COHEN LIU

Tango And The Political Economy Of Passion Routledge
Tango changes your life, whether you notice it or not. Those changes are not necessarily dramatic most of these changes are so small and gradual that they go unnoticed. However, I don't know anyone in tango whose life this dance did not change in some way or another, some way that goes beyond tango itself. This second volume takes us to the milonga and explores what it means to dance; the importance of freedom of partner choice - and the limits of that freedom; the needs we bring to dancing; and how we communicate musically. Do I embrace dance? Or do I dance to embrace?

Tango Story Harlequin

What is tango? Dance, music, and lyrics of course, but also a philosophy, a strategy, a commodity, even a disease. This book explores the politics of tango, tracing tango's travels from the brothels of Buenos Aires to the cabarets of Paris and the shako dansu clubs of Tokyo. The author is an Argentinean political theorist and a dance professor at t

Tango CreateSpace

"Beautifully told. Maria Finn relays her adventures in the world of tango with excitement, wit, and insight." —Robert Farris Thompson, author of *Tango: The Art History of Love* Maria Finn's husband was cheating. First she threw him out. Then she cried. Then she signed up for tango lessons. It turns out that tango has a lot to teach about understanding love and loss, about learning how to follow and how to lead, how to live with style and flair, take risks, and sort out what it is you really want. As Maria's world begins to revolve around the friendships she makes in dance class and the milongas (social dances) she attends regularly in New York City, we discover with her the fascinating culture, history, music, moves, and beauty of the Argentine tango. With each new dance step she learns—the embrace, the walk, the sweep, the exit—she is one step closer to returning to the world of the living. Eventually Maria travels to Buenos Aires, the birthplace of tango, and finds the confidence to try romance again. As exhilarating as the dance itself, the story whirls us into the center of the ballroom dancing craze. And buoyed by the author's humor and passion, it imparts surprising insights about how to get on with life after you've lost in love.

Tango Nuevo Routledge

Tango is a memoir by a woman who loved, lost, got mad, and decided to dance. The book traces the author's fall, redemption, and renewal through tango. After a violent encounter with her ex's new girlfriend, Camille Cusumano decided she had some serious soul-searching to do. She took off for Buenos Aires intending to stay a few short weeks, but when her search for inner peace met with her true passion for tango, she realized she'd need to stay in Argentina indefinitely. Tango chronicles Camille's experience falling in love with a country through the dance that embodies intensity, freedom, and passion—all pivotal

to her own process of self-discovery. From the charm of local barrios to savory empanadas, Camille whole-heartedly embraces the ardent culture of Argentina, and soon a month-long escape turns into a year-long personal odyssey. Slowly letting go of her anger through a blend of tango, Zen, and a burgeoning group of friends, she discovers that her fierceness and patience can exist in harmony as she learns how to survive in style when love falls apart.

Hold Me Tight and Tango Me Home Algonquin Books

A woman's story of learning to dance, and becoming comfortable in her own skin and in the arms of others: "Witty, incisive [and] vibrantly intelligent."—Kirkus Reviews (starred review) Tango was an unlikely choice for Meghan Flaherty. A young woman living with the scars of past trauma, she was terrified of being touched and shied away from real passion. But by her late twenties, she knew something had to change. So she dug up an old dream and tried on her dancing shoes. In tango, there's a leader and a follower, and, traditionally, the woman follows. As Meghan moved from beginner classes to the late-night dance halls of New York's vibrant tango underground, she discovered that more than any footwork, the hardest and most essential lesson of the dance was to follow with strength and agency; to find her balance, regardless of the lead. And as she broke her own rule—never mix romance and tango—she started to apply those lessons in every corner of her life. Written in wry, lyrical prose, and beautifully enriched by the vivid history and culture of the dance, *Tango Lessons* is a transformative story of conquering your fears, living your dreams, and enjoying the dizzying freedom found in the closest embrace. "Like *Sweetbitter*, this is a memoir of a young woman trying to make it in contemporary New York City. Like *H Is for Hawk* and *Julie and Julia*, it is also portrait of obsession...Flaherty is self-aware and writes beautifully."—New York Journal of Books "Flaherty's writing contains moments of real beauty."—Newsday

Passion in Tango is smouldering intimacy, sensuality, sadness and melancholy. It is the resonance of feelings and movement - body contact between a man and a woman and has captivated people all over the world. The moving photography in *Tango* captures the rhythms, beats and sizzling encounters so typical for this internationally popular music. Music CDs: The music captures the atmosphere as it can be found in the clubs and restaurants in Buenos Aires. In addition Astor Piazzolla, presented here "live," leads *Tango* into the great concert halls.

Master of Puppets HarperCollins UK

Bruno Cadogan has flown from New York to Buenos Aires in search of the elusive and legendary Julio Martel, a tango singer whose voice has never been recorded yet is said to be so beautiful it is almost supernatural. Bruno is increasingly drawn to the mystery of Martel and his strange and evocative performances in a series of apparently arbitrary sites around the city. As Bruno tries to find Martel, he begins to untangle the story of the singer's life, and to believe that Martel's increasingly rare performances map a dark labyrinth of the city's past.

Passion for Tango 2nd Ed Seal Press

Tango Lover's Guide to Buenos Aires Independently Published

Carla weaves her fascinating life's experiences with secrets and lessons of Tantra and Tango on a tapestry of the myth of Adam and Eve. Her wisdom touches the core of the art of intimacy.

The Tango Singer Portico

The Church of Tango is a passionate memoir of tragedy and adventure, lust and music, romance and tango, and above all, survival. A dancer all her life, she'd had to put it on hold while raising her artistic sons and caring for her dying husband. Now as she set her suitcase down on the ancient cobblestones of a Paris courtyard, she wondered—48 years old, 6,000 miles away from home, knowing no one—what was she doing? Each time disaster strikes her life, Cherie forges ahead, struggling to save herself from the wreckage by listening to the music and dancing, first in Los Angeles, then France, Mexico, Holland, and finally in the tango salons of Buenos Aires. This is not a "tango book," but a story of survival that cuts across death, cancer, Alzheimer's, loss of home and homeland and cherished heirlooms and possessions, loss of shared histories, of hope for one's children, of hope for the future, of love. But it's also about finding love and unexpected joy. And about listening to the music and dancing.

Tango NYU Press

Tango, Mystery and Passion is a novel that tells the life of Carlos Gardel, the "Zorzal", famous for spreading tango to the world at the beginning of the 20th century, and Jorge Newbery, a pioneer in aviation that transcended the borders at that time. The mysteries of tango and the parallel lives of Carlos Gardel and Jorge Newbery are revealed through Alejandro and Laura who meet in a guided tour. Between them friendship emerges. They discover their love for history, tango and aviation, which brings them together. Other characters appear as Isabella, cousin of Alejandro. She dances tango and was able to discover through this rhythm the power of the embrace and the feeling that arouses in people. The reunion with his cousin, after many years, leads them to explore the origin of tango and share the tragic history of the historical characters. The search on the beginnings, the mystery and the passion for tango, together with the eroticism of the encounter and, above all, something intimate that links the main characters make this piece a story with all the ingredients of a romantic historical novel.

Tango and the Political Economy of Passion Human Kinetics

My Life in the Milonga: is a true story of passion, self-discovery and human connection. What awaits you in the next chapter of your life? Is there a sense something is missing? Passion? Adventure? A sense of direction? I spent the first twenty of years of my life with a narcissistic mother and the next twenty with a narcissistic husband. Life in the Milonga is how I discovered a part of myself and a sense of self-esteem that had been missing for a long time. Something, I think many of us have missed or even forgotten about in this age of technology, the ability to connect on a conscious human level. I was unaware these things were missing, or that they were of any particular importance to me. Until I discovered the world of Argentine tango. This is my story into the subculture of Argentine Tango. It was a journey of self-discovery that brought joy and passion back into my life. My nights in the milongas of Buenos Aires were filled with passion, humor and playful flirting. Honest tango is danced with an open heart. Learning to trust and share a piece of myself with the men I dance with, is an ongoing journey. Technically tango is a difficult dance to learn and it is even harder to learn if you want to dance it well. I have enjoyed that challenge. I know that my dancing will improve with time and practice. But it's this road of self-discovery that tango requires, that I look forward to the most. I hope it will never end. The world of tango is so different from anything I have experienced in my past. It has allowed me to live my childhood dream of traveling and becoming more involved with other cultures around the world. It has allowed me to become me. I feel at home with the people in the tango world. There has not been a night since I started dancing tango, when tango has not reminded me of the importance of living life in the present and of the desire for human connection in all of us. Human connection is the essence of tango.

The Passion of Music and Dance Portobello Books

When the Embrace Whispers is a heartwarming novel about Sarah, a woman yearning for more beyond the ordinary. Her life takes an unexpected turn when she discovers tango, leading her into a world brimming with passion and self-discovery. This story beautifully intertwines Sarah's journey through love, loss, friendship, and the courage to pursue her heart's desires. It's a poignant tale that celebrates life's unexpected turns, the rediscovery of passion, and the liberating power of dance. This novel, exploring themes of freedom and transformation, is a testament to finding joy and meaning in unforeseen places. It's a powerful reminder to embrace life's rhythms and the beauty of second chances. About the author I am a social tango dancer and the author of the book 'Tangofulness: Exploring Connection, Awareness, and Meaning in Tango,' which has been translated into 12 languages. I began dancing tango in 2009, and it has enriched my life with moments of meaning, friendships, love, family, happiness, travels, and over 3000 prolonged hugs. I am here to share this joy with you through my books. I invite you to join Sarah in her wonderful journey and discover what it holds for you. Who knows, maybe after reading this book, we'll have the chance to share a hug somewhere. I would love that.

Tango Passion Centanni Publications

"If music were to have a language, it would have to be Spanish," thought Marta. It was all she was thinking about as she surrendered herself to the magical rhythm of the melody. She marveled at her journey to Buenos Aires, all the time that had passed, the tango she learned, this romantic language, and the man she fell in love with. Until the beginning of the end... "Tango" is about a young woman from Germany named Marta who moves to Buenos Aires out of her passion for tango and the Argentinian lifestyle. There she finds the meaning of love when she meets Fernando, a young Argentinian man and tango instructor. Marta and Fernando together are successful in their

dancing. After an accident, Fernando is Marta's greatest source of support. He does everything not only out of his love for Marta but also for her happiness and passion for tango. But in the end, is the choice actually hers to make? OKOO's first book, *Tango*, will encourage you with a young business woman's decision to change her life and leave her country. This short story about the power of love, passion and sacrifice also brings the courage in your own life into question. Forget everything you know about dance before you read "Tango".

Lessons from a Tantric Tango Dancer Enrico Massetti Publishing
In this generously illustrated book, world-renowned Yale art historian Robert Farris Thompson gives us the definitive account of tango, "the fabulous dance of the past hundred years--and the most beautiful, in the opinion of Martha Graham." Thompson traces tango's evolution in the nineteenth century under European, Andalusian-Gaicho, and African influences through its representations by Hollywood and dramatizations in dance halls throughout the world. He shows us tango not only as brilliant choreography but also as text, music, art, and philosophy of life. Passionately argued and unparalleled in its research, its synthesis, and its depth of understanding, *Tango: The Art History of Love* is a monumental achievement.

Dancing Tango Elena Pankey

Andrea discovered Argentine tango in her 20s. Over the next decades it gradually changed - and in many ways became - her life. Just about everything in tango is a microcosm of life at large, and just about everything learned on the dance floor is a life lesson as well. This book is a collection of some of the most interesting and valuable things this passionate and complex dance has taught Andrea over the years she has been practising and teaching it.

The Gods of Tango MacLehose Press

The Argentine tango is one of the world's best-known partner dances. Though tango is much admired and discussed, very little has been written on its ongoing evolution. In this innovative work, Carolyn Merritt surveys tango history while focusing on the most recent iteration of the dance, tango Nuevo, and the *práctica* scene that has exploded in Buenos Aires since the early 2000s. After starting with an overview of tango, Merritt leads readers on a great adventure through the traditional dance halls and the less formal *prácticas* of Buenos Aires to tango communities on both coasts of the United States. Along the way, Merritt's personal observations show the dance's emotional depth and the challenges dancers face in tango venues old and new. Her investigation also demonstrates how innovation, globalization, and fusion, which many associate with nuevo, have always been at work in tango. Combining sensuous prose, provocative images, and often heartbreaking stories, this book takes an unflinching look at the complex motivations driving the pursuit to master this intricate dance. Throughout, Merritt questions the "newness" of Nuevo through portraits of machismo, violence, and elitism in

contemporary tango. The result is a volume that highlights the tensions between preservation and evolution of this--or any--cultural art form. Members of the global tango community as well as students of dance, folklore, anthropology, and the social sciences will embrace this book. For those who are devoted to Argentine tango as dance, this book will be indispensable to understanding its most recent transformations.

I Wanted to Dance - Carlos Gavito: Life, Passion and Tango University Press of Florida

From the backstreets of Buenos Aires to Parisian high society, this is the extraordinary story of the dance that captivated the world - a tale of politics and passion, immigration and romance. The Tango was the cornerstone of Argentine culture, and has lasted for more than a hundred years, popular today in America, Japan and Europe. 'The Meaning of Tango' traces the roots of this captivating dance, from its birth in the poverty stricken Buenos Aires, the craze of the early 20th century, right up until its revival today, thanks to shows such as *Strictly Come Dancing*. This book offers history, knowledge, teachings and in-sights which makes it valuable for beginners, yet its in-depth analysis makes it essential for experienced dancers. It is an elegant and cohesive critique of the fascinating tale of the Tango, which not only documents its culture and politics, but is also technically useful.

The Meaning Of Tango Vintage

In *PAPER TANGOS*, classically trained dancer and anthropologist Julie Taylor examines the poetics of the tango, while recounting a life lived crossing the borders of two distinct and complex cultures. Drawing parallels among the violence of the Argentine Junta, tango dancing, and her own life, Taylor weaves the line between engaging memoir and cultural critique. The book's design includes photographs on every page that form a flip-book sequence of a tango. 89 photos.

Tango Fantasia Bloomsbury Publishing

The late nineteenth century witnessed the birth and popularization of a number of highly emotional musical styles that played on the eagerness of modern Europeans and Americans to toy with the limits of sanity and to taste the ecstasies of living on the edge. This absorbing book explores these popular, passionate musical styles -- which include flamenco, tango and rebetika -- and points out that they arose as well-intentioned intellectuals co-opted the emotional experiences most closely associated with women. In drawing those experiences out of female practice, they defined, objectified, and turned them into strategies of domination, the deepest impact of which was felt, ironically, by modern women. In bridging anthropology, sociology, cultural, media, body and gender studies, this book broadens the base of theory which has ignored the transnational world of Latin and Mediterranean popular culture and makes a powerful statement about the intersection of nationalism, sexuality, identity and authenticity.
