CLARA KIERA

The Betrayed HarperCollins
Alessandro Manzoni's 1827 historical novel *The Betrothed* is widely considered the most important and widely read Italian novel. The book is set in northern Italy in 1628, at a time when the country was under Spanish rule. It is recognized for its vivid description of the plague that afflicted Milan around 1630, as well as its criticism of the Austrian Empire, which had power over the region at the time. The novel opens as Renzo and Lucia, a couple who lives in Lombardy are planning to get married. The night before they are to be married, the parish priest, Don Abbondio, is walking home;

on his way, he encounters two men who tell him not to oversee the marriage as it has been forbidden by Don Rodrigo, the local baron. The next day, when Renzo shows up for his wedding, he is surprised to hear that it has been postponed. He finds out that Don Rodrigo has been eyeing his bride to be, and that he is responsible for the delay of the marriage. Renzo devises a plan to have an impromptu wedding, as at this point in time, it was possible for him and Lucia to simply declare themselves married in front of a priest and two witnesses. Their plans go awry and Don Rodrigo sends men to break into Lucia's home, although she is not there. It is clear to the couple that it is no longer safe for them to remain in Lombardy and that they must venture elsewhere to get

married. Friar Christopher sends them to a friar in Milan, and they begin to organize their journey. When Renzo arrives in Milan, he finds the city stricken with famine. He heads to the monastery in hopes of tracking down the monk but does not find him there. Renzo wanders the city, witnessing a mob destroying a local bakery and then attempting to lynch the Commissioner of Supply. Just as they are about to do so, the Grand Chancellor arrives in a coach and says that he has come to take the Commissioner of Supply to prison. Renzo helps the Grand Chancellor to make his way through the crowd, becoming a recognizable figure to the public. After a hectic day, Renzo stops at a nearby inn where he is given much to drink until he ends up revealing his name and address.

The next morning when he wakes up, he finds a notary and two bailiffs who take him away in handcuffs. Renzo causes a ruckus in the street, claiming that he is being unjustly persecuted for his actions the previous day; he incites the sympathy of onlookers who aid him in making his escape. He decides to leave Milan and make his way to Bergamo where his cousin Bortolo lives in a village nearby. Once he reaches this place he will be safely out of the clutches of the Milanese authorities. On his journey, Renzo learns that a warrant for his arrest is being widely circulated. He picks up the pace, realizing that he is in grave danger. Lucia receives news of the warrant at the convent where she is staying, but she is assured that Renzo is safe with his cousin. Don Rodrigo

devises a plan to kidnap Lucia from the convent, hiring a man referred to as the Unnamed to carry out his bidding. While Lucia is out running an errand away from the convent, she is taken in the street and tossed into a nearby coach. After a harrowing journey, Lucia arrives at the robber baron's castle and is locked in a room. Tormented by his actions and the sight of Lucia, the Unnamed has trouble sleeping that night, lying awake wrestling with his thoughts. Lucia lies awake as well, fretting about her fate and vowing that if she survives this she will take the veil and become a nun. When morning comes, the Unnamed looks out of his window and sees hoards of people all heading in the same direction, to meet the famous Archbishop of Milan. Something

overtakes the Unnamed and he decides he must go too, and meet this man. When he does, something in him shifts and he decides to make a great change in his life. He informs his men he will no longer live a life of crime and decides to free Lucia and take her back to her home...

The Betrothed is an 1825 novel by Sir Walter Scott. It is the first of two Tales of the Crusaders, the second being The Talisman. Parts of the novel were incorporated into Francesco Maria Piave's libretto for Giuseppe Verdi's 1857 opera, Aroldo, itself a re-working of an earlier Verdi opera, Stiffelio. The action takes place in the Welsh Marches during the latter part of the reign of Henry II, after 1187. Eveline, the 16-year-old daughter of Sir Raymond Berenger, is rescued from a Welsh siege by the forces of Damian Lacy. She is betrothed to his uncle Sir Hugo, who leaves on a crusade. Rebels led by Ranald Lacy attempt to kidnap her, and Damian fights them off, but a confused sequence of events convinces the King that she

and her beloved are in league against him.

"The Betrothed" is a picture of the troublous times at home, while English knights were away upon the Crusades. The scene is laid upon the borderland of Wales, during the reign of Henry II, and the action clusters around the person of a young Norman heiress beset by Welsh and English alike. The venerable

Archbishop of Canterbury makes it his chief business to preach the Third Crusade; and to this end he exhorts Normans, settled in England and Wales, to lay aside all private feuds with their neighbors. Moved by his teaching, Gwenwyn, a Welsh chieftain, and Sir Raymond Berenger, a Norman knight, exchange friendly courtesies; and Gwenwyn even goes so far as to make plans to divorce his wife in order that he may wed the Norman's daughter Eveline. When he makes this proposal, however, an answer is returned that the lady is already betrothed to Sir Hugo de Lacy, an accomplished soldier, but a man of mature years. The fiery Welsh consider this in the light of an affront, and make war upon Sir Raymond in his stronghold of Garde Doloureuse ...

Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Their love story sets in motion events that will have profound repercussions for everyone involved. Alessandro Manzoni was a giant of nineteenth-century European literature whose *I promessi sposi* (*The Betrothed*, 1928) is ranked with *War and Peace* as marking the summit of the historical novel. Manzoni wrote “*Del romanzo storico*” (“*On the Historical Novel*”) during the twenty years he spent revising *I promessi sposi*. This first English translation of *On the Historical Novel* reflects the insights of a great craftsman and the misgivings of a profound thinker. It brings up to the nineteenth century the long war between poetry and history, tracing the idea of the historical novel from its origins in classical antiquity. It declares

the historical novel—and presumably *I promessi sposi* itself—dead as a genre. Or perhaps it justifies *I promessi sposi* as the climax of a genre and the end of a stage of human consciousness. Its importance lies both in its prospective and in its retrospective contributions to literary debate.
