-being of our society. We are facing a crisis in trust that threatens the free press. "One of the best takes yet on journalism's changing fortunes" (Publishers Weekly, starred review), Abramson's book points us to the future.

### The Scripture-doctrine of Original Sin

ABRAMS

This new Liberty Fund edition of James McClellan's classic work on the quest for liberty, order, and justice in England and America includes the author's revisions to the original edition published in 1989 by the Center for Judicial Studies. Unlike most textbooks in American Government, Liberty, Order, and Justice seeks to familiarize the student with the basic principles of the Constitution, and to explain their origin, meaning, and purpose. Particular emphasis is placed on federalism and the separation of powers. These features of the book, together with its extensive and unique historical illustrations, make this new edition of Liberty, Order, and Justice especially suitable for introductory classes in American Government and for high school students in advanced placement courses.

Serve up plentiful, rustic, and seasonal spreads with recipes created in the spirit of Italy's antipasti by the James Beard Award-winning author. Executive editor of Saveur Stacy Adimando combines her Italian heritage and tradition of serving abundant spreads to create seventy-five recipes for generous plates and platters meant for grazing. Organized by season and ranging in size from starting bites, such as Grilled Bacon-Wrapped Leeks with Honey Glaze and Shaved Fennel Salad with Sweet Peas and Avocado, to main courses, such as Crispy Pork Ribs with Herb Sauce and Seared Shrimp with Braised Savoy Cabbage, these are generous dishes to serve to family and friends for gatherings large and small. Filled with advice on how to plate and pair dishes for a range of occasions, this visually stunning book imparts what many cooks of Italy seem born knowing: the secrets to pulling off an impressive feast, without formality or fussiness, but with love, ease, and elegance. "Adimando has created a cookbook full of tempting foods that are tailor-made for when you have people over but without the fussiness that often comes with the 'entertaining' genre." —Modern Farmer
